AN ACT

TO REPEAL THE SEVERAL CHARTERS OF THE CITY OF SAN FRANCISCO, TO ESTABLISH THE BOUNDARIES OF THE CITY AND COUNTY OF SAN FRANCISCO, AND TO CONSOLIDATE THE GOVERNMENT THEREOF.

[Approved April 19, 1856.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

ARTICLE I.

SECTION 1. The corporation, or body politic and corporate, now existing and known as the City of San Francisco, shall remain and continue to be a body politic and corporate, in name and in fact, by the name of the City and County of San Francisco, and by that name shall have perpetual succession, may sue and defend in all courts and places, and in all matters and proceedings whatever, and may have and may use a common seal, and the same may alter at pleasure, and may purchase, receive, hold and enjoy real and personal property, and sell, convey, mortgage and dispose of the same for the common benefit. The boundaries of the City and County of San Francisco shall be as follows: [Here follows the boundary lines as then described, but which have since been changed.]

The present boundaries are thus defined in Section 3950 of the Political Code:

Beginning at the southwest corner, being northwest corner of San Mateo, in Pacific Ocean, on the extension of northern line of Township Three South, of Mount Diablo base; thence northerly along the Pacific Coast, to its point of intersection with westerly extension of low water line on northern side of the entrance to San Francisco Bay, being southwest corner of Marin and northwest corner of San Francisco; thence easterly, through Point Bonita and Point Caballo, to the most southeastern point of Angel Island, all on the line of Marin, as established in Section 3957; thence northerly, along the easterly line of Marin, to the northwest point of Golden Rock (also known as Red Rock), being a common corner of Marin, Contra Costa and San Francisco; thence due southeast four and one-half miles, more or less, to a point distant three statute miles from the natural high-water mark on the eastern shore of San Francisco Bay, being a common corner of Contra Costa, Alameda and San Francisco; thence southeasterly, in a direct line, to a point three miles from said eastern shore, and on the line first named (considered as extending across said bay); and thence west along said first named line to the place of beginning. The islands known as the Farallones shall be attached to and be a part of said city and county.¹

Provided, however, that all rights and liabilities of the corporation heretofore and now known as the City of San Francisco shall survive to, and continue against, the corporations continued by this act. [By an amendment passed April 18, 1857, page 209, the following was added to the section:] The district or districts of said city and county, bordering upon the southern line thereof, as heretofore established, shall be extended to the southern line of said city and county as established in this Act.

SEC. 2. The public buildings, lands, and property, all rights of property and rights of action, and all moneys, revenues and income, belonging or appertaining either to the corporation of the City of San Francisco or to the County of San Francisco, are hereby declared to be vested in, and to appertain to, the said City and County of San Francisco; and the moneys in the treasury of said city, and in the treasury of said County of San Francisco, and all the revenues and income from whatsoever source arising, including delinquent taxes upon persons and property appertaining to the said City or to the said County, shall be handed over, paid and received into the treasury of the City and County of San Francisco as a part of the General Fund; or where

¹ By Section 3953 of the Political Code, as amended March 30, 1874, the western boundary of Alameda county is now made to pass five hundred feet westerly from the western extremity of the Central Pacific Railroad Company's wharf as it now is; provided that no part of Yerba Buena island shall be placed outside of the City and County of San Francisco, and the westerly boundary of the county line of Alameda shall not come within two thousand five hundred feet of any part of said island.

the said moneys, revenues and income, or any part thereof, have been heretofore and still remain set apart and dedicated by lawful authority to the use of a Special Fund, the necessity and objects of which still continue, the same shall continue to be received, held, and disbursed for the same use, unless it is otherwise provided in this or some other Act.

SEC. 3. The records, books, and papers, in the custody of the said City Treasurer, shall be handed over to and received into the custody of the Treasurer of the said City and County, and all other books, records and papers of the said corporation shall be delivered and received into the custody of the Clerk of the Board of Supervisors of said City and County, and shall not be withheld under any claim of a lien thereon for arrears of salary, fees, services or advances, nor under any other pretense whatsoever. Suits and actions may be brought and maintained in the name of the City and County of San Francisco for the recovery of any property, money or thing belonging thereto, or the enforcement of any rights of, or contracts with, said City and County. And from any judgment rendered against the said City and County in any court, an appeal may be taken by the said City and County, where such appeal is allowed by law, without the giving of any appeal bond or undertaking, on complying with the other requisites prescribed by law.

SEC. 4. All the existing provisions of law defining the powers and duties of county officers, excepting those relating to Supervisors and Boards of Supervisors, so far as the same are not repealed nor altered by the provisions of this Act, shall be considered as applicable to officers of the said City and County of San Francisco, acting or elected under this Act. Provision shall be made from the revenues of the said City and County for the payment of the legal indebtedness of the former city corporation and of the County of San Francisco. The taxes which may be levied and collected under the provisions of this Act, shall be uniform throughout the said City and County of San Francisco; but in case it should hereafter be found necessary, for the purpose of providing for the said city indebtedness, to increase taxation beyond the rate of the County tax levied upon property in said County of San Francisco during the year one thousand eight hundred and fifty-five, such increased taxation, over and above the rate aforesaid, shall be levied and assessed exclusively upon the real and personal property situated within the limits defined in the second section of the Act entitled "An Act to re-incorporate the City of San Francisco," passed May fifth, one thousand eight hundred and fifty-five,² and not upon such property situated without those limits.

² Laws 1855, p. 251. Section 2 of this Act thus defined the boundary line of the city: "On the south by a line drawn parallel with Clay street, two and a half miles distant from the center of Portsmouth Square; on the west by a line drawn parallel with Kearny street, two miles distant from the center of Portsmouth Square; its boundaries on the north and east shall be the same with those of the county of San Francisco."

SEC. 5. Immediately after the passage of this Act, the present City Attorney, Surveyor-General and C. K. Garrison shall proceed to lay off the said City and County into twelve convenient districts, equal in population as near as conveniently may be, giving a distinct name to each district, the boundaries of which they shall accurately define by reference to public streets, roads or other permanent monuments, and shall cause a map to be made representing the said districts, with their names and boundaries so fixed. The act of said officers establishing said districts, signed by them, or a majority of them, shall be recorded in the office of the County Recorder of said City and County, and the original be deposited in the office of the County Clerk, and the map shall be deposited with the said County Surveyor. Each of said districts shall constitute an election precinct.³

The Tax Collector, upon the final settlement to be made by him as such Tax Collector, according to the requirements of the law, shall be charged with, and shall pay into the hands of the Treasurer, the full amount of all taxes by him collected and not previously paid over, without any deduction of commissions, fees or otherwise; he shall also be charged with and be deemed debtor to the treasury, for the full amount of all taxes due upon the delinquent list delivered to him for collection; unless it be made to appear that it was out of his power to collect the same by levy and sale of any property liable to be seized and sold therefor; if the impossibility to collect any portion of such delinquent taxes have resulted from any irregularity or defect in the assessment, then the Assessor whose duty it was to make the assessment, shall be liable and be deemed debtor to the treasury for the amount remaining uncollected for that cause.

SEC. 80. The Treasurer shall keep the moneys belonging to each fund separate and distinct, and shall, in no case, pay demands chargeable against one fund out of moneys belonging to another, except as otherwise provided in this Act, without an express order of the Board of Supervisors, which can only be made at or after the third regular session, held during the fiscal year, by a vote of two-thirds. The said Treasurer shall give his personal attendance at his public office during the office hours fixed in this Act; and if he absent himself therefrom, except on account of sickness or urgent necessity, during such office hours, he shall lose his salary for the entire day on which he was absent.

SEC. 81. [*Repealed by Act of March 28, 1859, 141.*]

No demand upon the treasury shall be allowed by the Auditor in favor of any person or officer in any manner indebted thereto, without first deducting the amount of such indebtedness, nor to any person or officer having the collection, custody of disbursement of public funds, unless his account has been duly presented, passed, approved and allowed, as required in this Act; nor in favor of any officer who shall have neglected to make his official returns or his reports, in writing, in the manner and at the time required by law, or by the regulations established by the Board of Supervisors; nor to any officer who shall have neglected or refused to comply with any of the provisions of this or any other Act of the Legislature regulating the duties of such officer, on being required in writing to comply therewith, by the President of the Board of Supervisors, or the Supervisor of the respective district; nor in favor of any officer for the time he shall have absented himself without lawful cause, from the duties of his office during the office hours prescribed in this Act, and the Auditor may examine any officer, receiving a salary from the treasury, on oath touching such absence.

SEC. 84. Every demand upon the treasury, except the salary of the Auditor, and including [the] salary of the Treasurer, must, before it can be paid, be presented to the Auditor of the City and County to be allowed, who shall satisfy himself whether the money is legally due and remains unpaid, and whether the payment thereof from the treasury of the City and County is authorized by law, and out of what fund. If he allow it he shall indorse upon it the word "allowed," with the name of the fund out of which it is payable, with the date of such allowance, and sign his name thereto; but the allowance or approval of the Auditor, or of the Board of Supervisors, or any other Board, or officer, of any demand, which upon the face of it appears not to have been expressly made by law payable out of the treasury or fund to be charged therewith, shall afford no warrant to the Treasurer or other disbursing officer for paying the same. No demand can be approved, allowed, audited, or paid, unless it specify each several item, date and value composing it, and refer to the law by title, date and section authorizing the same.

SEC. 85. The demand of the Auditor for his monthly salary shall be audited and allowed by the President of the Board of Supervisors. All other monthly demands on account of salaries fixed by law, and made payable out of the Treasury of said City and County, may be allowed by the Auditor without any previous approval. All demands payable out of the School Fund must, before they can be allowed by the Auditor or paid, be previously approved by the Board of Education, or by the President thereof, and Superintendent of Common Schools, acting under the express authorization of said Board.* Demands for teachers' wages or other expenses appertaining to any school, cannot be approved, allowed or audited, to an amount exceeding the share of school money which such school will be entitled to have apportioned to it during the current fiscal year. SEC. 89. Whenever any audited demand has been presented to the Treasurer and not paid, and it be made known to the President of the Board of Supervisors, he shall proceed immediately to investigate the cause of such non-payment; and if it be ascertained that the demand has been illegally and fraudulently approved or allowed, he shall cause the officer guilty of such illegal and fraudulent approval or allowance to be proceeded against for misconduct in office. If he ascertain that the demand has been duly audited, and that the Treasurer has funds applicable to the payment thereof, which, without reasonable grounds for doubt as to the legality of such payment, he refuses to apply thereto, he shall proceed against him as a defaulter; if it be ascertained that the demand was not paid for want of funds, then he shall cause the Sheriff or Tax Collector, or other officer or person or persons, who ought to have collected or to have paid the money into the treasury, if they have been grossly negligent therein, to be proceeded against according to law and without any delay.

SEC. 90. The salaries, fees, and compensation of all officers, including policemen and employees of all classes, and all teachers in common schools, or others, employed at fixed wages, shall be payable monthly; and any demand whatsoever upon the treasury, hereafter accruing, shall not be paid, but shall be forever barred by limitation of time, unless the same be presented for payment, properly audited, within one month after such demand became due and payable; or, if it be a demand which has to be passed and approved by the Board of Supervisors or Board of Education, then within one month after the regular session of the proper Board, held next after the demand accrued, or unless the Board of Supervisors shall, within six months after the demand accrued as aforesaid, on a careful investigation of the facts, certify that the same is in all respects just and legal, and that the presentation of it, as above required, was not in the power either of the original party interested or his agent, or the present holder, in which case it shall be barred in the same manner, unless presented for payment within twenty days thereafter.†

The Auditor, before countersigning any such receipt, shall number it, and make an entry in a book of record, to be kept in his office for that purpose, of the number, date, and amount, by whom and in whose favor given, and on what account. No such receipt shall be valid as evidence in favor of the person or officer receiving it, till presented to the Auditor and countersigned as aforesaid; and any person or officer using, or offering to use, such receipt as evidence, in favor of such person or officer, of the payment specified in it, without being first countersigned as above required, shall forfeit to the said City and County double the amount of money specified in such receipt.

SEC. 92. If any person feel aggrieved by the decision of the Auditor, or other proper officer or officers of said City and County, except the Board of Education, in the rejection of, or refusal to approve or allow any demand upon the treasury presented by such person, he may appeal, and have the same passed upon by the Board of Supervisors, whose decision thereon shall be final; and if the said Board shall approve and allow the demand, it shall afterward be presented to the Auditor, and entered in the proper book in like manner as other demands allowed by him, and an indorsement must be made, of its having been so entered, before it can be paid; *provided*, that from the decision of the President of the Board of Education and Superintendent of Common Schools refusing or not agreeing to allow any demand payable out of the School Fund, the appeal shall be taken to the Board of Education, whose decision thereon shall be final.

SEC. 93. In all cases of such appeals to the Board of Supervisors or the Board of Education, the opinion of the District Attorney thereon shall be required in writing, read and filed; and upon such appeal, and in all other cases, upon the approval or allowance of any demand upon the treasury or School Fund, the vote shall be taken by yeas and nays, and entered upon the records.

SEC. 94. The President of the Board of Supervisors, in conjunction with the County Judge* and Auditor of said City and County, shall, every month, examine the books of the Treasurer, and other officers of said City and County having the collection and custody of public funds, and shall be permitted, and it shall be their duty, to see and count over all the moneys remaining in the hands of such Treasurer or other officer. If they ascertain *clearly* that such Treasurer, or other officer, is a defaulter, they shall forthwith take possession of all funds, books, and papers, belonging to such officer, and appoint a person to fill the same, until the said defaulting officer can be proceeded against according to law, which shall be done without delay. The person so appointed shall give bond and take the oath of office, in the same

manner as was required of the officer whose place he is appointed to fill. If the Treasurer, or other officer so charged as a defaulter, be acquitted thereof, he shall resume his duties.

SEC. 95. [*As amended April 18, 1857, 209.*] Payments of demands on the treasury of said City and County may be made for the following objects, and none others:

First—Out of the Police Fund, the fixed salaries of Police Captains and officers, Chief of Police, Police Judge and Clerk of the Police Court.

Second. Out of the School Fund, the salaries or wages of teachers in the common schools, rents, repairs, building, and furnishing of school-houses, as provided by law.

Third. Out of the General Fund, the fixed salaries or compensation of the Assessor and his deputies, * * * and other officers of said City and County, and of officers of the Fire Department, and the legal fees of jurors and witnesses in criminal cases, when the same by law are payable out of the county treasury.

Fourth to tenth, inclusive. [*Obsolete. Bonds redeemed.*]

Eleventh. Out of the Police Fund, bills for the subsisting of prisoners previously authorized by the Board of Supervisors, as in this Act provided, and duly audited, which bills must minutely specify each several item composing the demand.

Twelfth. [*Obsolete.*]

Thirteenth. Out of the General Fund, bills duly audited for expenditures in the care and maintenance of the indigent sick of the City and County, previously authorized by the Board of Supervisors, and not exceeding the amount in this Act limited for that purpose.

Fourteenth. Out of the General Fund, * * * * * the expense legally incurred for books, stationery, and official blanks, as authorized by section eleven of this Act, and the necessary expense of constructing a fire-proof vault, to be prepared for the Treasurer's office, as required by section seventy-nine of this Act; also, expenditures not exceeding three thousand dollars (*amended April 26, 1862, 466; sec. 1, sub. 10, Supplement LX; and by Act of March 30, 1878; sec. 1*) during any one month, for objects of urgent necessity other than those heretofore specified in this section, when the amount thereof in each particular case shall have been previously authorized and fixed by the Board of Supervisors, in the lawful exercise of their powers. [*Portion of this subdivision relating to expenditures for maintenance of Fire Department repealed by sec. 8, Act of March 2, 1866; 1865-5, 138; see post, Supplement XXIV. Further amended by Acts of March 26 and March 28, 1878; see also Supplement X.*]

Fifteenth. Out of the Surplus Fund, expenditures previously authorized by the Board of Supervisors, in the lawful exercise of their powers, for objects other than those specified in the preceding fourteen subdivisions of this section, may be paid out of the Surplus Fund, as specified in sections ninety-

seven and ninety-eight, but not otherwise. At the end of each fiscal year and after every lawful demand on the treasury then due and payable, or to accrue for that year, shall have been actually paid, taken up and cancelled, and record thereof made in the proper books, or cash in the treasury shall have been set apart and reserved, equal to the amount of said demands that may then be outstanding, or to accrue for that year, and a surplus of money shall still remain in the treasury, then, and in such case, but not otherwise, the Board of Supervisors may, out of such Surplus Fund, and from no other source whatever, make appropriations for the various objects embraced within their lawful powers, other than those specified in the first fourteen subdivisions of this section, and may, in case the revenue of the year then next ensuing will, in their opinion, be amply sufficient to satisfy all demands upon the General Fund and Police Fund, set apart and reserve the moneys so appropriated, to be expended from time to time, during such succeeding year, subject, however, to the provisions of section ninety-six. Every contract whereby any money is to be paid out of the treasury for other objects than those specified in the first fourteen subdivisions of this section, shall be null and void as against the City and County, if made before such Surplus Fund exists in the treasury, and unless it be in writing, with a printed copy of sections ninety-five, ninety-six, ninety-seven and ninety-eight of this Act attached to it, and in such case, the officer or officers executing the same in behalf of the City and County, in contravention of this provision, shall alone be liable in his or their individual capacity, to the other contracting party, for the fulfillment of such contract.

SEC. 96. The demands specified in the first fourteen subdivisions of section ninety-five, shall be paid out of any moneys in the treasury, in preference to any and all other demands whatsoever; and in case of any deficiency of funds for the payment of any of the said demands, when presented, then all such demands, being presented and registered by the Treasurer, as in this Act required, shall be paid out of any moneys afterwards coming into the said treasury, applicable thereto, in the order in which the same are registered.

SEC. 97. The Board of Supervisors, Board of Education, and each and every officer of the said City and County, being absolutely prohibited to contract any debt or liability, in any form, against the said City and County hereafter, the powers of the Board of Supervisors, enumerated in this Act, so far as the exercise thereof may involve the expenditure of money otherwise than for the objects and demands referred to in the preceding section, shall be deemed to extend only to authorizing the appropriation and application of any surplus moneys remaining in the treasury, during any one fiscal year, to the objects specified in such enumeration of powers, after the demands mentioned in the first fourteen subdivisions of section ninety-five, due and payable during such fiscal year, shall have been paid, and the several Sinking Funds shall have been provided and reserved for the redemp-

tion of said bonds and certificates of stock, to the amount hereinbefore specified.

SEC. 98. If any expenditures, not authorized by this Act, be incurred, they can never be paid out of the treasury, nor shall they be deemed to constitute, or lay the foundation of, any claim, demand, or liability, legal, equitable, or otherwise, against the said City and County. If expenditures be incurred, which are authorized by this Act to be paid out of the surplus funds in the treasury, but not for the preferred objects specified in section ninety-six, such expenditures can only be paid out of such surplus funds and revenues strictly appertaining to the fiscal year in which such expenditures have been ordered, or the contracts therefor entered into, and cannot be carried forward and paid out of any revenues accruing and receivable into the treasury for any subsequent year; nor shall any demand for, or arising out of, any such expenditure, contract, or consideration, be deemed to be a legal nor [or] equitable claim or liability against the said City and County, or the treasury thereof, or the taxable property or taxpayers, otherwise than as in this section provided; and no demand preferred against the said City and County, or the treasury thereof, which is not legally obligatory under the provisions of this Act, can be recognized, assumed, or legalized, so as to give it any validity, or authorize the payment thereof.

SEC. 99. The following Acts and Laws are hereby repealed:

The Act entitled "An Act to re-incorporate the City of San Francisco," passed May 5, one thousand eight hundred and fifty-five.

The Act explanatory thereof, passed May 7, one thousand eight hundred and fifty-five.

persons, as provided for in the preceding section. [*Amended February 10, 1870; 1869-70, 56.*]

SEC. 8. All actions and proceedings commenced after this Act takes effect, in the City and County of San Francisco, whereof the Justices of the Peace have jurisdiction, shall be entitled "In Justices' Court of the City and County of San Francisco," and shall be commenced in said Court as hereinbefore provided, and the original process shall be returnable, and the parties required to appear before the presiding Justice at the aforesaid Justices' Court room, or before one of the other Justices of the Peace, by the presiding Justice to be designated; but all complaints, answers, and other pleadings and papers required to be filed, shall be filed, and a record of all such actions and proceedings shall be made and kept in the Clerk's office aforesaid; and the presiding Justice, and each of the other Justices, shall have power to hear, try and determine any action so commenced, and which shall be made returnable before him, and to make any necessary and proper orders therein. The presiding Justice shall also have power, in his discretion, on hearing the wishes and objections of the parties, to assign any cause returnable before him after issue joined therein, and in the cases provided for in the next section to transfer the cause returnable before any other Justice, for trial before some other Justice of the Peace, or before three Justices, who shall in such case sit together in the Justices' Court room, and constitute the Court in bank; and the presiding Justice may in like manner assign any contested motion, application, or issue in law arising in any cause returnable before him, for hearing before any other Justice, or before the Court in bank as aforesaid; and the said Court, Justice or Justices to whom any cause, motion, application, or issue shall be so as aforesaid assigned or transferred, shall have full power, jurisdiction, and authority to hear, try, and determine the same accordingly.

be designated, which shall accordingly be done on the terms and in the manner prescribed in the aforesaid section of the Civil Practice Act.

SEC. 10. Cases which by the provisions of section five hundred and eighty-one of the Civil Practice Act are required to be certified to the District Court, by reason of involving the question of title or possession of real property, or the legality of any tax, impost, assessment, toll, or municipal fine, shall be so certified by the presiding Justice and Justices' Clerk; and for that purpose, if such question shall arise on the trial while the case is pending before one of the other Justices, such Justice shall certify the same, in the manner in said section of the Civil Practice Act provided, to the presiding Justice. The motion shall be heard and determined by the Court in bank. Appeals from judgments rendered in said Justices' Court may be taken and perfected in the manner now prescribed by law. The notice of appeal, and all papers required to be filed to perfect it, shall be filed with the Justices' Clerk. The statement on appeal shall be settled, when necessary, before the Justice who tried the cause, or before one of the Justices, if tried in bank. The transcript and papers on appeal shall be made out, certified and returned to the County Court in the form prescribed by the Civil Practice Act, by the Justices' Clerk, verified also by the presiding Justice.

SEC. 12. The presiding Justice, whenever in his judgment the prompt dispatch of business shall demand it, may require the aid of one of the Justices of the Peace in the discharge either of his own duties, or those of the Justices' Clerk (the collection of fees, accounting for and paying the same into the treasury excepted), and each of the Justices when so required shall for the purpose have the same power and authority as the presiding Justice or Clerk in whose aid he shall act; and any one of the Justices, when required as aforesaid, may act as Justices' Clerk *pro tempore* during the temporary absence or disability of the said Clerk, with the same powers, duties and responsibilities.

SEC. 13. In a suitable book, strongly bound, the Justices' Clerk shall keep a permanent record of all actions, proceedings and judgments commenced, had or rendered in said Justices' Court; which book shall be a public record, and be known as the "Justices Register," for which purpose the said Clerk shall give personal attendance, and keep minutes of all proceedings had, either before the presiding Justice or the Justices in bank; and such proceedings as may take place before the other Justices in cases returnable before them, or which may be assigned or transferred to them for trial or hearing, shall be

entered in the dockets of such Justices ; and minutes of proceedings shall be kept by such Justices, and be certified and returned, together with all pleadings and papers in the cause, to the presiding Justice, who shall cause the same to be filed and the proper entries to be made in the cause in the Justices' Register.

SEC. 14. The Board of Supervisors, whenever they shall deem it necessary, may, by an order duly passed and entered in the records of said Board, establish one other Justices' Court, to be held at such place in the City and County as the public convenience may require, which shall not be within one mile and a half of the Justices' Court room in this Act provided for ; and the said Board shall, by a similar order, designate one of the Justices of the Peace to hold such additional Court. The Justice so designated, and in case of his temporary absence, any other Justice of the Peace, shall have power to hold the said Court, and for that purpose shall have power to issue process, make all necessary orders, and exercise all the power, authority, and jurisdiction now conferred by law upon Justices of the Peace, and shall be governed in his proceedings in all respects by the laws regulating proceedings in Justices' Courts, but shall not be entitled to receive to his own use any fees or compensation for official services other than his salary as fixed by this Act.

SEC. 15. All fees for issuance and service of process in such additional Court, and all other fees which now are or hereafter may be allowed by law for any official services of the Justice, or Sheriff or his deputy, in any cause or proceeding commenced or pending therein, shall be by said Justice exacted in advance (except in case of poor persons, provided for in section six), and be paid into his hands, and be by him, weekly or monthly, as the Board of Supervisors may require, and before his salary shall be allowed, accounted for with the City and County Auditor, in detail, under oath, and in such form as the Auditor shall prescribe, and be paid into the treasury of said City and County as part of the Special Fee Fund. [*Amended February 10, 1870: 1869-70, 56.*]

SEC. 16. The Justices' Court organized by this Act, and the additional Justices' Court which may be established by the Board of Supervisors under authority thereof, and the Justices of the Peace aforesaid, shall be governed in their proceedings by the provisions of the Civil Practice Act regulating proceedings in civil cases in Justices' Courts, and by the provisions of law relating to any special cases and proceedings whereof jurisdiction is or may be conferred upon such Justice and Justices' Courts, so far as such provisions are not repealed, altered, or modified by those of this Act, and the same are or can be made applicable in the several cases arising before them.

SEC. 17. All actions and proceedings pending and undetermined before any of the Justices of the Peace of the City and County of San Francisco at the time this Act takes effect shall be proceeded in, heard, and determined

before the same Justices, and execution shall be issued thereon, and other proceedings therein, whether before or after judgment, whether on appeal or otherwise, shall be taken and had before said Justices in the same manner as if this Act had not been passed; but all suits and proceedings commenced after this Act takes effect shall be commenced, entitled, and prosecuted in the Justices' Court, or the additional Justices' Court, as in this Act provided.

SEC. 18. The County Court of the City and County of San Francisco shall have power to make rules, not inconsistent with the Constitution and laws, for the government of the Justices' Courts therein, and the government of the officers thereof; but such rules shall not be in force until thirty days after their publication, and no rule shall be made imposing any tax or charge on any legal proceeding, or giving an allowance to any Justice or officer for services. [*Superseded by sec. 95 of the Code of Civil Procedure.*]

SEC. 19. The Justices of the Peace and Justices' Clerk and Justices' Clerk's deputy shall receive for their official services the following salaries, and no other compensation, payable monthly out of the City and County Treasury, and out of the Special Fee Fund, after being first allowed and audited as other similar demands are by law required to be allowed and audited; to the Presiding Justice, three thousand dollars per annum;* to the Justices' Clerk and each of the Justices of the Peace (the Presiding Justice excepted), twenty-four hundred dollars each per annum; and to the Justices' Clerk's deputy, the sum of twelve hundred dollars per annum. A violation of the provisions of this section shall be deemed a misdemeanor in office. [*Amended, February 10, 1870; 1869-70, 56.*]

SEC. 21. No person other than an attorney at law, duly admitted and licensed to practice in courts of records, shall be permitted to appear as attorney or agent for any party in any cause or proceeding before said Justices, or any of them, unless he produces a sufficient power of attorney to that effect, duly executed and acknowledged before one of said Justices, or before some other officer authorized by law to take acknowledgment of deeds; which power of attorney, or a true copy thereof duly certified by one of the Justices aforesaid (who, on inspection of the original, shall attest to its genuineness), shall be filed among the papers in such cause or proceeding.

enact as follows:*

SECTION 1. Whereas the Board of Supervisors of the City and County of San Francisco passed an order, numbered eight hundred, which said order was approved by the Mayor and President of the Board of Supervisors, on January fourteenth, eighteen hundred and sixty-eight, and which is as follows:

“Order No. 800.—An order for the settlement and quieting titles to land in the City and County of San Francisco, situate above high water mark of the Bay of San Francisco and the Pacific Ocean, and without the corporate limits of the City of San Francisco.

“The People of the City and County of San Francisco do ordain as follows:

“SECTION 1. Immediately after the passage of this order, the Board of Supervisors shall proceed to devise and adopt a plan for the subdivision into blocks and lots of all the lands not reserved to the United States, situated on the peninsula of San Francisco, and within the present corporate limits of said City and County, and above the natural ordinary high water mark of the Bay of San Francisco and the Pacific Ocean, as the same existed on the seventh day of July, eighteen hundred and forty-six, and without the corporate limits of the City of San Francisco, as defined in the Act to re-incorporate the said City, passed by the Legislature of California on the fifteenth day of April, eighteen hundred and fifty-one, so far as said Board may deem such subdivision necessary; and to select and set apart for public uses such lots and portions of said land as said Board may deem necessary, subject to the limitations and provisions hereinafter in this order contained.

“SEC. 2. After the adoption of the plan provided for in section one of this order, the Board of Supervisors shall cause to be made a map of said lands, according to said plan. Such map shall show the streets and public highways, the blocks formed by the intersection of the streets and public highways, and the lots into which said blocks shall be subdivided, and upon such map shall be designated the lots and portions of land set apart for public uses, and the particular use for which each lot or portion of land shall have been set apart.

"SEC. 5. After the said map shall have remained in the office of the Clerk of the Board of Supervisors for the said period of thirty days, as provided in section three of this order, the Board of Supervisors may examine the objections, if any, made thereto, and may make such alterations in the location or designation of any lots or portions of land set apart for public uses as may be necessary to obviate any objection which the said Board shall deem just and proper.

"SEC. 6. As soon as the alterations provided for in section five of this order shall have been made and delineated on said map, the said map shall become and be the official map of said lands; and the portions of land thereon designated as public streets and highways, and the tract or portion of land set apart and designated on said map as a public park, and the tract or portion of land set apart and designated thereon as a cemetery, and lots for a Hospital, City Hall, County Jail, Public Schools, Fire Department, City Library, or other public purposes, shall be deemed absolutely dedicated as such.

"SEC. 8. No person shall be entitled to receive compensation for any lot or portion of land set apart for public use, unless his claim shall have been delineated on the map hereinbefore in this order provided for, nor until all

conflicting claims to such lot or portion of land shall have been finally determined; and no person shall be entitled to receive compensation for any portion of land included in any street or highway.

“SEC. 9. All that portion of the land described in section one of this order which lies south of a line drawn due south, eighty-one degrees and thirty-five minutes east, magnetic, through Seal Rock, and west of a line easterly not less than two hundred feet from ordinary high water mark, is hereby reserved and set apart for public use as a public highway.

“SEC. 10. After the committee hereinafter provided for in section thirteen shall have made their final report upon the said map and reservations, and the report shall be ratified by the Board of Supervisors, it shall be the further duty of the said committee to make a just appraisalment of the lands reserved for public uses other than for streets and highways, and to make a just and equitable assessment of the value of the lands so reserved, ratably and equitably upon and to each piece and parcel of land delineated on said map, according to the appraised value of said lands (exclusive of the lands reserved for public streets and highways). They shall make their report in duplicate, under their hands or the hands of a majority of them; one copy of which said report shall be filed in the office of the Clerk of the Board of Supervisors and the other copy of said report shall be filed in the office of the City and County Recorder; *provided*, that no member of such committee shall act in making such appraisements or assessments who shall be interested in any of the lands to be affected; and in case any member of said committee shall be so interested, the Board of Supervisors shall appoint some other member to act in his place in making said appraisements and assessments. The said committee shall be sworn to faithfully discharge their duties.

“SEC. 11. Upon the payment to the County Treasurer of the City and County of San Francisco of the amount assessed by the committee provided for in section thirteen of this order, upon the lands as provided for in section ten of this order, the City and County of San Francisco hereby relinquishes and grants all the right, title and claim which the said City and County now has or may hereafter acquire as the successor of the Pueblo of San Francisco, or as the grantee or the patentee of the United States, in and to the lands hereinbefore in this order described, and not excepted or reserved, or intended to be excepted or reserved, by any of the preceding sections or provisions of this order, and which may not be set apart for public use under any of the preceding sections and provisions, and upon which shall be paid, previous to the first day of April, eighteen hundred and sixty-eight, all taxes which have been assessed thereon during the five fiscal years preceding the year beginning July first, eighteen hundred and sixty-six, unto the person, or to the heirs and assigns of persons, who were, on the eighth day of March, eighteen hundred and sixty-six, in the actual bona fide possession thereof, by themselves or their tenants, or, having been ousted from such possession be

fore or since said day, have recovered or may recover the same by legal process. And it is hereby declared to be the intent and object of this section to pass the right, title and claim of the said City and County in and to every tract or portion of said land delineated on said map, except the portions that are or may be reserved as aforesaid, possessed by one person, unto the possessor thereof in severalty; and every separate tract or portion thereof, except the portions that are or may be reserved as aforesaid, possessed by more than one person, jointly or in common, unto the possessors thereof, jointly or in common.

"SEC. 12. The grants and relinquishments by this order made shall be subject to the selections, reservations and conditions hereinbefore in this order made and provided for.

"SEC. 13. A committee of five members of the Board of Supervisors shall be chosen by said Board, whose duty it shall be to prepare and report to the Board the plan provided for in section two of this order, to supervise the making of the map provided for in section three, to select, set apart and designate the lots and portions of land hereinbefore provided to be set apart for public use, and generally to superintend the carrying out of the provisions of this order; all the acts of said committee to be subject to the approval of the Board of Supervisors.

"SEC. 14. The committee aforesaid shall receive a reasonable compensation for their services, to be determined by the County Judge.

"SEC. 15. Whenever a survey shall be required to determine the boundaries of any claim or portion of any claim, whether ordered by the committee or requested by the claimants, the expenses of such survey shall be borne by such claimants; and no survey shall be received by the committee except it shall have been made by the City and County Surveyor, or a surveyor designated by the committee; and the amount of compensation for such survey shall be fixed by the committee at a reasonable rate, not to exceed the ordinary charges for such services.

"SEC. 16. The Board of Supervisors shall provide by order for the distribution and payment to those entitled thereto of the moneys assessed for the cost of reservations, and which shall have been paid to the City and County Treasurer, under the provisions of section eleven of this order.

"SEC. 17. Nothing in this order contained shall have the effect to annul or invalidate any action or proceeding heretofore had or commenced under the orders which are by this order repealed; and it shall not be necessary to do anew, under this order, anything therein provided for which is also provided for in the orders aforesaid, and which has been done under and in pursuance of the provisions of said orders, and have been ratified by the Board of Supervisors; and all proceedings commenced under said orders, relating to maps and surveys not yet completed, shall be continued and completed under this order.

"SEC. 18. Order seven hundred and thirty-three, and all orders and parts of orders and resolutions, so far as they conflict with the provisions of this order, are hereby repealed.

"SEC. 19. This order is subject in all its parts to ratification by the Legislature, for which application shall be made by the Board of Supervisors."

Be it therefore enacted, that the within and before recited order be and the same is hereby ratified and confirmed; and all proceedings heretofore had, and which have taken place or shall hereafter take place under its provisions, are ratified and confirmed in all respects; *provided*, that after the Board of Supervisors shall have set apart a tract of land for a cemetery, as provided in said order, and shall have set apart a tract of land for a public park, as therein provided, the said Board may, if in their judgment the same would be better for the public health or convenience, by a vote of at least ten members, and with the approval of the Mayor, exchange such lands so set apart for cemetery purposes for other lands, not less than two hundred acres in extent, to be used as a cemetery; and they may also exchange said lands so set apart for a public park for other lands for the purposes of a public park, and not of less extent than one thousand acres; but no person in actual possession of any of the lands mentioned in the first section of said order on the said eighth day of March, eighteen hundred and sixty-six, and on which five years' taxes shall have been paid, as provided in such order, shall be dispossessed of any of said lands under any order heretofore or hereafter made by said Board of Supervisors for the reservation of any of said lands for public uses, except for streets, until compensation shall have been actually made to such person, as provided in said Order Number Eight Hundred; and until such compensation shall have been made such person shall be allowed to continue in possession of such lands so possessed by them.

1867-8, 463.

An Act to authorize the Board of Supervisors of the City and County of San Francisco to modify and change the grade of streets in said City and County.

[Approved March 28, 1868.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. The Board of Supervisors of the City and County of San Francisco are hereby authorized and empowered, upon petition of the owners of three-fourths of the property to be affected thereby⁹⁶—said property to be ascertained and indicated by said Board of Supervisors in the manner provided in the first subdivision of section two of this Act—to change and modify the grade of any street or avenue, or of any part of any street or avenue, in said City and County, as is hereinafter provided.

SEC. 2. The grade of any street or avenue, or portion of any street or avenue, the grade of which has been fixed by ordinance, shall not be altered or changed, except upon an adjustment of the benefits and damages; and the proceedings shall be as follows:

First. The Board of Supervisors, upon the receipt of a petition in conformity with the provisions of section one of this Act, shall publish in the official newspaper of said City and County a notice of their intention to make such

⁹⁶ The Act of April 2, 1870; 1869 70, 650; provides as follows: "The Mayor of the City and County of San Francisco is hereby authorized and empowered, on behalf and in the name of the City and County of San Francisco, to petition the Board of Supervisors of said City and County to order the change of the official grade of any street or streets, where such change may affect any public square or other lot of land belonging to said City and County; and such petition shall have the same effect as if the same were signed by or in behalf of the owners of any property not belonging to said City and County."

[change]. Said notice shall be published for thirty days, and shall describe the proposed change, and designate the limits within which the lots of land to be benefited shall be assessed to pay any damages that may be awarded by reason of the change.

Second. Within twenty days after the first publication of said notice, any person claiming that he or she would sustain damage by reason of such change shall file a petition with the County Clerk, addressed to the County Court,* setting forth the fact of his or her ownership, the description and situation of his or her property, its market value, and the amount of damage, over and above all benefits, which he or she would sustain by reason of the proposed change, if completed, asking the appointment of Commissioners to assess such damage; which petition shall be verified by the oath of the petitioner, or his or her agent.

Third. On the filing of such petition, the said County Court* shall take jurisdiction of the proceedings, and the County Clerk shall immediately give notice thereof to the President of the Board of Supervisors.

Fourth. At the expiration of the time of publication of said notice, and at the time indicated by said notice, or at such other time to which it may be continued, the County Court* shall appoint three citizens, who are freeholders in said City and County, and competent judges of the value of real estate therein, and not interested in said proceedings, as Commissioners, to assess the benefits and damages to each separate lot of land within the limits designated in the notice.

Fifth. The Commissioners shall be sworn by the County Judge,* to make the assessments of benefits and damages, to the best of their judgment and ability, without fear or favor, and that they have no interest in the controversy, nor in any of the land within the limits designated, which oath shall be filed with the County Clerk as part of the proceedings. A copy thereof, and of the order of appointment, certified by the Clerk, may be delivered to said Commissioners as their authority.

tion of the proposed change, shall proceed to assess the whole amount thereof, together with the costs, charges and expenses of the proceedings, including the compensation to the Commissioners for their services, to be taxed and allowed by the County Judge, ratably, upon the several lots of land benefited within the limits designated in said notice, so that the same shall be distributed according to the benefits produced by such change as nearly as possible.

Ninth. Said Commissioners shall make their report in writing, and shall subscribe the same and file it with the County Clerk. In their said report they shall describe each piece of property which will sustain damage, stating the amount of the damages which it will sustain over and above all benefits; and they shall also give a brief description of each lot benefited within the designated limits, the name of the owner, if known, and the amount of benefit assessed against the same. In case the three Commissioners do not agree, the award agreed upon by any two of them shall be sufficient. On the filing of said report, the County Clerk shall notify the Board of Supervisors, in writing, of the fact, and thereupon the said Board shall by ordinance confirm or reject said report. If they confirm it, the grades of the streets shall be changed as contemplated, and the Clerk of the Board of Supervisors shall notify the County Court* that the Board have confirmed the report. The County Court shall thereupon enter up judgment against each lot assessed for benefits, describing the same as accurately as can conveniently be done. Upon which judgment an order of sale may issue by order of the Court, commanding the Sheriff of said City and County to collect the amount therein mentioned by sale of the lot assessed in the mode prescribed by law for the sale of real estate, the proceeds to be paid by the Sheriff to the Treasurer of the City and County of San Francisco, who shall place the same to the credit of the Street Department Fund; and the same shall be paid, and the Treasurer of said City and County shall pay the amount collected for damages into the County Court,* which shall hold, invest and distribute the same in the same manner as provided in section nineteen of an Act entitled an Act to declare and regulate the power of the Board of Supervisors of the City and County of San Francisco to take private lands for certain public improvements and to prescribe the manner of its execution, approved April fourth, eighteen hundred and sixty-four. All such judgments shall be in favor of the City and County of San Francisco, and shall be a lien upon the lot until the same is paid; but no sale shall be made nor execution issue until the County Court shall determine that said work has been completed.

Any party dissatisfied may, within thirty days after judgment against him or his lot, or the order to pay the damages assessed, appeal to the Supreme Court to review the matter complained of, and the appeal shall be taken in the manner and with the same effect as prescribed in, and in all respects be in conformity to, an Act to declare and regulate the power of the Board of Supervisors of the City and County of San Francisco to take private lands for certain public improvements and to prescribe the manner of its execution, approved April fourth, eighteen hundred and sixty-four; and all subsequent proceedings shall be in conformity therewith and with the same effect.

SEC. 4. All Acts and proceedings under this law shall be liberally construed, and the judgments and proceedings of the County Court* shall be construed like judgments and proceedings of courts of general jurisdiction.

SEC. 5. The Sheriff shall collect fees for the execution, in case an execution issues, as in other cases; but each party may pay to the Treasurer the amount of the judgment against him, and the Treasurer's receipt being produced to the County Court,* satisfaction of the judgment shall be entered by the Clerk. The Clerk shall not charge any fees for the proceedings unless execution issues, in which case he shall be authorized to charge five dollars for each execution, to be collected by the Sheriff on the execution.

An Act to expedite the settlement of land titles in the City and County of San Francisco, and to ratify and confirm the acts and proceedings of certain of the authorities thereof.

[Approved March 14, 1870.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. Upon receiving a petition from any person or persons, claiming that they, by themselves, their tenants or the persons through whom they claim or derive possession, have been, from and including the eighth day of March, Anno Domini eighteen hundred and sixty-six (1866), and still are, in the possession of any of the lands without the corporate limits of the City of San Francisco, as defined in an Act to re-incorporate said city, passed by the Legislature of the State of California on the fifteenth day of April, Anno Domini eighteen hundred and fifty-one (1851), and described in the decree of Justice Field, of the United States Circuit Court, confirming the claim of the City and County of San Francisco, entered November second, Anno Domini eighteen hundred and sixty-four (1864), in the Circuit Court of the United States for the Northern District of the State of California, and that they, or the persons through whom they claim or derive possession, have paid to the Tax Collector of the City and County of San Francisco the amount assessed by the Outside Land Committee upon the land described in said petition, to pay for land reserved for public use, pro-

vided for in section ten (10) of Order Eight Hundred (800), and also paid the taxes mentioned in section four (4) of said order, and all the taxes levied on said lands for State and municipal purposes now due and remaining unpaid; or, upon receiving a petition from any person or persons, setting forth that said petitioners, by themselves, their tenants, or the persons through whom they claim or derive possession, were, on or before the first (1st) day of January, Anno Domini eighteen hundred and fifty-five (1855), to and including the twentieth (20th) day of June, Anno Domini eighteen hundred and fifty-five (1855), and still are, in possession of the land described in said petition, embraced within the corporate limits of the City of San Francisco, and above high water mark, as defined in the Act to incorporate said city, passed by the Legislature of the State of California, on the fifteenth (15th) day of April, Anno Domini eighteen hundred and fifty-one (1851); and such petition in either case setting forth that such lands have not been sold, leased, dedicated, reserved or conveyed by authority of the said City and County of San Francisco, or the United States, to any one, or for any purpose, and asking for a grant from said City and County, the Board of Supervisors shall proceed to act thereon as hereinafter provided. This petition shall be verified by the oath or affirmation of the party in whose behalf the petition is presented, or by some one acting as his agent, and conversant with the facts detailed in the petition.

SEC. 2. All petitions mentioned in the first section of this Act shall be referred to the Committee on Outside Lands. The Clerk of the Board of Supervisors shall be the Clerk of the Outside Land Committee. The party presenting the said petition may appear before said Clerk and make proof, verbal and documentary, of the truth of the matters alleged in his petition. Copies of the documentary evidence shall be filed with said Clerk, and the oral testimony shall be reduced to writing by said Clerk and subscribed by the witness. The proofs of the petitioner being closed, the said Committee shall proceed to consider the same, and shall make such report and recommendation thereon as to them shall seem just and proper in the premises. The said Committee shall file with the Clerk of the Board of Supervisors the testimony taken as aforesaid, together with the report of the said Committee, and said report shall be submitted to the Board of Supervisors for their approval, and if, in their judgment, the claim of the petitioner is well founded, they shall, by an order entered in their minutes, adjudge and award a grant of such lands to the petitioner or petitioners therefor, less the amount reserved for public use. The said Board shall thereupon give public notice of their award by notice, published at least once a week for three successive weeks, in some daily newspaper published in the City and County of San Francisco, which notice shall specify the name of the applicant, the date and filing of his petition, and the tract of land awarded, by a good and sufficient description thereof; proof of publication of such notice shall be made in the manner now or hereafter required by law for the proof of publication in civil process. The Clerk of the said committee shall be allowed

compensation, for taking the oath or affirmation of witnesses, twenty-five cents; and for reducing the testimony to writing, twenty cents a folio, which shall be in full for all services rendered by him as Clerk of said committee. The compensation herein allowed to the Clerk of said Committee shall be paid to said Clerk by the party presenting the petition.

SEC. 3. Upon receiving proof of the publication of the notice provided for in the second section hereof, and the payment of all necessary expenses for deeds, the Mayor of the City and County of San Francisco is hereby authorized and empowered to execute, acknowledge and deliver to the party or parties presenting the aforesaid petition, a deed of conveyance of the tract or lot of land as aforesaid, adjudged and awarded to the petitioner, and attach thereto the corporate seal of the City and County of San Francisco; *provided*, the petitioner or petitioners shall, before receiving a deed as aforesaid, be required to quitclaim and peaceably deliver the possession of all land claimed by said petitioner or petitioners, reserved by the Commissioners acting under Ordinance Eight Hundred and Twenty-two (822), and all those lands reserved by the Committee of the Board of Outside Lands for the use and benefit of the City and County of San Francisco; *provided, however*, that in case a suit shall be pending between the petitioner and some third person, involving the right of possession of the tract, or some portion thereof, petitioned for, and such third person shall file with the Clerk of the Board of Supervisors a copy of the complaint filed in such action, before the deed shall have been executed and delivered to the petitioner, and also competent proof that such third persons, or the persons through whom they claim or derive possession, have paid the taxes and assessments mentioned in the first section of this Act, then and in that case the deed shall be withheld until such suit shall be finally determined; and there shall thereafter be executed a deed of conveyance of so much of the tract of land as shall be involved in the said suit, to the party in whose favor the said suit shall be finally determined as aforesaid; *provided, further*, that the expenses hereinafter provided for shall be paid before such conveyance shall be delivered.

SEC. 4. Upon the filing of a petition, as hereinbefore provided, the petitioner shall deposit with the Clerk of the Board of Supervisors a sum of money sufficient to pay for the publication of the notice hereinbefore provided, and other expenses incident to the granting of the prayer of the petitioner. But the Clerk shall not receive on file any petition that shall not be in conformity with the provisions of this Act.

SEC. 5. A conveyance executed and delivered in pursuance of the provisions of this Act shall operate as an acknowledgment on the part of the said City and County, that the title to the land therein described has passed under and by virtue of said Order Number Eight Hundred (800), or of said Ordinance Number Eight Hundred and Twenty-two (822), as the case may be, and also under and by virtue of the several Acts of Congress and the

Legislature ratifying said order and ordinance, or under the authority of which the same have been passed; and such conveyance shall likewise operate to grant, convey, remise and release to the party, his heirs and assigns, named therein, the lands in such conveyance described, and all the estate and interest, present and future, of the said City and County of San Francisco, in and to such lands. But no such conveyance shall in any event be held to import a warranty or covenant of title on the part of, or to bind said City and County, or any officer thereof.

SEC. 6. All orders and parts of orders of the Board of Supervisors of the City and County of San Francisco, conflicting with order Eight Hundred and Sixty-six (866), are hereby repealed, but such repeal shall not invalidate any of the proceedings instituted under the order of which Order Eight Hundred and Sixty-six (866) is amendatory, and such proceedings may be continued under the provisions of said Order Eight Hundred and Sixty-six (866). Whenever such proceedings have been completed, and the Committee on Outside Lands of said Board of Supervisors, or a majority of them, have executed and delivered a deed or deeds, the person or persons to whom such deed or deeds were executed, may obtain from the Mayor, at his or their own expense, a deed of the same land, executed by him and sealed with the corporate seal of the City and County of San Francisco, without further petition, proof, award or notice; and the Mayor is hereby authorized and empowered to execute such deeds. Any and all such deeds shall have the like force and effect as the conveyances mentioned in section five of this Act; *provided*, that if any grantee in any deed executed by such committee has heretofore sold or conveyed any land included in such deed, or his, her or their interest in such land, by writing recorded in the office of the City and County Recorder of the City and County of San Francisco, the deed executed by the Mayor, and sealed with the aforesaid corporate seal, shall be, as to the lands so sold or conveyed, for, and inure to the benefit of such purchaser or purchasers, grantee or grantees, and their heirs, and the deed executed by the Mayor shall expressly so state.

SEC. 7. Whereas, divers co-owners and tenants in common of certain tracts of land situate in the City and County of San Francisco, and within the limits described in Order Number Eight Hundred (800) of said Board of Supervisors, who are or claim to be in possession thereof as such owners and tenants in common, under and in accordance with the terms and provisions of said Order Number Eight Hundred (800), and as such alleged co-owners and tenants in common, have had said tracts of land delineated by metes and bounds, and as entireties, upon the map mentioned and provided for in said Order Number Eight Hundred (800), and have also severally paid their proportionate share of the taxes upon said tracts of land for the five fiscal years preceding the year beginning July first (1st), eighteen hundred and sixty-six (1866), and all subsequent taxes due thereon, and have filed with said Board their petition, claiming said land under and in accordance with

the terms and provisions of said order and Order Number Seven Hundred and Forty-eight (748) of said Board; now, therefore, it shall be lawful for any such alleged co-owners or tenants in common of lands situate within the limits described by said Order Number Eight Hundred (800), or one or more thereof, or his or their successor or successors in interest, who shall have performed the acts and conditions aforesaid, to pay, as such co-owners or tenants in common, his or their proportionate share of the amount of any and all taxes or assessments now levied and due, or which may hereafter (at any time prior to the delivery of a deed from the City and County of San Francisco, for his or their undivided interest in said lands) be levied and become due upon the tract or tracts of land, wherein he or they hold as such co-owners or tenants in common; and to facilitate the payment of such proportionate shares, the Tax Collector is hereby authorized to divide into smaller parcels any tract of land claimed by co-owners, owners in severalty or tenants in common, and to apportion to each subdivision the ratable proportion, value considered, of the assessment made to the whole tract so divided, and after the payment of the apportioned assessment upon any one of such subdivisions, no valid objection shall be made by any party to the acts of the Tax Collector in respect to such division, and the apportioned assessment shall become as valid and binding upon the respective subdivisions to which they have been so apportioned, as if no division had been made by said Tax Collector.

SEC. 8. All of the acts and proceedings of the Tax Collector of the City and County of San Francisco, taken or done by him in pursuance of or under the authority of any order or resolution of the Board of Supervisors of said City and County, or in pursuance of or under the authority of any Act of the Legislature of the State of California, in reference to the collection of the taxes or assessments upon what are commonly designated as the outside lands of the said City and County, are hereby ratified and confirmed, and declared to be legal, valid and binding, both upon the lands embraced within the purview of any such Act of the Legislature of this State, or order or resolution of said Board of Supervisors of said City and County.

SEC. 9. And whereas, certain lands, known as outside lands of the City and County of San Francisco, have been advertised for sale by the Tax Collector of said City and County, for the non-payment of taxes or assessments levied thereon, known as the outside land tax, which sale has been postponed from time to time by said Tax Collector; and whereas, some of the parties claiming to be the owners of portions of said lands refuse or neglect to pay the taxes so levied as aforesaid, and have enjoined the said Tax Collector from proceeding with said sale; now, therefore, be it enacted, that all the pieces or parcels of land so advertised by the said Tax Collector as aforesaid, on which assessments heretofore levied have not been already paid, or shall not be paid to said Tax Collector within thirty days from and after the passage of this Act, shall be sold by said Tax Collector for gold coin of the United States, as hereinafter provided. Said sales may be adjourned from time to time by said Tax Col-

lector, not exceeding in all sixty days, and may take place at such place in said City and County as the said Tax Collector may designate. The time during which any injunction may be in force restraining the said Tax Collector or other officer of said City and County from proceeding with said sale shall not be computed as any part of the periods limited and fixed within which he may perform the acts and duties herein defined, but shall be excluded therefrom. The said Tax Collector may retain in his custody so much of the proceeds arising from said sale as shall be necessary to liquidate and pay off the appraisements for reserved lands as heretofore made, pursuant to Order Number Eight Hundred, and all such proper and necessary costs as he may be at in conducting said sale and the collection of such assessments, and the overplus thereof he shall pay over to the Treasurer of the said City and County; and said Treasurer shall carry the amount so paid to him to the credit of the General Fund of said City and County. The amount so retained by the said Tax Collector shall be paid over by him to the parties entitled thereto under section eleven of Order Number Eight Hundred, in discharge of the appraisements for reserved lands; and within thirty days from and after he shall have received a sum from assessments equal to the total amount of appraisements for reserved lands, over and above the expenses and costs of making collections, he shall settle and pay off in full the appraisements made as aforesaid; *provided, however*, when there are conflicting claimants for particular appraisements, said Tax Collector shall not be obliged to make payment in such cases until such conflicting claims shall be determined, amicably or otherwise; and the said Tax Collector is hereby authorized, from time to time, to make make distribution on account of said appraisements for reserved lands, pro rata, as often as he shall have on hand fifty per cent. or less thereof.

SEC. 10. Said Tax Collector shall issue to each successful purchaser a receipt, in duplicate, for the amount bid and paid by him, which receipt shall also contain a brief description of the premises sold, and upon its face entitle the bidder, or his assigns, to a deed of conveyance of the premises therein described, at the expiration of twelve months from the date of the sale, unless there shall be a redemption of the premises as hereinafter provided.

SEC. 11. Said lands shall be sold subject to redemption, and such redemption may be made at any time within twelve months from the date of sale, upon paying to the said Tax Collector the amount bid therefor, together with twenty-five per cent. thereon and in addition thereto; and the party redeeming shall also pay such expenses of advertising and other expenses as the said Tax Collector may have incurred in and about the particular tract from the sale of which redemption is sought to be effected; *provided*, that all lands sold for assessment prior to the passage of this Act shall have the same right of redemption as provided for in section eleven of this Act.

SEC. 12. The Tax Collector, after the expiration of twelve months from the date of sale, in which there has been no redemption, shall make a conveyance of the premises sold to the purchaser thereof, or his assigns; and where there

has been a redemption, he may make conveyance thereof to the redemptioner. In cases of redemption, the Tax Collector shall pay over to the holders of receipts the amount bid, together with the sum paid by the redemptioner, in addition to the bid.

SEC. 13. This Act shall take effect and be in force from and after its passage.

In case of a vacancy, the same shall be filled by the remaining members of the Board for the residue of the term then vacant; and all vacancies occasioned by expiration of terms of office, or neglect or incapacity of qualification, shall be filled by the Governor aforesaid. Each of said Commissioners shall be a freeholder and resident of said City and County.

SEC. 4. The said Board shall have the full and exclusive power to govern, manage and direct the said parks and avenues; to lay out, regulate and improve the same; to pass ordinances for the regulation and government of the same; to appoint such engineers, surveyors, clerks and other officers, as may be necessary; to prescribe and define their respective duties and authority; to fix the amount of their compensation, and to have the management of the funds provided for the improvement thereof.

SEC. 5. It shall be a felony for any Commissioner, directly or indirectly, to be interested in any contract or work of any kind whatever connected with either of said parks or avenue; and it shall be the duty of any Commissioner or other person who may have any knowledge or information of the violation of this provision, forthwith to report the same to the Governor, who shall hear the allegations in regard thereto; and if, after such hearing, he shall be satisfied of the truth thereof, he shall immediately remove such Commissioner thus offending. The Governor shall issue a commission to each of the Commissioners appointed by him, who shall, within twenty days after the receipt thereof, take and subscribe the oath of office prescribed by law.

SEC. 6. The said Board shall semi-annually, and on the second Monday in January in each year, make to the Legislature of the State, and to the Board of Supervisors of said City and County annually, and on the second Monday of January in each year, a full report of their proceedings and a detailed statement of all their receipts and expenditures.

SEC. 7. It shall be lawful for the said Commissioners to let any portion of said grounds from time to time, until the same shall be required for the improvement of said parks; but no lease shall extend beyond three years from the date thereof. lars nor more than one thousand dollars, which bonds shall not exceed in the aggregate the sum of two hundred and twenty-five thousand dollars, and shall be payable twenty-five years from their date, and may sell or dispose of the same at not less than ninety per cent. of their par value, to create a fund to be called "Park Improvement Fund." Such bond, and the interest thereon, shall be paid in gold coin. Said interest shall be paid semi-annually at the office of the Treasurer of said City and County, and said bonds shall bear interest at a rate not exceeding six per cent per annum. The said parks and avenues are hereby pledged as security for the redemption of said bonds. Any balance of the appropriations made for any one year may be expended in any succeeding year. It shall be lawful for the holder or holders of any bond or bonds heretofore issued under the provisions of the Act to which this Act is amendatory and supplemental, to surrender such bond or bonds, with the unpaid coupons thereon, to the Auditor of said City and County; and upon such surrender being made, bonds of like denominations to those surrendered, payable as herein provided, with coupons attached bearing interest at six per cent per annum, shall be issued and delivered to the person or persons making the surrender aforesaid; and the Auditor shall, in the presence of the Mayor, cancel all bonds and coupons so surrendered in exchange for others as herein provided. [*Amended March 30, 1872 ; 1871-2, 706.*]

SEC. 10. The Park Commissioners shall sell the bonds from time to time, as the money arising therefrom shall be needed for the prosecution of improvements on said parks, and all moneys arising from sales of bonds shall be paid into the Treasury of the City and County to the credit of a fund to be known as the "Park Improvement Fund," and shall only be drawn therefrom upon the order of said Park Commissioners, or a majority of them, audited by the Auditor of said City and County. [*Amended March 30, 1872; 1871-2, 706.*]

SEC. 11. For the payment of the interest of the said bonds, the Board of Supervisors of said City and County shall order and cause to be raised, by tax on the estate, real and personal, subject to taxation according to law, within said City and County, and to be collected in addition to the ordinary taxes, yearly and every year, sufficient money to pay the interest annually accruing on the bonds then issued.

SEC. 12. The moneys raised by sales of such bonds shall be deposited with some one or more of the savings or banking institutions in said City and County, and such institution, bank or banks, with which the same may be deposited, shall allow interest upon such deposits, as may be agreed upon with said Board, and shall open and keep an account with said Board. No moneys shall be drawn from said fund except upon a warrant signed by a majority of the Commissioners and the Mayor.

SEC. 13. It shall be lawful for said Board of Commissioners to pass such ordinances as they may deem necessary for the regulation, use and government of said parks and avenue, not inconsistent with the laws of the State of California. Said ordinances shall, within five days after their passage, be

published for ten days, Sundays excepted, in a daily newspaper published in said City and County, to be selected by said Commissioners.

SEC. 14. All persons offending against such ordinances shall be deemed guilty of a misdemeanor, and be punished on conviction in the Police Court of said City and County.

SEC. 15. This Act shall take effect immediately.

[*The following is the remaining portion of the Act of March 30, 1872; 1871-2, 706; besides that incorporated in the foregoing Act:*]

SEC. 3. In order to render said avenues and parks of easy access to the citizens of San Francisco, the said Commissioners are hereby authorized and empowered to draw from the said "Park Improvement Fund" not exceeding the sum of twenty thousand dollars, and expend the same on such of the public streets of the said City leading to said avenues and parks as in the judgment of said Commissioners shall best subserve the public convenience; but the said Commissioners shall not expend any moneys as in this section contemplated unless the property holders along the line of the streets thus designated and selected by the Commissioners shall unite with the said Commissioners and contribute an amount equal to that proposed to be expended by the Commissioners, and place the same in the said "The Park Improvement Fund," the whole to be laid out under the direction and supervision of the said Commissioners.

SEC. 4. This Act shall take effect from and after its passage. ●

An Act in Relation to Coroners in the City and County of San Francisco.

[Approved March 16, 1872.]

The People of the State of California, represented in Senate and Assembly, do enact as follows :

SECTION 1. Every person elected or appointed to the office of Coroner, before he shall enter upon the duties of such office, shall take the constitutional oath of office, and give an official bond in the sum of five hundred dollars.

SEC. 2. The duties of Coroner shall be: First, to hold inquests upon the bodies of persons slain, or who shall have committed suicide, or been found dead under such circumstances as to lead to a suspicion of crime committed, within the county in which such Coroner resides; second, to issue process for the arrest of one charged upon inquest with murder or manslaughter; to hold inquest on the body of every prisoner who dies in jail; and it shall be the duty of the Jailor, whenever a prisoner dies in his custody, to send for the Coroner who has jurisdiction, who shall hold inquest upon the body of such prisoner. The duties of Coroners upon inquests shall not be delegated.

SEC. 3. Whenever any Coroner shall receive notice that any person has been slain, or has committed suicide, or has died suddenly, or has been found dead under circumstances such as to require an inquisition, it shall be his duty to go to the place where such person shall be, or if the body shall have been interred, shall cause it to be disinterred, and shall forthwith summon not less than nine or more than fifteen persons to serve as jurors, to appear before him forthwith, at such place as he shall appoint, and make inquisition concerning such death. He shall summon none but persons duly qualified by law to serve as jurors, and no such person shall be exempt, except at the discretion of the Coroner. No person shall be summoned who is related to the deceased, or to any person who may be suspected or charged with the killing; nor shall any one be summoned who is known to be prejudiced for or against him, but the jurors who are selected and appear shall not be challenged by any party. [*Amended. March 23, 1876; 1875-6, 397.*]

SEC. 4. Every person summoned as a juror who shall fail to appear without having a reasonable excuse, shall forfeit a sum not exceeding the sum of two hundred dollars, to be recovered by the Coroner, in the name of the people of the State, before any Justice of the Peace in the proper township, and when collected to be paid into the County Treasury for the use of the county.

SEC. 5. When six or more of the jurors attend they shall be sworn by the Coroner and charged by him to inquire how and in what manner and when and where such person came to his death, and who such person was, and into all the circumstances attending such death, and to make a true inquisition according to the evidence offered to them or arising from the inspection of the body.

SEC. 6. There shall be but one inquest upon a body, unless that taken be set aside by the Court; and there shall be but one inquest held upon several bodies of persons who were killed by the same cause and who died at the same time. Whenever it shall appear that an error in the identity of the body has been made by the jury, it shall be discretionary with the Coroner to call another inquest upon the body without reference to the Court, and a memorandum of the error shall be entered upon the erroneous inquisition.

SEC. 7. After the jury has been sworn and charged by the Coroner, they shall go together with the Coroner to view and examine the body of the deceased person. They shall not proceed upon the inquest until they have so viewed the body. After the jury have viewed the body they may retire to any convenient place to hear the testimony of witnesses and deliberate upon their verdict. For this end the Coroner may adjourn the inquest from time to time, as may be necessary.

SEC. 8. The Coroner may issue subpoenas for witnesses, returnable forthwith or at such time and place as he may appoint therein, which may be

served by any competent person by reading the same to the witness or informing him or her of the contents thereof, and such witness shall not be entitled to any fee for attendance. Every person served with such subpoena shall be liable to the same penalties for disobedience thereto, and his attendance may be enforced in like manner as in case of subpoenas issued by a Justice of the Peace.

SEC. 9. The Coroner shall summon and examine as witnesses every person who, in his opinion or that of the jury, has any knowledge of the facts, and he may summon a surgeon or physician to inspect the body and to give a professional opinion as to the cause of death; and if it shall be necessary, the Coroner may cause a post mortem examination or chemical analysis to be made, and the expense of such examination or analysis shall be a county charge, to be fixed by the Board of Supervisors.

SEC. 10. Witnesses produced shall be sworn by the Coroner, and the whole of the testimony shall be reduced to writing by the Coroner, or under his direction, and signed by the witnesses in the presence of the jury, and each deposition shall have a jurat attached. The jury, after hearing all the testimony offered before them, shall retire as jurors in other cases and deliberate upon their verdict, suffering no one, not even the Coroner, to mingle with them in their deliberations; but they may, as in the case of jurors in the Courts of law, take the opinion of the Coroner upon any question of law that may arise upon the investigation.

SEC. 11. The Coroner may call upon the District Attorney to assist him in the examination of witnesses, and the jurors may put any proper question to the witness, but the party suspected or charged with the crime shall have no right to produce witnesses on the inquest, or to cross-examine those produced on behalf of the people by himself or counsel; nor shall it be necessary that he be present during the examination. But it shall be the duty of the Coroner to examine any witness who he may have reason to believe may know anything concerning the matter pertinent to the inquiry, and to put to any witness any proper and pertinent question that such person may desire. Such party suspected or charged, however, may be attended by counsel on the inquest to advise with him as to his rights in answering any question that may be put to him when under examination. If the party accused of the crime be present at the inquest, and is then charged with the crime, or the testimony tends to criminate him, and he is called upon by the Coroner to testify, it is the duty of the Coroner first to inform the accused that he is at liberty to refuse to answer any question that he may put to him, otherwise his answer on such examination cannot be read in evidence against him when on trial for the offense. But if such person is not under arrest or charged with the crime, his answer may be given in evidence against him on his subsequent trial for the crime charged, though the Coroner may not have so advised him of his rights. The jury must hear all the evidence offered before them, whether it be in favor of or against any party suspected of the killing.

SEC. 12. Upon the investigation the Coroner's jury shall not be limited in their inquiry like a jury upon the trial of one charged with the crime; their duty shall be to determine if a crime has or has not been committed; and if a crime has been committed, who perpetrated or caused the same to be perpetrated, and all the circumstances attending it; and any proper testimony tending in any degree to throw light upon the subject may be properly given. Matters of opinion, except of professional witnesses, or hearsay evidence, shall not be permitted.

SEC. 13. When the jury shall have agreed upon a verdict they shall reduce their inquisition to writing, which writing shall show before what Coroner the same was taken, and that the same was taken upon the oath of good and lawful men of the county, who were first duly sworn; and it must also show by whom and when the same was executed. They shall also find and certify how or in what manner and when and where the person so dead came to his death, and all the circumstances attending such death; and if a crime has been committed in the case, who were guilty thereof, either as principal or accessory, and in what manner. The jury shall not be required to find who were accessories after the fact—only those before the fact. If the person who is found dead is unknown, or the person who caused the death is unknown, the jury shall so find; and they shall find, if the fact so appears before them, whether the killing was accidental or suicide, murder or manslaughter, excusable or justifiable homicide; and if the manner of the death is unknown, they shall so state. Such inquisitions shall be signed by such jurors, and the Coroner shall certify the fact that the inquest was held, and indorse under the verdict his approval or non-approval of the same.

SEC. 14. It shall not be necessary that the jury should be kept together until they have agreed upon a verdict. If there shall appear any irreconcilable opinion as to any material fact concerning which they are to make inquest, the jurors agreeing may find accordingly, and two or more inquisitions may be presented.

SEC. 15. If the jury find that any murder or manslaughter has been committed, the Coroner shall bind over the witnesses against the accused to appear and testify at the next Court or Grand Jury, or before any Court at which an indictment for such offense can be found and triable that shall be held in the county, and obey all orders of said Court in the premises. Such recognizance shall be in writing, and shall be subscribed by the parties to be bound thereby. Said recognizances shall be made payable to the people of the State of California. The amount of the same shall be fixed by the Coroner, County Judge,* or by the District Attorney, and approved by the County Judge* or any of the Judges of a Court of record; and in case of their refusal to sign such recognizance, the Coroner shall have power to commit such witness as in the case of examination of criminals by a magistrate,

* Superseded by the Superior Court Act of April 3, 1880; 1880, 115.

SEC. 16. The testimony of all witnesses examined before a Coroner's jury, together with the inquisition of the jury, and all recognizances taken by such Coroner, shall be returned by him forthwith to the County Clerk of his County.

SEC. 17. The Coroner shall have the same power on all investigations or inquests as are allowed by law to Judges of Courts of record in this State to preserve order in the matter of investigations before him; and for any disrespect shown towards him or contempt of his authority in his investigations by any juror, witness, or other persons, he shall have power to issue an order for the arrest of said person or persons, and forthwith to have said person or persons brought before the Police Judge or County Judge of his county, to be punished according to law.

SEC. 18. Any juror, witness or other person summoned as juror, witness or any other person who may be in attendance on any official investigation who shall use any disrespectful language toward said Coroner, or behave disrespectfully towards said Coroner in his presence, shall be declared guilty of contempt, and shall be liable to pay a fine not to exceed one hundred dollars, or be imprisoned in the County Jail of said County not to exceed sixty days; said imprisonment to be enforced by any of the magistrates named in the preceding sections, upon the warrant of the Coroner, as provided for in the last section.

SEC. 19. If the Coroner's jury find that any murder or manslaughter has been committed, and the person charged with such offense be not in custody, the Coroner shall have power to issue process for the arrest of the person charged. The warrant of arrest must be under the hand of the Coroner, and must recite the finding of the jury upon the inquest, and be directed to the Sheriff, or to any Constable, Marshal, or Policeman of the County, and commanding the officer to whom it shall be directed forthwith to take the person accused of having committed such offense, and to bring him before a committing magistrate, to be dealt with according to law. The warrant of the Coroner shall be served in the same manner and in the same places as criminal process issued by a Justice of the Peace in any County of the State, without indorsement by a magistrate of such County.

SEC. 20. When the inquest shall be held by the Coroner, and there shall be no friends to take charge of the body of the deceased, it shall be the duty of the Coroner, after the same has been viewed by him and the jury, to see that it is properly buried, and for that purpose, he shall immediately give notice to the person or firm having the contract for the burial of the indigent dead, for the burial of the body, and it shall be buried by him, under the provisions of said contract. [*Amended, March 30, 1874: 1873-4, 908.*]

SEC. 21. It shall be the duty of the Coroner to take charge of all money and other valuable things which may be found with or upon the bodies of persons on whom inquests shall be held, when there is no other persons legally entitled to take charge of the same; and he shall forthwith make out and enter in a book to be kept in his office, open to public inspection, a full and complete inventory of all money, and every article or thing of value found with or upon said deceased, and he shall also make an entry in said book, of any note or memorandum found upon said deceased, that may tend, in any way, in the future, to identify said person. Said Coroner shall, within thirty days after the holding of such inquest, deliver over to the Treasurer of said City and County, all such money or valuable things which have not been claimed by legal representatives of the deceased or the Public Administrator. Said Coroner shall also keep in his office another book, open to public inspection, in which he shall enter a full description of every article and thing, and all money found with or upon the bodies of deceased persons, or belonging to said deceased persons, that may come into his possession, before he delivers up, or permits the same to go out of his possession; and no money, article, thing, or property of any nature or kind, shall be delivered to any person, until the same shall have been entered in such book as aforesaid, and signed in the presence of said Coroner, by the person receiving the same. [*Amended, March 30, 1874; 1873-4, 908.*]

SEC. 22. For a failure on the part of the Coroner to perform such duty required by the last section, or any of the duties required by this Act, he shall be deemed guilty of a misdemeanor, and on conviction thereof, shall be punished by a fine not exceeding five thousand dollars, or imprisonment in the County Jail not to exceed one year, and shall be liable on his official bond for any and all moneys, chattels, and property which shall be found on said deceased, and which shall or may come into his possession belonging to said deceased; the same to be recovered in the name of any party who may be entitled to recover the same in any Court having jurisdiction thereof.

SEC. 23. Upon the delivery of money so found to the Treasurer, he shall place it to the credit of the County. If other property, and perishable in its nature, he shall, within thirty days, sell the same at public auction, upon reasonable public notice, and shall in like manner place the proceeds to the credit of the County. Other property shall only be sold upon the order of the County Judge. If the said money or property in the treasury be demanded within six years by the legal representatives of the deceased, the Treasurer shall, upon legal showing, after deducting the fees and expenses of the Coroner and of the County in relation to the matter, pay the balance thereof to such legal representative.

[Approved April 1, 1872.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

ARTICLE IV.

SECTION 1. All the streets, lanes, alleys, places, or courts as laid down on the map now in the office of the City and County Surveyor of the City and County of San Francisco, which was made official by the Board of Supervisors of said City and County as per order number six hundred and eighty-four, January thirtieth, eighteen hundred and sixty-six, signed by George C. Potter and Thaddeus R. Brooks, and on the map now in the office of the said City and County Surveyor, which was made official by the said Board of Supervisors as per order number nine hundred and sixty-six, October twenty-fifth, eighteen hundred and seventy, and all other streets, lanes, alleys, places, or courts now dedicated or open to public use, are hereby declared to be open public streets, lanes, alleys, places, or courts for the purpose of this law; and the said Board of Supervisors are hereby invested with jurisdiction to order any of the work mentioned in section three of this Act to be done on any of said streets, lanes, alleys, places, or courts when the grade

and width of said streets, lanes, alleys, places, or courts have been officially established; and for the purposes of this Act the grade of all intermediate or intersecting streets, lanes, alleys, places, or courts in any one block shall conform to the grades as established of the crossings of the main streets.

SEC. 2. All streets, lanes, alleys, places, or courts now open, or which may hereafter be open to public use, shall be deemed and held to be open public streets, lanes, alleys, places, or courts for the purposes of this Act, and the Board of Supervisors shall have the same jurisdiction to order work to be done thereon as is conferred upon them by section one of this Act.

SEC. 3. The Board of Supervisors are hereby authorized and empowered to order the whole or any portion of the said streets, lanes, alleys, places, or courts graded or regraded to the official grade, planked or replanked, paved or repaved, macadamized or remacadamized, piled or repiled, capped or recapped, and to order sidewalks, sewers, cesspools, manholes, culverts, curbing, and crosswalks to be constructed, and to order any other work to be done which shall be necessary to make and complete the whole or any portion of said streets, lanes, alleys, places, or courts, and they may order any of the said work to be improved. The work provided for in this Act shall not be deemed to be "specific improvements" within the meaning of section sixty-eight, Article V of Chapter one hundred and twenty-five of the Act entitled an Act to repeal the several charters of the City and County of San Francisco, and to establish the boundaries of the City and County of San Francisco, and to consolidate the Government thereof, approved April nineteenth, eighteen hundred and fifty-six, nor shall the ordinances or resolutions passed by the Board of Supervisors under the provisions of this Act be deemed to be such ordinances or resolutions as are mentioned in said section sixty-eight.

SEC. 4. The Board of Supervisors may order any work authorized by section three of this Act to be done, after notice of their intention so to do in the form of a resolution describing the work, and signed by the Clerk of said Board of Supervisors, has been published for the period of ten days in the paper doing the printing under this law, and also in two daily newspapers, one of which newspapers shall be published as a morning edition and one as an evening edition, printed and published in said City and County, for ten days, Sundays and non-judicial days excepted; *provided*, that no such notice shall be given or order made for the grading of any street mentioned in section three of this Act unless the majority of the frontage of the lots and land fronting on the work proposed to be done, and described in said resolution, or which is to be made liable for such grading, except public property, shall have been represented by the owners thereof, or by their agents, in a petition to the said Board of Supervisors, stating that they are the owners and in possession or agents of the lots named in the petition; and also requesting that such improvements or street work shall be done; and for any other character of street improvements the Board of Supervisors shall

have power, without petition of the property owners, to give the notice prescribed in this section to be published in the manner hereinbefore provided, and to order the said work to be done. All owners of lands or lots, or portions of lots, who may feel aggrieved or have objection to the ordering of the work described in said notice, or who may have objections to any of the subsequent proceedings of the said Board of Supervisors in relation to the work mentioned in such notices of intention, or may have any objections to any of the acts of the Superintendent of Public Streets, Highways and Squares of the City and County of San Francisco, in the discharge of any of the obligations or duties imposed upon him by virtue of his office, shall file with the Clerk of the said Board of Supervisors a petition or remonstrance, wherein they shall set forth in what respect they feel aggrieved, or the acts or proceedings to which they object, which petition or remonstrance shall be passed upon by said Board of Supervisors, and their decisions thereon shall be final and conclusive; but said Board of Supervisors shall not order the work described in said notices to be done unless all objections and protests that may have been presented and filed as aforesaid shall have been by them disposed of. Should the owners or agents of more than one-half in frontage of the lots and lands fronting on the work proposed to be done, and designated in said notice or resolution, or liable to be assessed for work, file with the Clerk of the Board of Supervisors written objections against any grading described in said notice, at any time before the expiration of the publication of said notice of intention, and his publication thereof as hereinbefore provided, then and thereupon the said Board of Supervisors shall be barred from proceeding further for the period of six months; and the said Board of Supervisors shall not renew the notice of intention for doing any grading so protested against within six months, unless the owners or agents of a majority of the frontage of the lots and lands fronting on said grading, or liable to be assessed therefor as aforesaid, shall petition anew for the work to be done. At the expiration of any notice of intention the Board of Supervisors shall be deemed to have acquired jurisdiction to order any work to be done which is authorized by section three of this Act, except as hereinbefore provided: and it is further *provided*, that where any public street shall have been graded, or graded and macadamized, or graded and paved for the distance of two or more blocks upon each side thereof of any one or more blocks or crossing of a street which is not improved, it shall be the duty of the Board of Supervisors, upon the recommendation of the Superintendent of Public Streets, Highways and Squares, to order the notice provided in this section to be given without the petition provided first aforesaid; and if the owners of three-fourths of the frontage of the lands and lots fronting on said portions of said streets to be graded or improved shall, within the time prescribed in said notice, file written objections to the improvement of the said street, the Board of Supervisors shall duly consider said objections before ordering said work; and if said Board of Supervisors shall decide and declare by an entry in the minutes of said Board of Supervisors that the objections so made are not good, thereupon

on the Board of Supervisors shall be deemed to have acquired jurisdiction to order any such street work to be done that is prescribed in said notice and in section three of this Act; *provided* further, that when one-half or more of the grading, planking, macadamizing, paving, sidewalking, or sewerage of any one street lying between two main street crossings, has been already performed, the Board of Supervisors may order the remainder of such grading, planking, macadamizing, paving, sidewalking, or sewerage to be done, notwithstanding the objections of any or all of the property owners.

SEC. 5. The owners of more than one-half in frontage of lots and lands fronting on any street, lane, alley, place, or court, mentioned in sections one and two of this Act, or their duly authorized agents, may petition the said Board of Supervisors to order any of the work mentioned in section three of this Act to be done; and the said Board of Supervisors may order the work mentioned in said petition to be done, after notice of their intention so to do has been published, as provided in section four of this Act. No order or permission shall be given to grade, or pile and cap, any street, lane, alley, place or court, in the first instance, or any portion thereof, without extending and completing the same throughout the whole width of such street, lane, alley, place, or court. When any such work has heretofore been done, or when any such work shall hereafter be done, in violation of this section, neither the lots, or portions of lots, in front of which such work has been or may be done hereafter, nor the owners thereof, shall be exempt from assessments made for the payment of the work afterward done to complete said street, lane, alley, place, or court to its full width, as provided in section eight of this Act.

SEC. 6. Before the awarding of any contract by the Board of Supervisors for doing any work authorized by section three of this Act, the Clerk of the Board of Supervisors shall cause notice to be conspicuously posted in the office of the Superintendent of Public Streets, Highways and Squares, and also publish for five days, inviting sealed proposals for the work contemplated, which notice shall specify the time within which said work is to be performed, and shall contain specifications, to be furnished by said Superintendent of Public Streets, Highways and Squares, substantially in the manner now adopted by the said Clerk of said Board of Supervisors; and all notices, resolutions, and orders required to be posted or published under the provisions of this law shall be posted or published, or both posted and published, as the law may require, by said Clerk, as a matter of course, and without any special direction or authority from said Board of Supervisors. Prior to the publication of the notice herein before provided, the Superintendent of Public Streets, Highways and Squares shall furnish specifications for the performance of any and all street work ordered by the Board of Supervisors, and authorized by section three of this Act, in which specifications shall be given, and the time within which the contract must be completed. All proposals shall be delivered to the Clerk of the Board of

Supervisors, and said Board of Supervisors shall, in open session, open, examine, and publicly declare the same, and shall award said work to the lowest responsible bidder, and all bids shall be for a price payable in gold coin of the United States; *provided*, said Board of Supervisors may reject any and all bids, should they deem it for the public good, and also may reject the bid of any party who may be proved delinquent or unfaithful in any former contract with said City and County; and if all bids shall be rejected, the said Board of Supervisors shall direct the Clerk of said Board of Supervisors to again post said notice, and publish the same, as in the first instance. All proposals shall be accompanied with a check, payable at sight, on a bank or banking house in said City and County, duly certified, for the sum of five hundred dollars United States gold coin, payable to the order of the Clerk of the Board of Supervisors, and to be approved by him. And if the bidder to whom the contract is awarded shall for ten days thereafter fail or neglect to enter into a contract, as hereinafter provided, and to commence said work within five days thereafter, it shall be the duty of said Superintendent of Public Streets, Highways and Squares to certify such failure on the part of said bidder to the Clerk of the Board of Supervisors, who shall thereupon draw the money due on said check and pay it over to the Treasurer of the City and County of San Francisco, to be by him placed to the credit of the Street Department Fund. It is further *provided*, that all persons, owners included, who shall fail to enter into any contract as herein provided, or to complete the contracts entered into, are hereby prohibited from bidding a second time for the same work; and in case of owners, they are hereby prohibited from electing to take the same work a second time, and from entering into any contract concerning the same. Notice of such award shall be published for three days (Sundays and non-judicial days excepted), and within five days after the first publication of such award the owners of a majority of the frontage of lots and lands liable to be assessed for said work, or their agents, and who shall make oath that they are such owners, or the agents of such owners, may elect to do the said work, and enter into a written contract to do the whole work at the price for which the same is awarded, upon giving the bond as hereinafter provided; and they shall commence said work within fifteen days from the first publication last above mentioned, and shall prosecute it diligently and continuously, and complete it within the time limited in the contract, or within any extended time; but should the said contractor, or the property owners, fail to prosecute the same diligently or continuously in the judgment of said Superintendent of Public Streets, Highways and Squares, or complete it within the time prescribed in the contract, or within such extended time, then it shall be the duty of said Superintendent of Public Streets, Highways and Squares to report the same to the Board of Supervisors, who shall, without further petition on behalf of the property owners, order the Clerk of the Board of Supervisors to advertise for bids, as in the first instance, and relet the contract in the manner hereinbefore provided; and it is further *provided*, that all contractors for street work

shall, at the time of entering into said contract, execute a bond, payable to the City and County of San Francisco, with two or more sureties, in the sum of not less than one thousand dollars, and in such additional amount as may be fixed by said Superintendent of Public Streets, Highways and Squares, conditioned for the faithful performance of said contract; and said sureties shall justify in double the amount of the penalty fixed in said bond, such sureties to justify before said Superintendent of Public Streets, Highways and Squares, or his deputy, and the qualifications and responsibility of such sureties shall be the same as are now prescribed for sureties on the official bonds of the officers of said City and County of San Francisco; and it is further *provided*, that all contractors for street work, at the time of entering into contract, and giving the bond as hereinbefore provided, shall, in addition, execute a proper bond with two good and sufficient sureties, who must be freeholders of said City and County of San Francisco, in the sum of five hundred dollars (said sureties to justify in double the amount), conditioned that in case of the non-fulfillment of the contract, said sum shall be sued for and collected as liquidated damages to said City and County of San Francisco for such failure and neglect; and it shall be the duty of the City and County Attorney to sue for and collect said sum in any Court of competent jurisdiction, and pay the same into the City and County Treasury, to the credit of the Street Department Fund.

SEC. 7 The Superintendent of Public Streets, Highways and Squares is hereby authorized, in his official capacity, to enter into all written contracts, and to receipt all bonds authorized by this Act, and to do any other acts, either express or implied, that pertain to the street department under this Act; and said Superintendent of Public Streets, Highways and Squares shall fix the time for the commencement and completion of the work under all contracts entered into by him, and may extend the time so fixed from time to time, under the direction of the Board of Supervisors; and it shall be the duty of the Superintendent of Public Streets, Highways and Squares, on the execution of a contract to perform street work, or on the passage of a resolution by the Board of Supervisors directing an extension of time to be granted to complete a contract, to cause the same to be recorded in the office of the County Recorder of the City and County of San Francisco; and in issuing a certificate of an extension of time to be recorded, to specify in the same the number of the resolution of the Board of Supervisors, the date thereof, and the number of days granted for completion of the contract, a general description of the work, with the date of indorsement of said extension upon the original contract; and prior to the execution of a contract, and prior to granting or indorsing upon a contract as aforesaid any extension of time, to collect from said contractor or his assigns the sum of three dollars for each contract, and the sum of fifty cents for each and every extension of time. And the County Recorder of the City and County of San Francisco shall cause books of record to be prepared, to be entitled Record

of Street Contracts, in which all contracts for the performance of street work, and all extensions of time granted by the Board of Supervisors, as certified to by the Superintendent of Public Streets, Highways and Squares, shall be recorded, said books to be properly arranged and indexed, so as to facilitate reference thereto; and for each contract so recorded, said County Recorder of the City and County of San Francisco shall charge and collect the sum of three dollars, and for each extension of time the sum of fifty cents; and in all cases where said Superintendent of Streets, Highways and Squares, under the direction of said Board of Supervisors, has extended the time for the performance of contracts, the same shall be held to have been legally extended. The work provided for in section three of this Act must in all cases be done under the direction and to the satisfaction of the Superintendent of Public Streets, Highways and Squares, and the materials used shall be such as are required by the said Superintendent of Public Streets, Highways and Squares, and all contracts made therefor must contain this condition, and also express notice that in no case (except when it is otherwise provided in this Act) will the City and County of San Francisco be liable for any portion of the expense, nor for any delinquency of persons or property assessed. The assessment and apportionment of the expenses of all such work in the mode herein provided shall be made by the said Superintendent of Public Streets, Highways and Squares.

SEC. 8. Subdivision One. The expenses incurred for any work authorized by section three of this Act shall be assessed upon the lots and lands fronting thereon, except as hereinbefore specially provided, each lot or portion of lot being separately assessed in proportion to its frontage, at a rate per front foot sufficient to cover the total expense of the work.

Subdivision Two. The expense of all improvements (except such as done by contractors under the provisions of section fourteen of this Act), until the streets, street crossings, lanes, alleys, places, or courts are formally accepted as provided in section twenty-one of this Act, shall be assessed upon the lots and lands as provided in this section, according to the nature and character of the work; and after such acceptance, the expense of all work thereafter done thereon shall be paid by said City and County of San Francisco out of the Street Department Fund.

Subdivision Three. The expenses of work done on main street crossings, except such as are provided for in subdivision eight of this section, shall be assessed upon the four quarter blocks adjoining and cornering on the crossings; and each lot or part of lot in such quarter blocks fronting on such main street shall be separately assessed, according to its proportion of frontage on the said main street.

Subdivision Four. Where a street terminates at right angles in another main street, the expense of the work done on one-half the width of the street opposite the termination shall be assessed upon the lots in each of the two quarter blocks adjoining and cornering on the same, according to the

frontage of such lots on said main streets, and the expense of the other half of the width of the said street upon the lots fronting on the latter half of the street opposite such termination.

Subdivision Five. Where any small or subdivision street crosses a main street, the expense of all work done on said crossing shall be assessed on all the lots or portions of lots half way on said small streets to the next crossing or intersection or the end of said small or subdivision street, if it does not meet another.

Subdivision Six. The expense of work done on the small or subdivision street crossings shall be assessed on the lots fronting upon such small streets, on each side thereof in all directions half way to the next street, place, or court, on either side respectively, or to the end of such street, if it does not meet another.

Subdivision Seven. When a small street, lane, alley, place, or court terminates in another street, lane, alley, place, or court, the expense of the work done on one-half of the width of the street, lane, alley, place or court opposite the termination shall be assessed upon the lots fronting on such small street, lane, alley, place, or court so terminating according to its frontage thereon, half way on each side respectively, to the next street, lane, alley, place, or court, or to the end of such street, lane, alley, place, or court, if it does not meet another, and the other half of the width upon the lots fronting such termination.

Subdivision Eight. The maps now in the office of the Superintendent of Public Streets, Highways and Squares, showing the street crossings or spaces formed or made by the junction or intersection of other streets with Market street, other than at right angles; also showing other street crossings adjoining fractional or irregular blocks (all of which crossings or spaces are colored on said maps and numbered from three to one hundred and fifty, inclusive), and heretofore certified by said Superintendent of Public Streets, Highways and Squares—one adopted by a resolution of the Board of Supervisors (number fifteen hundred and seventy-eight), approved on the sixteenth day of December, eighteen hundred and sixty-one, and the other adopted by a resolution of the said Board of Supervisors (number three thousand two hundred and eighty-four), approved on the twenty-first day of March, eighteen hundred and sixty four, which resolutions are copied on the face of said maps respectively, shall be deemed and held to be official maps for the purposes of this Act, and the same are hereby approved. And the expenses incurred for the work done on the said crossings or spaces formed by the junction or intersection of East street with Market street, and of other streets with Market street, and not squarely in front of, and not properly assessable to lots fronting on such streets, and for the work done on said other street crossings and spaces, all of which are colored on said maps, shall be assessed on the contiguous, adjacent, and neighboring irregular or quarter blocks or lots of land which are of the same color as the crossings or spaces, and which have a

number thereon corresponding with the number of the crossing or space on which the work has been done.

Subdivision Nine. In all the streets constituting the water front of the City and County of San Francisco, or bounded on one side by the property of said City and County of San Francisco, or crossings cornering thereon or on the water front, the expense of the work done on that portion of said streets, from the center line thereof to the said water front, or to such property of the City and County of San Francisco bounded thereon, and one-fourth of their crossings, shall be provided for by the said City and County of San Francisco; but no contract for any such work will be given out except to the lowest responsible bidder after an observance of all the formalities required by this Act.

Subdivision Ten. When any work mentioned in section three of this Act (sewers, manholes, cesspools, culverts, crosswalks, crossings, curbings, grading, piling and capping excepted) is done on one side of the center line of said streets, lanes, alleys, places or courts, the lots or portions of lots fronting on that side only in front of which said work is done shall be assessed to cover the expenses of said work according to the provisions of this section.

Subdivision Eleven. The assessment made to cover the expenses of grading, mentioned in the proviso in section four of this Act, shall be assessed upon all the lands, lots and portions of lots fronting on either side of said street, lying and being between the said main street crossings in the manner provided in subdivision one of this section. Before any work is done under a contract to complete the grading of a partially graded street, lane, alley, place or court, under the provisions of section four of this Act, the City and County Surveyor shall ascertain as near as possible the number of cubic yards of grading done previous to the letting of the contract in front of each lot or parcel of land fronting upon the work, or any street crossing under contract, and also ascertain the number of cubic yards of grading necessary to complete the grading included in the contract, and certify such estimates to the Superintendent of Public Streets, Highways and Squares before the completion of the work included in the contract. And when any owner of a lot or lots fronting on said partially graded street, lane, or alley, place, or court, or any part liable to be assessed for the work under contract, has graded a part of the same, and desires credit for grading done by him previous to the publication of the notice of intention, he shall apply to and receive from the City and County Surveyor a certificate of the amount of grading done by him or those under whom he claims or derails title, for which he is entitled to credit, which certificate shall be recorded in the office of the Superintendent of Public Streets, Highways and Squares (in a book to be kept for that purpose, properly indexed, so that reference may be easily had thereto) previous to the completion of the grading under contract. And for all grading done prior to the passage of this Act, the owner of a lot or lots desiring credits shall file in the office of the Superintendent of Public Streets, Highways and

Squares a certificate of the City and County Surveyor when the work was performed, showing the number of cubic yards of grading done by him or those under whom he claims or deraigns title, which certificate shall be filed and recorded in the office of said Superintendent of Public Streets, Highways and Squares, and shall entitle the party named, or his successor in interest, to credit on the assessment for the amount specified; *provided*, no party shall be entitled to any credit in excess of his assessment; *provided*, however, that he shall not be allowed any credits at any time for any embankment made above or excavation made below the official grade; but the costs of removing such embankment or filling in such excavations shall always be charged exclusively to the owner or owners of the lot or lots of land fronting thereon, in addition to the pro rata rate which may be assessed to them. If the credit for grading, so certified as aforesaid in cubic yards or measurement, equals the proportional amount of grading which such owner would be obliged to do if no grading had been done on such street, lane, alley, place, or court, then such owner and his lot or lots shall be exempted from assessment for the remaining work; and if the grading done by such owner is less than his proportional share, then the work required to be done in front of his lot or lots, according to the original profile of the land previous to any grading thereon, shall be included in the assessment, and the work certified as aforesaid to have been done by him at his own expense, shall be credited to him at the contract rate; *provided*, that in making the assessment to cover the expense of any work mentioned in this section, the said Superintendent of Public Streets, Highways and Squares may deviate from its provisions and assess such lots and lands fronting on any street, lane, alley, place or court, as he may decide liable to assessment for said work, which decision may be appealed from as hereinafter provided.

Subdivision Twelve. Section one of an Act entitled an Act amendatory of and supplementary to an Act to provide revenue for the support of the Government of this State, approved April twenty-ninth, eighteen hundred and fifty-seven, approved April nineteenth, eighteen hundred and fifty-nine, shall not be applicable to the provisions of this section, but the property therein mentioned shall be subject to the provisions of this Act, and to be assessed for the work done under the provisions of this section.

SEC. 9. After the contractor of any street work has fulfilled his contract to the satisfaction of the Superintendent of Public Streets, Highways and Squares, the said Superintendent of Public Streets, Highways and Squares shall make an assessment to cover the sum due for the work performed and specified in such contract, including incidental expenses (if any), in conformity with the provisions of this Act, and according to the character of the work done, which assessment shall briefly refer to the contract, the work contracted for and performed, and shall allow [show] the amount to be paid therefor, together with the incidental expenses (if any), the rate per front foot assessed, the amount of each assessment, the name of the owner of each lot or portion

of lot, if known to the Superintendent of Public Streets, Highways and Squares. If unknown, the word "unknown" shall be written opposite the number of the lot (but an assessment made to a person not the owner shall not render such assessment illegal), and the amount assessed thereon, the number of each lot or portion of lot assessed; and shall have attached thereto a diagram, exhibiting each street or street crossing, lane, alley, place or court on which any work has been done, and showing the relative location of each distinct lot or portion of lot to the work done, numbered to correspond with the numbers in the assessment, and showing the number of feet frontage assessed for said work and contracted for and performed, and such assessment shall in all cases be payable in gold coin of the United States.

SEC. 10. To said assessment shall be attached a warrant, which shall be signed by the Superintendent of Public Streets, Highways and Squares and countersigned by the Auditor of said City and County of San Francisco, who, before countersigning it, shall examine the contract, the steps taken previous thereto, and the record of assessments, and must be satisfied that the proceedings have been legal and fair. The said warrant shall be substantially in the following form:

"FORM OF WARRANT.—By virtue hereof, I, (name of Superintendent), Superintendent of Public Streets, Highways and Squares of the City and County of San Francisco, in the State of California, by virtue of the authority vested in me as said Superintendent of Public Streets, Highways and Squares, do authorize and empower (name of contractor), (his or their) agents or assigns, to demand and receive the several assessments upon the assessment and diagram hereto attached, and this shall be (his or their) warrant for the same.

"SAN FRANCISCO, (date), eighteen hundred and— .

"(Name of Superintendent),

"Superintendent of Public Streets, Highways and Squares.

"Countersigned by :

"(Name of Auditor),

"Auditor of the City and County of San Francisco."

Said warrant, assessment, and diagram shall be immediately recorded in the office of the Superintendent of Public Streets, Highways and Squares, and, when certified and so recorded, the several amounts assessed shall be a lien upon the lands, lots, or portions of lots assessed, respectively, for the period of two years from the date of said recording, unless sooner discharged; and, when suit is commenced within said two years, said lien shall continue for six months after the final determination of said suit; and all assessment liens heretofore created shall continue in full force for two years from the date of the recording of said warrant, assessment, and diagram, respectively;

and when suits have been or shall hereafter be commenced within said two years from the date of said recording, said liens shall continue and be in force until the end of six months from the final determination of said suits, respectively; and from and after the date of said recording of any warrant, assessment, and diagram, all persons mentioned in section twelve of this Act shall be deemed to have notice of the contents of the record thereof. After said warrant, assessment, and diagram are recorded, the same shall be delivered to the contractor, or his agents or assigns, on demand, but not until after the payment to the said Superintendent of Public Streets, Highways and Squares of the incidental expenses not previously paid by the contractor or his assigns; and, by virtue of said warrant, said contractor, or his agents or assigns, shall be authorized to demand and receive the amount of the several assessments made to cover the sum due for the work specified in such contract and assessment.

SEC. 11. The contractor or his assigns, or some person in his or their behalf, shall call upon the person assessed or their agents, if they can conveniently be found, and demand payment of the amount assessed to each. If any payment be made, the contractor, his assigns, or some person in his or their behalf, shall receipt the same upon the assessment, in presence of the person making such payment, and shall also give a separate receipt, if demanded. Whenever the persons so assessed, or their agents, cannot conveniently be found, or whenever the name of the owner of the lot is stated as "Unknown" on the assessment, then the said contractor or his assigns, or some person in his or their behalf, shall publicly demand payment on the premises assessed. The warrant shall be returned to the Superintendent of Public Streets, Highways and Squares within ten days after its date, with a return indorsed thereon, signed by the contractor or his assigns, or some person in his or their behalf, verified upon oath, stating the nature and character of the demand, and whether any of the assessments remain unpaid, in whole or in part, and the amount thereof. Thereupon the Superintendent of Public Streets, Highways and Squares shall record the return so made in the margin of the record of the warrant and assessment, and also the original contract referred to therein, if it has not already been recorded, at full length, in a book to be kept for that purpose in his office, and shall sign the record. The said Superintendent of Public Streets, Highways and Squares is authorized at any time to receive the amounts due upon any assessment list and warrant issued by him, and give a good and sufficient discharge therefor; *provided*, that no such payment so made after suit has been commenced, without the consent of the plaintiff in the action, shall operate as a complete discharge of the lien until the costs in the action shall be refunded to the plaintiff, and he may release any assessment upon the books in his office on the production to him of the receipts of the party or his assigns, to whom the assessment and warrant was issued. And if any contractor shall fail to return his warrant within the time and in the form provided in this section, he shall thenceforth have no lien upon the property assessed; *provided*, however,

that in case any warrant is lost, upon proof of such loss a duplicate can be issued upon which a return may be made with the same effect as if the original had been so returned. After the return of the assessment and warrant as aforesaid, all amounts remaining due thereon shall draw interest at the rate of one per cent. per month until paid.

SEC. 12. The owner, contractor or his assigns, and all persons, whether named in the assessment or not, feeling aggrieved by any of the acts or determinations of the said Superintendent of Public Streets, Highways and Squares, in relation to the acceptance of work or to the assessment, or to any act, proceeding, matter or thing done, suffered or committed by him, shall, within fifteen days after the issuance of said assessment as provided, appeal to said Board of Supervisors as provided in this section, by briefly stating their objections in writing, and filing the same with the Clerk of said Board of Supervisors. Notice of the time and place of hearing, briefly referring to the subject matters of appeal and to the acts or determination objected to or complained of, shall be published for five days, Sundays and non-judicial days excepted. The said Board of Supervisors, on appeal, may correct, alter or modify said assessment as to them shall seem just, and may annul the same, and may order a new assessment to be made in the manner by them directed; and may make any order or decision in relation to any contract or the performance thereof, or in relation to any of the acts of the contractor or the said Superintendent of Public Streets, Highways and Squares, prior to the date of the hearing of said appeal. And all the decisions and determinations of said Board of Supervisors shall be final and conclusive upon all parties entitled to an appeal. The said warrant, assessment and diagram shall be held *prima facie* evidence of the regularity and correctness of the assessment, and of the prior proceedings and acts of the said Superintendent of Public Streets, Highways and Squares, and of the regularity of all the acts and proceedings of the Board of Supervisors upon which said warrant, assessment and diagram are based. After jurisdiction to order any work has been obtained, no irregularity in any of the subsequent proceedings shall render any assessment illegal.

SEC. 13. At any time after the period of fifteen days from the day of the date of the warrant as hereinbefore provided, or if an appeal is taken to the Board of Supervisors, as is provided in section twelve of this Act, any time after five days from the decision of said Board of Supervisors, or after the return of the warrant or assessment after the same may have been corrected, altered, or modified, as provided in section twelve of this Act (but not less than fifteen days from the date of the warrant), the contractor or his assigns may sue, in his own name, the owner of the land, lot, or portions of lots assessed, on the day of the date of the recording of the warrant, assessment, and diagram, or on any day thereafter during the continuance of the lien of said assessment, and recover the amount of any assessment remaining due and unpaid, with interest thereon, as hereinbefore provided; and in all cases

of recovery under the provisions of this Act, the plaintiff shall recover the sum of fifteen dollars in addition to the taxable costs, as attorney's fees, provided he shall waive the percentage on recovery as provided by law. Suit may be brought in any Court in said City and County of San Francisco; and in case any one or more of the items in the assessment or assessments are against owners thereof who cannot with due diligence be found, the service in each of such actions may be had either in manner as is now prescribed by the Civil Practice Act of this State, or in manner as is prescribed by an Act of the Legislature of the State of California, entitled "An Act supplementary to an Act entitled an Act in relation to suits brought for the collection of delinquent taxes, approved May twelfth, eighteen hundred and sixty-two, approved March twenty-fourth, eighteen hundred and sixty-four," and the remedies therein provided are cumulative. The Court in which such suit shall be commenced shall have power to adjudge and decree a lien against the premises assessed, and to order such premises to be sold on execution or decree, as in other cases of the sale of real estate by the process of said Courts; and on appeal the appellate Court shall be vested with the same power to adjudge and decree a lien, and to order to be sold such premises on execution or decree, as is conferred on the Court from which an appeal is taken. Such premises, if sold, may be redeemed as in other cases. In bringing an action to recover street assessments the complaint need not show any of the proceedings prior to the issuance of the assessment, diagram, and certificate; but it shall be held legally sufficient if it shows the title of the Court in which the action is brought [by?] the parties plaintiff and defendant, the date of the issuance of the assessment, the date of the recording thereof, the book and page where recorded, a general statement of the work done, a description of the lot or lots sought to be charged with the assessments, the amount assessed thereon, that the same remains unpaid, and the proper prayer for relief. In all suits brought to recover street assessments the proceedings therein shall be general and regulated by the provisions of this Act, and also, when not in conflict herewith, by the Civil Practice Act of this State; but no defense shall be interposed except:

First—Want of jurisdiction to order work;

Second—That the assessment has been paid;

Third—Fraud in the assessment, or in any of the acts or proceedings prior thereto, setting out the facts showing such fraud.

It is hereby expressly provided that nothing but gold and silver coin of the United States shall be received in payment of street assessments, and the judgment or decree in every case shall be made payable in and entered for gold coin.

SEC. 14. The Superintendent of Public Streets, Highways and Squares may require, at his option, by notice in writing, to be delivered to them personally or left on the premises, the owners, tenants or occupants of lots or portions of lots liable to be assessed for work done under the provisions of

this Act, to improve forthwith any of the work mentioned in section three of this Act in front of the property of which he is the owner, tenant or occupant, to the center of the street or otherwise, as the case may require, or to remove all filth, sand, earth or dirt from the street in front of his premises; and by a like notice, to be served personally upon the president or any officer of a railroad corporation or company or to be left at the office of said corporation or company, to require such corporation or company to improve forthwith any work mentioned in this Act which said corporation or company are required by law to do and perform, said notice to specify what improvement is required or work is to be done. After the expiration of five days the said Superintendent of Public Streets, Highways and Squares shall be deemed to have acquired jurisdiction to contract for the doing of the work, or making the improvements, or the removing of the filth, sand, earth or dirt required by said notice. If such improvement or work of cleaning be not commenced within five days after notice given, as aforesaid, and diligently, and without interruption, prosecuted to completion, the said Superintendent of Public Streets, Highways and Squares may enter into a contract with any suitable person to make said improvement, or to do said cleaning, at the expense of the owner, tenant or occupant, or railroad corporation or company, as the case may be, at a reasonable price, to be determined by said Superintendent of Public Streets, Highways and Squares; and such owner, tenant or occupant, or railroad corporation or company, shall be liable to pay the same. After the certificate referred to in section fifteen shall have been recorded in the office of [the Superintendent of] Public Streets, Highways and Squares, the sum contracted to be paid shall be a lien, the same as provided in section ten of this Act, and also a lien upon the franchise and property of said corporation or company, and may be enforced in the same manner as other assessments.

SEC. 15. If the expense of such improvements or removing such sand, earth, dirt or filth, after the completion thereof, be not paid to the contractor so employed, or his agent or assignee, on demand, the said contractor or his assigns shall have the right to sue the owner, tenant or occupant, or railroad corporation or company, under the provisions of this Act, for the amount contracted to be paid, and the certificate of the Superintendent of Public Streets, Highways and Squares that the work has been properly done, and that the charges for the same are reasonable and just, shall be prima facie evidence of the amount claimed for said work and of the right of the contractor to recover the same in such action.

SEC. 16. In addition, and as cumulative to the remedies above given, the Board of Supervisors shall have power, by ordinance, to prescribe the penalties that shall be incurred by any owner, tenant, occupant, or railroad corporation or company neglecting or refusing to make improvements or remove sand, earth, dirt or filth, as provided for in section fourteen of this Act, which fines and penalties shall be recovered for the use of the City and

County of San Francisco, by prosecution in the name of the people of the State of California, in the Police Judge's Court of the City and County of San Francisco, which shall have jurisdiction in all such cases. All fines collected hereunder shall be paid into the Treasury of the City and County of San Francisco, to the credit of the Street Department Fund, at least once in each week.

SEC. 17. The person owning the fee, or the person in the possession of lands, lots, or portions of lots, or buildings, under claim of ownership, or exercising acts of ownership over the same for himself, or as the administrator or guardian of the owner, or the person in whom on the day the action commenced appears the legal title to the land by deeds recorded in the Recorder's office in the City and County of San Francisco, shall be regarded, treated, and deemed to be the owner (for the purposes of this law), according to the intent and meaning of that word as used in this Act; and in case of property leased, possession by a tenant or lessee holding and occupying under an owner shall be deemed to be in possession by such owner.

SEC. 18. The records kept by the Superintendent of Public Streets, Highways and Squares, in conformity with the provisions of this Act, and signed by him, shall have the same force and effect as other public records, and such records or copies thereof, duly certified by said Superintendent of Public Streets, Highways and Squares, may be used in evidence with the same force and effect as the original assessments, diagrams, and warrants. The said records shall, during all office hours, be open to the inspection of any citizen wishing to examine them, free of charge.

SEC. 19. Notices in writing, which are required to be given by the Superintendent of Public Streets, Highways and Squares, under the provisions of this Act, may be served by any police officer, and the fact of such service shall be verified by the oath of the person making it, taken before the Superintendent (who is hereby authorized to administer oaths), Police Judge, or any Judge, or Justice of the Peace; or such notices, whether verbal or written, may be delivered by the Superintendent of Public Streets, Highways and Squares himself, or any of his deputies. The Superintendent of Public Streets, Highways and Squares shall keep a record of the fact of giving such notices and proof of service.

SEC. 20. When any street or portion of a street has been or shall hereafter be constructed to the satisfaction of the Committee on Streets, Wharves, Grades and Public Squares of the Board of Supervisors, and the said Superintendent of Public Streets, Highways and Squares, and shall have a brick sewer or cement pipe constructed therein, under such regulations as said Board of Supervisors shall adopt, the same shall be accepted by the said Board of Supervisors, and thereafter shall be kept open and improved by the said City and County, the expense thereof, together with all work done in

front of City property, to be paid out of the Street Department Fund; *provided*, that the Board of Supervisors shall not accept any portion of the street less than the entire width of the roadway (including the curbing and one block in length, or one entire crossing); and *provided* further that the Board of Supervisors, may, partially or conditionally, accept any street or portion of a street without a sewer or pipe therein, as above stated, if a sewer or pipe therein shall be deemed by them unnecessary; but the lots of land previously assessable for the cost of construction of a sewer or pipe shall still remain and be assessable for such cost, and for the cost of repair and restoration of the street damaged in the said construction, when a sewer or pipe shall be deemed necessary, the same as if no partial or conditional acceptance had ever been had. The said Superintendent of Public Streets, Highways and Squares shall keep in his office a register of all accepted streets, the same to be indexed so that reference may be easily had thereto.*

SEC. 21. The said Superintendent of Public Streets, Highways and Squares shall keep a public office, in some convenient place to be designated by the Board of Supervisors, and his office shall be kept open as in this Act required. He shall not, during his continuance in office, follow any other profession or calling, but shall be required to devote himself exclusively to the duties of his office. He shall be allowed not more than sixteen deputies, to be by him appointed from time to time; three of said deputies shall receive a salary of two hundred dollars per month each, and six of said deputies shall receive a salary of hundred and fifty dollars per month each, and seven of said deputies shall receive a salary of hundred and twenty-five dollars per month each. The Supreme Court of the State, Dep. 2, in *McDonald v. Patterson*, 54 Cal. 245, decided that Sec. 19 of Art. XI of the Constitution, as adopted in 1879, is not a provision which requires legislation; and the provisions of the Act of April 1, 1872, relating to street improvements in San Francisco, which authorize the Superintendent of Streets to execute contracts for such improvements, in advance of the levy and collection of the assessment, are inconsistent with the section referred to, and ceased to be operative on the 1st day of January, 1880. This decision was affirmed by the Supreme Court in bank in *Donahue v. Graham*, 61 Cal. 276, Justices McKinstry and Sharpstein dissenting.

And for the purpose of raising the money necessary to complete said building, the said Board of Supervisors are hereby authorized and empowered to levy and collect annually, for the fiscal year commencing July first, eighteen hundred and seventy-six, and ending June thirtieth, eighteen hundred and seventy-seven, and each and every fiscal year thereafter, during the four fiscal years next ensuing, in the same manner and at the same times as other taxes in

The said work and materials shall be of the best quality. The advertisement shall contain a general description of the work to be done and the materials to be furnished, the time within which the same is to be done or furnished, and may refer to plans and specifications for such other details as may be necessary to give a correct understanding regarding the work or materials. The advertisement shall also state the day and an hour on said

day within which bids will be received. At the time named in the advertisement the Board shall assemble and remain in session for at least one hour, and all bids shall be delivered to the Board whilst it is in session, and within the hour named in the advertisement. No bids not so delivered to the Board shall be considered. Before adjourning, the Commissioners shall compare the bids with the record made by the Secretary, and fix the day and hour for a meeting of the Board to consider the bids and award the contract. No change or modification in the place or specification shall be made after proposals for doing work or furnishing materials have been called for; nor shall a contractor be allowed a claim for work done, or materials furnished, not embraced in his contract. All contracts shall be in writing, and shall be carefully drawn by the District Attorney, in and for said City and County, and shall contain detailed specifications of the work to be done, the manner in which the same shall be executed, the quality of the material, and the time in which the same shall be completed, with such penalty for the non-performance of such contract as the said Board of Commissioners shall deem just and reasonable. Every contract entered into by the said Board, under the provisions of this Act, shall be signed by the Commissioners and by the other contracting party. All contracts shall be signed in triplicate—one copy of which, with the plans and specifications of the work to be done, shall be filed with the Clerk of the Board of Supervisors, and shall at all times, in office hours, be open to the inspection of the public; one, with the plans and specifications, shall be kept in the office of the Board, or placed in the

hands of the Architects, and the other copy, with plans and specifications, shall be delivered to the contractor. All bids made, and all contracts entered into for the construction of any portion of the said City Hall, shall contain an express condition that no Chinaman or Mongolian shall be employed in the factory, mill, foundry, workshop, or by the firm, company, or person in doing any of the work bid and contracted for; and a failure to comply with said provision of said contract shall work a forfeiture of said contract.

SEC. 15. The Board of Commissioners may make payments to contractors from time to time, as work progresses or materials are furnished. But until the contract is completed, at no time shall such payment exceed seventy-five per cent. of the value of the labor or materials furnished, which said value shall be ascertained and determined by the Architect and Superintendent of Works, subject to the approval of the Board of Commissioners.

Seventh. The estimated amount required to complete the City Hall; and such other matters and things as go to show the condition of the fund and its management, and the progress that has been made in the construction of the said City Hall, together with a list of all contracts that have been awarded under the provisions of this Act.

SEC. 17. When the said City Hall shall be erected and completed, as in this Act provided, the said Commissioners shall turn over to the Board of Supervisors of the City and County of San Francisco, all their books, papers and vouchers, and property of every description, and, at the same time, shall render a full and final account of their transactions, which said account shall be examined by said Board of Supervisors, and if found correct, approved, and thereupon the office of said Commissioners, and their powers and duties, shall cease and determine; *provided*, the sureties on their official bonds shall not be discharged from liability until such accounts shall have been so examined and found correct.

SEC. 18. The Commissioners authorized by this Act shall not, nor shall either of them, or the Architect, the Superintendent of Works, or the Secretary,

be interested, directly or indirectly, in any contract for work, labor or materials furnished in the construction of the City Hall; nor shall either of them be allowed to receive any gratuity or advantage from any contractor, laborer or person furnishing labor or materials for the same. A violation of the provisions of this section shall be a felony, and upon conviction thereof, the party so offending shall be punished by a fine not exceeding five thousand dollars, or imprisonment in the State Prison for a period not exceeding five years, or by both fine and imprisonment, in the discretion of the Court.

SEC. 19. Any public officer or employee of the City and County of San Francisco, in any way connected with the construction of the City Hall, who shall willfully aid or assist a bidder for a contract to furnish labor or materials to be used in the construction of said City Hall, to secure the award of a contract at a higher price or rate than another bidder had proposed to contract to do the work or furnish the material, when sealed proposals have been advertised for, or who shall in any way favor one bidder for a contract over another, by giving or withholding information relative to the plans or specifications, or who shall willfully mislead any bidder with regard to the plans and specifications of work or materials, after proposals have been solicited, or shall aid a contractor in obtaining compensation for work and material not embraced in his contract, shall be guilty of a misdemeanor, and upon conviction thereof, shall be punished by imprisonment in the County Jail of the City and County of San Francisco for a period of not less than six months, or by a fine of five hundred dollars, or by fine and imprisonment, at the discretion of the Court.

SEC. 2. All persons convicted by the Judge of the Police Judge's Court and sentenced to a term in the County Jail or House of Correction, shall be deemed to have been also sentenced to labor during such term, unless said Judge, for good cause, orders otherwise, or for reasons hereafter provided in this Act.

SEC. 3. [*Repealed by Act of April 1, 1878; 1878, 953.*]

SEC. 4. The Board of Supervisors of the City and County of San Francisco are hereby intrusted with the government of the House of Correction, and are hereby empowered to carry out the provisions of this Act, and to see that they are strictly enforced. They shall, on the passage of this Act, appoint a competent Superintendent for the House of Correction of said City and County, who shall also be Treasurer of said House of Correction, and who shall give good and sufficient bonds in a sum, and with sureties to be approved by said Supervisors, for the faithful discharge of his duties, and to whom shall be paid a salary to be fixed by them, not to exceed two hundred dollars per month, paid monthly. Said Superintendent shall only be removed for just and sufficient legal cause, after a fair and impartial investigation of his case by said Supervisors. SEC. 7. The Board of Supervisors of said City and County shall provide the House of Correction with yard, of sufficient extent for the convenient employment of the persons confined therein, and enclosed by fences of sufficient height and strength to prevent escapes, and also to prevent all persons from without from all access to or communication with any persons confined therein.

SEC. 8. A like record of the conduct of each prisoner shall be kept by the Superintendent, and similarly returned to said Board of Supervisors at the end of each month.

SEC. 10. For each month in which the prisoner appears, by the record provided for in section nine of this Act, to have been obedient, orderly and faithful, three days shall, with the consent of the said Board of Supervisors, be deducted from his term of sentence, and for each month that it shall appear from such record that his conduct has been positively good, and that he has rendered a prompt and cheerful obedience to the rules of the House of Correction, five days shall be deducted from such term.

SEC. 11. The Superintendent shall see that the prisoners are at all times kept at labor on the public works of the City and County of San Francisco at least six hours a day, during six days of the week, when the weather will permit. By the public works, as used in this Act, is understood the construction, or repair, or cleaning of any streets, road, dock, wharf, public square, park, building, cutting away hills, grading, or other work whatever, which is authorized to be done by and for the use of the said City and County, and the expense of which is not to be borne exclusively by individuals or property particularly benefited thereby.

No prisoner or prisoners shall be allowed to go from the walls of the prison without a proper and sufficient guard.

SEC. 13. When any contract shall be entered into between the Board of Supervisors and others for the labor of the prisoners, as provided in the last section, the Superintendent shall keep an exact account of all such hired

labor, the number of days' work done, and for whom, and the amount collected or due on such work. The said Board of Supervisors are hereby authorized to apply the proceeds of such labor to defraying the expenses of the House of Correction.

SEC. 17. When any person is committed to said House of Correction and is too sick for immediate work, the Superintendent shall order him or her to be well taken care of, in such comfortable quarters as may be provided in the institution for the care of the sick by said Board of Supervisors. Should the attending physician deem any prisoner too sick to remain in the House of Correction, the Superintendent may order him or her to be sent to the City and County Hospital until cured, when he or she must be retained to serve out his or her unexpired term of imprisonment.

SEC. 18. The Board of Supervisors shall fix the salaries of the Superintendent and the other officers of the House of Correction, and shall certify to the Board of Supervisors, every month, the amount of each officer's salary, and said Board of Supervisors are instructed to order the same paid out of the City and County treasury, as other salaries are paid.

SEC. 19. The provisions of this Act requiring prisoners to labor are made applicable to prisoners who may be confined in the County Jail on commitments from the Police or Municipal Criminal Court, for punishment for misdemeanor. But nothing in this Act shall be so construed as to require labor from such defendants as may be detained in said County Jail or House of Correction to await trial in any court, or who may be committed there for

contempt of court, or witnesses in any suit, civil or criminal, or on any civil process.

SEC. 20. The City and County Physician shall be required to visit the House of Correction at regular prescribed times to be fixed by the Board of Supervisors, and without additional salary.

SEC. 4. After said Board shall have fixed and established the quality and illuminating power, and the price of gas, as hereinbefore, it shall be the duty of such Inspector to examine and inspect, from time to time, at least once every week, without notice to the person, company or corporation furnishing the same, the quality and illuminating power of the gas furnished to such city and the inhabitants thereof, and in case the same shall fall below the standard fixed by said Board, the said Inspector shall forthwith report the same to said Board; and at such other times as he may be requested thereto by the Mayor or any committee of said Board, he shall report to said Board upon any and all matters connected with the manufacture, supply, and consumption of gas coming within the scope of his official duties, and specially upon any subject or subjects, matters or things connected therewith and specified in such request.

SEC. 5. After said Board shall have fixed and established the quality and standard illuminating power of the gas, and the price per thousand cubic feet, as in this Act provided to be charged therefor, it shall be unlawful for any person, company, or corporation to furnish to such city, or any inhabitant thereof, or any person therein, for illuminating purposes, gas of a lower standard or quality, or to charge or receive therefor a higher price than is provided by said Board, under the authority and subject to limitations of this Act; and for every violation of the provisions of this Act, or the provisions of any order, resolution, or ordinance of said Board made in pursuance thereof every such person, company, or corporation shall incur a penalty of not less than one hundred nor more than one thousand dollars, to be recovered in a civil action in the name and for the use of such city, in any Court of competent jurisdiction; and each day upon which such person, company, or corporation shall, without reasonable cause or excuse therefor, furnish gas of a lower quality or standard illuminating power than that fixed by said Board, shall constitute and be considered and held one violation thereof, and each month or shorter period for which said person, company, or corporation shall take an account of gas consumed, and for which they shall charge or receive a price greater than that fixed by said Board, shall be held and regarded as one offense, and any number of such offenses of either class, or

both, may be joined in the same action, and the several penalties for the several violations proved or confessed in said action may be united and recovered in the same judgment; and such person, company, or corporation shall also be liable to such city and to any and each person or corporation who shall be injured by any such violation, in double the amount of damages actually sustained.

SEC. 6. All actions for penalties under the provisions of this Act shall be tried by the Court, unless a jury be demanded by either party; and when such action shall be tried by a jury, the jury shall find, as to each violation charged in the complaint, that "the defendant is guilty," or "the defendant is not guilty;" and upon each charge in respect to which the jury has found the defendant guilty, the Court shall fix the penalty, and render judgment for the aggregate amount of such penalties, together with costs of suit.

SECTION 1. The Board of Supervisors of the City and County of San Francisco are hereby authorized and empowered to suspend from the benefits of acceptance any portion of a street where the owner of the property fronting thereon shall hereafter fail to pay the assessments for the improvements which form the basis for acceptance by the corporate authorities.

SEC. 2. SEC. 3. The said Superintendent of Streets shall also keep a careful record of all expenditures hereafter made for repairs and renewals upon accepted streets, charging to each block separately the amount expended thereon, and in every block containing one or more lots hereby suspended for the benefits of acceptance, he shall charge up to each its due proportion per front foot of the whole cost, and the same shall become at once a valid lien upon the realty, and bear interest at the rate of ten per cent. per annum till liquidated by full payment into the city treasury; *provided*, that at the expiration of one year from the date of the expenditures, if the same is not paid, the same

shall be marked "delinquent," and a list thereof shall be certified to the Tax Collector of the City and County of San Francisco, and said Tax Collector shall thereupon advertise the said property for sale to pay said delinquent assessment and interest due thereon, and the costs and charges of advertising the same, and six months thereafter shall execute a deed therefor, provided the said property shall not be redeemed; and if redeemed, fifty per cent. shall be added as a redemption fee therefor. Said certificate of sale and deed shall be in manner and form as the certificates and deeds provided to be executed by the Tax Collector on the sale of property for delinquent taxes, and shall be conclusive evidence of the validity of the assessment and of all prior proceedings, and shall be subject to be declared invalid by proof only that the assessment for which the property was sold had been paid prior to the date of sale.

shown to their satisfaction that all the requisite improvements have been paid for by the owners of the property fronting thereon; but no portion of a street shall hereafter be accepted while the bills remain unpaid for the improvements which form the basis for acceptance.

Such rates shall be fixed at a regular or special session of such Board or other legislative body, held during the month of February of each year, and shall take effect on the first day of July thereafter, and shall continue in full force and effect for the term of one year and no longer.

SEC. 2. The Board of Supervisors, Town Council, Board of Aldermen, or other legislative body of any city and county, city, or town, are hereby authorized, and it is hereby made their duty, at least thirty days prior to the fifteenth day of January of each year, to require, by ordinance or otherwise, any corporation, company, or person supplying water to such city and county, city or town, or to the inhabitants thereof, to furnish to such Board, or other governing body, in the month of January in each year, a detailed statement, verified by the oath of the President and Secretary of such corporation or company, or of such person, as the case may be, showing the name of each water-rate payer, his or her place of residence, and the amount paid for water by each of such water-rate payers, during the year preceding the date of such statement, and also showing all revenue derived from all sources, and an itemized statement of expenditures made for supplying water during said time.

SEC. 3. Accompanying the first statement made as prescribed in section two of this Act, every such corporation, company, or person shall furnish a detailed statement, verified in like manner as the statement mentioned in section two hereof, showing the amount of money actually expended annually, since commencing business, in the purchase, construction, and maintenance, respectively, of the property necessary to the carrying on of its business, and also the gross cash receipts annually, for the same period, from all sources.

SEC. 4. Every corporation, company, or person who shall refuse or neglect to furnish the statements mentioned in sections two and three of this Act, or either of them, or who shall furnish any false statement in relation thereto, within thirty days after having been required or requested to furnish the same as prescribed in sections one, two, and three of this Act, shall be deemed guilty of a misdemeanor.

SEC. 5. Upon receiving the statements provided for in sections two and three of this Act, the Board of Supervisors, Town Council, Board of Aldermen, or other legislative body, shall cause a copy thereof to be made and filed in the office of the County Recorder of such city and county, or of the county wherein such city or town is situated.

SEC. 6. Rates for the furnishing of water shall be equal and uniform. There shall be no discriminations made between persons, or between persons and corporations, or as to the use of water for private and domestic, and

public or municipal purposes; *provided*, that nothing herein shall be so construed as to allow any person, company, association, or corporation, to charge any person, corporation, or association, anything for water furnished them when, by any present law, such water is free.

SEC. 7. Any person, company, association, or corporation charging, or attempting to collect from the persons, corporations, or municipalities using water, any sum in excess of the rate fixed as hereinbefore designated, shall, upon the complaint of said Board of Supervisors, Town Council, Board of Aldermen, or other legislative body thereof, or of any water-rate payer, and upon conviction before any Court of competent jurisdiction, shall forfeit the franchises and waterworks of such person, company, association, or corporation to the city and county, city or town, wherein the said water is furnished and used.

SEC. 8. Any Board of Supervisors, or other legislative body of any city and county, city, or town which shall fail or refuse to perform any of the duties prescribed by this Act, at the time and in the manner hereinbefore specified, shall be deemed guilty of malfeasance in office, and upon conviction thereof, at the suit of any interested party, in any Court of competent jurisdiction, shall be removed from office.

SEC. 9. This Act shall take effect and be in force from and after the date of its passage.

[Approved March 2, 1883.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. All municipal corporations within the State are hereby classified as follows: Those having a population of more than one hundred thousand shall constitute the first class; those having a population of more than thirty thousand, and not exceeding one hundred thousand, shall constitute the second class; those having a population of more than fifteen thousand, and not exceeding thirty thousand, shall constitute the third class; those having a population of more than ten thousand, and not exceeding fifteen thousand, shall constitute the fourth class; those having a population of more than three thousand, and not exceeding ten thousand, shall constitute the fifth class; those having a population of not exceeding three thousand, shall constitute the sixth class.

1883, 35.

An Act to provide for the improvement of streets, lanes, alleys, courts, places, and sidewalks, and the construction of sewers within municipalities.

[Approved March 6, 1883.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

PART I.

SECTION 1. No public work or improvement of any description whatsoever shall be done or made within any municipality organized and existing for municipal purposes, or hereafter organized, in, upon, or about the streets thereof, the cost or expense of which is made chargeable or may be assessed upon private property by special assessment, except as in this Act provided.

SEC. 2. Whenever the public interest or convenience may require, the City Council is hereby authorized and empowered to order the whole or any portion of the streets, sidewalks, lanes, alleys, courts, or places of any such city graded or regraded to the official grade, planked or replanked, paved or repaved, macadamized or remacadamized, graveled or regraveled, piled or repiled, capped or recapped, and to order sidewalks, sewers, manholes, culverts, curbing, and crosswalks to be constructed therein, and to order any other work to be done which shall be necessary to make and complete the whole or any portion of said streets, sidewalks, lanes, alleys, courts, or places.

SEC. 3. Before ordering any work done, or improvement made, which is authorized by section two of this Act, the City Council shall pass a resolution declaring its intention so to do, describing the work and specifying the

exterior boundaries of the district of lands to be affected or benefited by said work or improvement, and to be assessed to pay the costs and expenses thereof. The Street Superintendent shall thereupon cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of said resolutions. Said notice shall be headed "Notice of street work," in letters of not less than one inch in length, and shall, in legible characters, state the fact of passage of the resolution, its date, and, briefly, the work or improvement proposed, and refer to the resolution for further particulars. He shall also cause a notice, similar in substance, to be published for a period of fifteen days in one or more daily newspaper published and circulated in said city, and designated by said City Council, or by two successive insertions in a weekly newspaper so published, circulated, and designated. The owners of one-half or more of the frontage of the property fronting on said proposed work or improvement may make a written objection to the same within ten days after the expiration of the time of the publication of said notice, which objection shall be delivered to the Clerk of the City Council, who shall indorse thereon the date of its reception by him, and such objection, so delivered and indorsed, shall be a bar for six months to the doing of said work or making said improvement, except that when the work or improvement proposed to be done is the construction of sewers, manholes, culverts, crosswalks, and sidewalks, the Clerk shall lay said objection before said City Council, which shall, at its next meeting, fix a time for hearing said objection, not less than one week thereafter. The City Clerk shall thereupon notify the persons making such objection, by depositing a notice thereof in the Post Office of said city, postage prepaid, addressed to each objector. At the time specified, said City Council shall hear the objections urged, and pass upon the same, and its decision shall be final and conclusive; *provided*, that when any street or highway shall have been sewered its entire length, and not more than two blocks of said street remain ungraded, said City Council may order the grading, curbing, and macadamizing or graveling of that part of said street, or highway, so remaining ungraded, not exceeding two blocks; and said work of grading, curbing, macadamizing, graveling, culverting, crosswalking, and sidewalking said street or highway for said two blocks and less, shall not be stayed or prevented by any written or other objection, unless such Council shall deem proper; *provided, also*, that if one half or more, in width or in length, of any street lying and being between two main street crossings, has been already improved as aforesaid, said Council may order the remainder improved, notwithstanding such objections of property owners whose property is affected or benefited thereby, and to be assessed to pay the cost and expense thereof. Objections to the extent of the district of lands to be affected or benefited by said work or improvement, and to be assessed to pay the costs and expenses thereof, may be made by interested parties within the time allowed for other objections; but the City Council may, in its discretion,

overrule all such objections, and if sustained after hearing, to be had as in this section above provided in case of other objections, all proceedings shall be stopped; but proceedings may be immediately again commenced by giving the notice of intention to do said work or make said improvement; if such objection is overruled by the City Council, the proceedings shall continue the same as if such objection had not been made. At the expiration of the time prescribed during which objection to said work or improvement may be made, if no objection shall have been made, or if an objection shall have been made, and said Council, after hearing, shall have overruled the same, the City Council shall be deemed to have acquired jurisdiction to order any of the work to be done, or improvements to be made, which is authorized by section two of this Act. Before passing any resolution for the construction of said improvements, plans and specifications, and careful estimates of the costs and expenses thereof shall be furnished to said City Council by the City Engineer of such city.

SEC. 4. Before giving out any contracts by the City Council for doing any work authorized by section two of this Act, the City Council shall cause notice to be published for at least five days in one or more daily newspapers, published and circulated in said city, or by at least one insertion in a weekly or semi-weekly newspaper, so published and circulated, and to be conspicuously posted for five days on or near the Council-room door of said Council, inviting sealed proposals for the work contemplated. All proposals offered shall be accompanied by a check payable to the order of the Mayor, certified by a responsible bank, in an amount equal to at least ten per cent. of the amount named in the estimate of the City Engineer, and shall be delivered to the Clerk of said City Council; and said Council shall, in open session, open, examine, and publicly declare the same; *provided, however*, that no proposal shall be considered unless accompanied by such check satisfactory to the Council; and thereafter, but not later than its next regular meeting, said Council may reject the bid of any party who has been delinquent and unfaithful in any former contract with the municipality, and shall reject all bids other than the lowest regular bid of any responsible bidder, and shall thereupon return to the proper parties the respective checks corresponding to such bids so rejected. But the check accompanying such lowest regular proposal or bid shall be held by the City Treasurer of such city, and said proposal or bid itself shall be held by said Council, to be disposed of as hereinafter provided. Upon ascertaining the amount specified in such lowest regular and responsible bid, said Council shall compare the same with the estimate of the cost and expenses theretofore furnished by said City Engineer for said work so bid upon; and if such sum specified in such bid shall be less than or greater than the estimate of said City Engineer, then said City Council shall refer said bid and said estimate to said City Engineer for revision, and if, upon revision, said estimate shall correspond in amount with amount specified in such bid, such revised estimate, increased by the incidental expenses of such proposed work, which incidental expenses shall

be determined by said Council, shall be and become the estimated costs and expenses of said proposed work; *provided, however*, that in all cases the said Council shall have power, in its discretion, to reject any and all bids, and to readvertise for proposals, as in the first instance, but without readvertising the resolution of intention, and thereafter the same proceedings shall be had as if the rejected bids had not been presented. After proposals have been received, examined, and declared, and after the said Council shall have ascertained the whole costs and expenses of the work, as provided in this section, the said Council shall direct the City Engineer to make a diagram of the property affected or benefited by said proposed work, as described in the resolution of intention therefor, and to be assessed to pay the expenses thereof. Said diagram shall show each separate lot, piece, or parcel of land, the area in square feet of each of such lots, pieces, or parcels of land, and the relative location of the same to the work proposed to be done, all within the limits of the assessment district; and when said diagram shall have been approved by said Council, the Clerk shall, at the time of such approval, certify the fact and date thereof. Immediately thereafter, said diagram shall be delivered to the Superintendent of Streets, together with a statement of the final estimated costs and expenses of such proposed work, fixed as above provided.

SEC. 5. Upon receipt of such diagram and statement, said Superintendent of Streets shall proceed to estimate upon the lands, pieces of land, lots, and portions of lots within said assessment district, as shown by said diagram, the benefits to arise from such proposed work, and to be received by each such lot, portion of lot, piece, or subdivision of land, and shall thereupon assess upon and against said lands in said assessment district the total amount of the costs and expenses of such proposed work, and in so doing shall assess said total sum upon the several pieces, parcels, lots, portions of lots, and subdivisions of land in said assessment district benefited thereby, to wit: upon each respectively in proportion to the estimated benefits to be received by each of said several lots, portions of lots, pieces, parcels, or subdivisions of land as theretofore determined by him, as above provided; *provided further*, that no assessment shall be levied on any property which, together with all assessments for street improvements that may have been levied upon the same property during the next preceding year, will amount to a sum greater than fifty per cent. of the value at which said property was assessed upon the last preceding assessment roll of said city.

SEC. 6. Within five days after the receipt by him of said diagram and statement, unless further time be granted by said Council therefor, said Superintendent of Streets shall make out and complete an assessment list, which shall show and exhibit in separate columns, first, the name of the owner of each separate lot, piece, parcel, or subdivision of land separately assessed, if known to him, and if the name of the owner be unknown to him, the word "unknown" shall be written opposite the number of each such subdivision of land; second, the assessment number of each separate subdivi-

sion of land separately assessed; third, a brief description by lot and block, or otherwise, of each such subdivision of land, which, in connection with the diagram hereinbefore and hereinafter mentioned, shall be sufficient for the identification and location of each such subdivisions of land; fourth, the estimated benefits to each such subdivision of land; fifth, the amount assessed separately to each such subdivision; and sixth, a list of all separate lots, pieces, parcels, or subdivisions of land, if any, which are not benefited by said work or improvement. To the assessment list thus completed, said Superintendent of Streets shall attach said diagram, showing the relative location of each of said subdivisions of land to the work proposed to be done; each of which subdivisions of land shall be by him numbered on said diagram to correspond, each respectively, with its assessment number as shown on said assessment list, and said assessment list and said diagram thus attached shall constitute and be known as the "assessment roll;" said assessment roll, when completed, shall be by said Superintendent of Streets filed with the City Clerk.

SEC. 7. Upon receiving said assessment roll, said City Clerk shall forthwith give notice, by publication for at least five days in one or more daily newspapers published and circulated in such city, or by at least one insertion in a weekly newspaper so published and circulated, that said assessment roll is on file in his office, the date of the filing of the same, and that the same is open for public inspection. The owners of land in said assessment district, whether named or not in said assessment roll, and all other persons directly interested in any property affected by the assessments set forth in said assessment roll, feeling aggrieved by any act or determination of the said Council or said Superintendent of Streets, in relation to said assessments or assessment roll, or having or making any objections to the legality of said assessments or assessment roll, or other act, or determination, or proceeding of said Council or Superintendent of Streets, shall, within ten days after first publication of such notice, appeal to said Council by briefly stating their objections in writing, and filing the same with the Clerk of said Council. After the expiration of the time above provided for filing such objections, the said Council shall, if any such objections have been filed, fix the time for hearing the same, and shall order the said City Clerk to give notice of the time and place of the hearing of the said objections so filed; and said notice shall be posted by the City Clerk in three of the most public places in said City at least five days prior to the day of such hearing. Upon the hearing of such appeal or appeals, the said City Council shall have power to approve and confirm said assessment roll, or to refer the same back to the said Superintendent of Streets, with directions to alter or modify the same in the particulars specified by the Council in the resolution referring back the same; and in case of such reference back to him, the said Superintendent of Streets shall thereupon proceed to make the alterations and modifications specified in the said resolution of reference of said Council. The alterations and modifications aforesaid having been made, the assessment roll shall be

again submitted to the said Council, and if the Council, upon examination, shall find that the alterations and modifications have been made according to the directions contained in said resolution of reference, the said Council shall adopt and confirm the same; but if the said Superintendent of Streets shall have neglected or failed to make the said alterations and modifications, the Council shall again refer the said assessment roll back to the said Superintendent of Streets, and so on until the original resolution of alteration and modification shall have been complied with by said Superintendent of Streets, and then the said Council shall adopt and confirm said assessment roll. Said City Council, at a meeting subsequent to the expiration of eleven days from and after the first publication by said Clerk of said notice that said assessment roll has been filed with him and is open for public inspection, shall adopt and confirm said assessment roll, in case no appeal shall have been taken, as above provided for in this section. The adoption and confirmation of said assessment roll, as aforesaid, shall be final and conclusive upon all persons entitled to an appeal under the provisions of this section, as to all errors, informalities, or irregularities which said Council might have remedied or avoided.

SEC. 8. No assessment shall be held invalid except upon appeal to the City Council, as provided in the preceding section, because of any error, informality, or other defect in any of the proceedings prior to the assessment, or in the assessment itself, when notice of the intention of the City Council to order the work to be done for which the assessment is made has been published in such newspaper or newspapers of such municipality for the length of time hereinbefore prescribed therefor before the passage of the resolution ordering the work to be done.

SEC. 9. Upon the adoption and confirmation of the assessment roll as hereinbefore provided, the City Clerk shall endorse thereon his certificate, to the effect that said assessment roll has been adopted and confirmed by the City Council, and shall also give the date of its adoption and confirmation. Said Clerk shall then deliver said assessment roll to the Superintendent of Streets of such city.

SEC. 10. The Superintendent of Streets shall thereupon give notice by publication for ten days in one or more daily newspapers published and circulated in such city, or by two successive insertions in a weekly newspaper so published and circulated, that he has received said assessment roll, and that all sums levied and assessed in said assessment roll are due and payable immediately, and that the payment of said sums is to be made to him within thirty days from the date of the first publication of said notice. Said notice shall also contain a statement that all assessments not paid before the expiration of said thirty days will be declared to be delinquent, and that thereafter the sum of five per cent. upon the amount of each delinquent assessment, together with the cost of advertising each delinquent assessment, will be added thereto. When payment of any assessment is made to said Super-

intendent of Streets, he shall write the word "Paid," and the date of payment, opposite the respective assessment so paid, and the names of persons by or for whom said assessment is paid, and shall, if so required, give a receipt therefor. On the expiration of said thirty days all assessments then unpaid shall be and become delinquent, and said Superintendent of Streets shall certify such fact at the foot of said assessment roll, and shall add said five per cent. to the amount of each assessment so delinquent. The said Superintendent of Streets shall, within five days from the date of said delinquency, proceed to advertise and collect the various sums delinquent, and the whole thereof, including the cost of advertising, which last shall not exceed the sum of fifty cents for each lot, piece, or parcel of land separately assessed, by the sale of the assessed property in the same manner as is or may be provided for the collection of State or county taxes; and after the date of said delinquency, and before the time of such sale herein provided for, no assessment shall be received unless at the same time the five per cent. added thereto as aforesaid, together with the cost of advertising then already incurred, shall be paid therewith. The said five per cent., when collected, shall be paid into the General Fund of the city. Said list of delinquent assessments shall be published daily for five days in one or more daily newspapers published and circulated in such city, or by at least one insertion in a weekly newspaper so published and circulated, before the day of sale of such delinquent assessments. Said time of sale must not be less than seven nor more than ten days from the date of the first publication of said delinquent assessment list, and the place must be in or in front of the office of said Superintendent of Streets. All property sold shall be subject to redemption in the same time and manner as in sales for delinquent State and county taxes; and the Superintendent of Streets may collect for each certificate fifty cents, and for each deed one dollar. All fees collected by said Superintendent of Streets shall be paid into the General Fund of such city. All provisions of the law in reference to the sale and redemption of property for delinquent State and county taxes in force at any given time shall also then, so far as the same are not in conflict with the provisions of this Act, be applicable to the sale and redemption of property for delinquent assessments hereunder, including the issuance of certificates and execution of deeds. Before the day of sale for such delinquent assessments the Superintendent of Streets shall, from time to time, pay over to the City Treasurer all moneys collected and received by him on account of any such assessments. The City Treasurer shall, upon receipt thereof, place the same in a separate fund, designating such fund by the name of the street, lane, alley, court, or place, for the improvement of which the assessment was made. And whenever sufficient money shall have been received by said Treasurer on account of any such assessment, to pay the said estimated costs and expenses of such work and improvement for the payment of which said assessment was levied and collected, said Treasurer shall report that fact to said Council.

SEC. 11. Upon receiving such notice from said Treasurer, said Council shall order the Treasurer to pay the incidental expenses to the persons entitled thereto, and shall proceed to and shall award the contract for the work and improvement, to pay the costs and expenses of which said moneys shall have been so collected, to that person who shall have theretofore presented the lowest regular responsible bid therefor, as hereinafter provided. If the bidder to whom the contract is thus awarded fails, neglects, or refuses to enter into a contract to perform said work and improvement as hereinafter provided, then the certified check accompanying his bid and the amount therein mentioned shall be declared to be forfeited to said city, and shall be collected by said city and be paid into the fund into which has already been paid said moneys so collected on said assessment. All persons, owners included, who shall fail to enter into contract as herein provided, are hereby prohibited from bidding a second time for the same work. Notice of such awards shall be published for five days in the same manner as hereinbefore provided for the publication of proposals for such work. The owners of the major part of said area in square feet of lots and lands assessed for said work shall not be required to present sealed proposals, but may, nevertheless, within said five days after the first publication of notice of said award, elect to take said work, and enter into a written contract to do the whole work at the price at which the same may have been awarded. Should the said owners fail to elect to take said work, and to enter into a written contract therefor within said five days, or to commence the work within ten days after the first publication of said award, and to prosecute the same with diligence to completion, it shall be the duty of the Superintendent of Streets to enter into a contract with the original bidder to whom the contract was awarded, and at the prices the same may have been awarded him; but if said original bidder neglects, for fifteen days after the first publication of notice of award, to enter into the contract, then the City Council shall again advertise for proposals as in the first instance, and award the contract for said work to the then lowest regular responsible bidder. If the owners or contractor who may have taken said contract do not complete the same within the time limited in the contract, or within such further time as the City Council may give them, the said Superintendent of Streets shall contract for the completion of the unfinished portion of said work, according to the terms of the original contract therefor, and the costs and expenses so incurred in prosecuting and completing such unfinished work shall be paid out of the moneys theretofore collected to pay for the costs and expenses of such work and improvements, and not otherwise. All contractors, contracting owners included, shall, at the time of executing the contract for such work, execute a bond to the satisfaction of the City Council, which bond shall be twenty-five per cent. of the amount of the contract price, with two or more sureties, and payable to such city in such sums as the said City Council shall deem adequate, conditioned for the faithful performance of the contract; and the sureties shall justify,

before any officer competent to administer an oath, in double the amount mentioned in said bond, over and above all statutory exemptions.

SEC. 12. The Superintendent of Streets is hereby authorized, in his official capacity, to make all written contracts and receive all bonds authorized by this Act, and to do any other act, either express or implied, that pertains to the Street Department under this Act, and he shall fix the time for the commencement and for the completion of the work, under all contracts entered into by him, which work shall be prosecuted with diligence from day to day thereafter, to completion, and he may extend the times so fixed from time to time, under the direction of the City Council. The work provided for in section two of this Act must in all cases be done under the direction and to the satisfaction of the Superintendent of Streets, and the materials used shall be such as are required by said Superintendent of Streets, and all contracts made therefor must contain a provision to that effect, and also express notice that in no case, except where it is otherwise provided in this Act, will the city or any officer thereof be liable for any portion of the expense, nor for any delinquency of persons or property assessed.

SEC. 13. Whenever any contract shall have been completed, the contractors shall notify the Superintendent of Streets, who shall notify said City Council that said work and improvement, and the contract therefor, have been completed. Thereupon said City Council shall direct the City Clerk to give notice by publication for five days, in one or more daily newspapers published and circulated in such city, that said work and improvement, and the contract therefor, have been completed, and that it will hear objections to the manner in which said work has been done on the day therein named, from any or all persons directly interested in said work.

SEC. 14. At the time and place fixed for said hearing of said objections, said Council shall proceed to hear all parties present and desiring to be heard concerning the manner in which said work shall have been done. And whenever said Council shall ascertain that said work and improvement have been completed in all respects according to the terms of the contract therefor, they shall, by resolution, accept such work and improvement, and direct said Superintendent of Streets to issue to said contractor, a certificate that said work has been completed according to contract. All acts and determinations of said City Council to be heard under the provision of this and the next preceding section shall be final and conclusive upon all persons entitled to be heard.

SEC. 15. Whenever any work or improvement shall have been so accepted the said City Council shall, by resolution, direct the City Treasurer to pay out of the appropriate fund, at the expiration of fifteen days from the passage of such resolution, to the contractor who shall have so completed said work and improvement, the amount to which he is entitled under the terms of his contract; *provided, however,* that such payment by the Treasurer shall

be made subject to the following provision, to wit: That any person or persons who have performed labor upon, or furnished materials for the construction of said work or improvement, may file, within said fifteen days, with the City Treasurer, any written claim or claims he or they may make, on account of such labor performed, or materials furnished; and, at the expiration of said fifteen days, said City Treasurer shall pay to said contractor the amount specified in said last named resolution, less the aggregate amount of all such claims, if any, filed in accordance with the provisions of this section. Should any money be retained by said Treasurer on account of such claim or claims, he shall pay over the amount of each claim only upon the order therefor of said contractor, indorsed by the claimant thereof, or upon the order therefor of any Court of competent jurisdiction.

SEC. 16. And when all moneys required to be paid by the said City Treasurer under the last preceding section shall have been by him paid, as required in said section, if there is any money remaining in the fund out of which said payments shall have been made as aforesaid, it shall be the duty of said Treasurer immediately to report the amount of said remaining moneys to said Council. Thereupon it shall be the duty of said Council to empower and direct said Treasurer to distribute and repay such remaining moneys, and in the proportion of the amounts of the original assessments, to the persons by or for whom said original assessments were paid, or to their legal representatives; and it shall be the duty of said Treasurer, in each instance of such repayment, to require, receive, and file away a receipt for said proportionate amount from said persons, or their legal representatives; and in no case shall a contractor who has failed to fulfill the terms and conditions of his contract be entitled to receive any portion of the contract price therefor, and he shall be deemed to have forfeited all right to recover or receive any compensation whatever under said contract.

SEC. 17. Whenever any portion of any street, lane, alley, court, or place in said city, improved, or any sidewalk constructed thereon according to law, shall be out of repair and in condition to endanger persons or property passing thereon, or in condition to interfere with the public convenience in the use thereof, it shall be the duty of the said Superintendent of Streets to require, by notice in writing, to be delivered to them personally, or left on the premises, the owners or occupants of lots, or portions of lots, fronting on said portion of said street, lane, alley, court, or place, or of said portion of said walk so out of repair, as aforesaid, to repair forthwith said portion of said street, lane, alley, court, or place to the center thereof, or said sidewalk in front of the property of which he is the owner, or tenant, or occupant; and said Superintendent of Streets shall specify in said notice what repairs are required to be made. After the expiration of three days from the date of the service of said notice, the Superintendent of Streets shall be deemed to have acquired jurisdiction to contract for the making of the repairs required by said notice. said City Council, make such repairs or enter into a contract with any suitable person, at the expense of the owner, tenant, or occupant, at a reasonable price, to be determined by said Superintendent of Streets, and such owner, tenant, or occupant shall be liable to pay the same. Upon the completion of said repairs by said contractors as aforesaid to the satisfaction of said Superintendent of Streets, said Superintendent of Streets shall make and deliver to said contractor a certificate to the effect that said repairs have been properly made by said contractor, and that the charges for the same are reasonable and just, and that he, said Superintendent, has accepted the same.

SEC. 18. If the expenses of the work and material for such improvements, after the completion thereof, and the delivery to said contractor of said certificate, be not paid to the contractor so employed, or his agent, or assignee, on demand, the said contractor, or his assignee, shall have the right to sue such owner, tenant, or occupant, for the amount contracted to be paid; and said certificate of the Superintendent of Streets shall be prima facie evidence of the amount claimed for said work and materials, and of the right of the contractor to recover for the same in such action.

SEC. 19. In addition, and as cumulative to the remedies above given, the City Council shall have power, by resolution or ordinance, to prescribe the penalties that shall be incurred by any owner or person liable, or neglecting, or refusing to make repairs when required, as provided in section seventeen of this Act, which fines and penalties shall be recovered for the use of the city by prosecution in the name of the people of the State of California, in the Court having jurisdiction thereof, and may be applied, if deemed expedient by the said Council, in the payment of the expenses of any such repairs not otherwise provided for.

SEC. 20. The records kept by the Superintendent of Streets of said city in conformity with the provisions of this Act, and signed by him, shall have the same force and effect as other public records, and copies therefrom, certified by him, may be used in evidence with the same effect as the originals. The same record shall, during all office hours, be open to the inspection of any citizen wishing to examine them.

Notices in writing, which are required to be given by the Superintendent of Streets under the provisions of this Act, may be served by any person, with the permission of the Superintendent of Streets, and the fact of such service shall be verified by the oath of the person making it, taken before the Superintendent of Streets, or other person authorized to administer oaths; or such notices may be served by the said Superintendent of Streets himself. The Superintendent of Streets shall keep a record of the fact of giving such notices, when delivered by himself personally, and also of the notices and proof of service when delivered by any other person.

SEC. 22. The Superintendent of Streets shall superintend and direct the

cleaning of all sewers, and the expense of the same shall be paid out of the Street or Sewer Fund of such city.

SEC. 23. SEC. 24. The City Council of such city shall have full power and authority to construct sewers and manholes, culverts with crosswalks, or culverts or crosswalks, or sidewalks, or any portion of any sidewalk, upon or in any street, lane, alley, court, or place in such city, of such materials, in such a manner, and upon such terms as it may deem proper. None of the work or improvements described in this section shall be stayed or prevented by any written or any other remonstrance or objection, unless such Council deems proper.

SEC. 25. The City Council may, in its discretion, repair and water streets that shall have been graded, curbed, and planked, paved or macadamized, and may build, repair, and clean sewers, and shall provide a Street Contingent Fund at the same time and in the same manner as other funds are provided, out of which to pay the costs and expenses of making said repairs, and watering said streets, and building, repairing, and cleaning said sewers; but whenever any street requires regrading, recurbing, repiling, repaving, replanking, regravelling or remacadamizing, or require new culverts, or new crosswalks, or new sidewalks, the work shall be advertised and let out by contract, and the costs and expenses thereof shall be assessed upon the property affected or benefited thereby, the same as in the first instance.

SEC. 26. When any street or portion of a street has been or shall hereafter be constructed to the satisfaction of said Superintendent of Streets of such city, under such regulations as said Council shall adopt, the same shall be accepted by said Council, and thereafter shall be kept open and improved by the said city, and the expense thereof shall be paid out of the Street Department Fund; *provided*, that the City Council shall not accept of any portion of a street less than the full width thereof and one block in length, or one entire crossing. The Superintendent of Streets shall keep in his office a register of all accepted streets, the same to be indexed so that reference may be easily had thereto.

Whenever the City Council deem it necessary to construct a receiving sewer, then the said Council may, in its discretion, determine to construct said sewer, and assess the cost and expenses thereof upon the property to be affected or benefited thereby, as provided in part one hereof, or said Council may determine to construct said sewer and pay therefor out of the Street Contingent Fund.

Such notice shall specify the amount of indebtedness proposed to be incurred, the route and general character of the sewer or sewers to be constructed, and the amount of money necessary to be raised annually by taxation for an Interest and Sinking Fund as hereinafter provided. Such notice shall be published for at least three weeks in some newspaper published in such city, and no other question or matter shall be submitted to the electors at such election. It shall be the duty of the City Council in each year thereafter, at the time at which other taxes are levied, to levy a tax sufficient for such purpose, in addition to the taxes authorized to be levied for city purposes. Such tax, when collected, shall be kept in the treasury as a separate fund, to be inviolably appropriated to the payment of the principal and interest of such indebtedness.

meeting, by resolution, declare its intention to sell a specified amount of said bonds, and the day and hour of such sale, and shall cause such resolution to be entered in the minutes, and shall cause notice of such sale to be published for fifteen days in at least one newspaper published in the city in which the bonds are issued, and one published in the City and County of San Francisco, and in any other newspaper in the State, at their discretion. The notice shall state that sealed proposals will be received by the Council for the purchase of the bonds on the day and hour named in the resolution. The Council, at the time appointed, shall open the proposals and award the purchase of the bonds to the highest bidder, but may reject all bids.

SEC. 31. The Council may sell said bonds, at not less than par value, without the notice provided for in the preceding section.

SEC. 32. The proceeds of the sale of the bonds shall be deposited in the city treasury to the account of the Receiving Sewer Fund, but no payment therefrom shall be made, except to pay for the construction of the sewer or sewers for the construction of which the bonds were issued, and upon the certificate of the Superintendent of Streets and the City Engineer, that the work has been done according to contract.

[Approved March 18, 1885.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

PART I.

SECTION 1. All streets, lanes, alleys, places, or courts, in the municipalities of this State now open or dedicated, or which may hereafter be opened or dedicated to public use, shall be deemed and held to be open public streets, lanes, alleys, places, or courts, for the purposes of this Act, and the City Council of each municipality is hereby empowered to establish and change the grades of said streets, lanes, alleys, places, or courts, and fix the width thereof, and is hereby invested with jurisdiction to order to be done thereon any of the work mentioned in section two of this Act, under the proceedings hereinafter described.

At the expiration of ten days after the expiration of the time of the publication, and at the expiration of fifteen days after the posting of any resolution of intention, if no written objection to the work therein described has been delivered as aforesaid by the owners of one-half or more of the frontage of the property fronting on said work or improvement, the City Council shall be deemed to have acquired jurisdiction to order any of the work to be done, or improvement to be made, which is authorized by section two of this Act. Before passing any resolution for the construction of said improvements, plans, and specifications, and careful estimates of the cost and expenses thereof, shall be furnished to said City Council, if required by it, by the City Engineer of said city, and for the work of constructing sewers, specifications shall always be furnished by him. Whenever the estimated or actual cost of any work contemplated or ordered to be done by the City Council, and chargeable under the provisions of this Act against any lot or lots of land, or the owner thereof, shall exceed one half of the assessed value of such lot or lots as borne upon the last assessment roll whereon it was assessed, made for the levying of taxes for municipal purposes, the amount of the cost of said work, exceeding said one half of the assessed value of said lot or lots, shall be paid out of the city treasury, unless the owner of such lot or lots shall, in writing, signed by himself or his authorized agent, consent that the whole expense of said improvement may be made a charge against said lot or lots.

SEC. 4. The owners of more than one-half in frontage of lots and lands fronting on any street, lane, alley, place, or court, or their duly authorized agents, may petition the City Council to order any of the work mentioned in section two of this Act to be done, and the City Council may order the work mentioned in said petition to be done, after notice of its intention so to do has been posted and published as provided in section three of this Act.

SEC. 5. Before the awarding of any contract by the City Council for doing any work authorized by section two of this Act, the City Council shall cause notice to be posted conspicuously for five days on or near the Council Chamber door of said Council, inviting sealed proposals for the work contemplated. All proposals offered shall be accompanied by a check payable to the order of the Mayor of the city, certified by a responsible bank, for an amount which shall not be less than ten per cent of the aggregate of the proposal; or, if so prescribed by the City Council, by a bond for the said amount signed by the bidder and by two sureties, who shall justify before any officer competent to administer an oath, in double the said amount over and above all statutory exemptions. Said proposals shall be delivered to the Clerk of the said City Council, and said Council shall, in open session, examine and publicly declare the same; *provided, however*, that no proposal shall be considered unless accompanied by said check or bond satisfactory to the Council. The City Council may reject any and all bids, should it deem this for the public good, and also the bid of any party who has been delinquent and unfaithful in any former contract with the municipality, and shall reject all bids other than the lowest regular bid of any responsible bidder, and may award the contract for said work or improvement to the lowest responsible bidder at the prices named in his bid, and shall thereupon return to the proper parties the respective checks and bonds corresponding to the bids so rejected. But the check accompanying such accepted proposal or bids shall be held by the City Clerk of said city until the contract for doing said work as hereinafter provided has been entered into, either by said lowest bidder or by the owners of a major part of the frontage, whereupon said certified check shall be returned to said bidder. But if said bidder fails, neglects, or refuses to enter into the contract to perform said work or improvement, as hereinafter provided, then the certified check accompanying his bid, and the amount therein mentioned, shall be declared to be forfeited to said city, and shall be collected by it and paid into its fund for repairs of streets, and any bond forfeited may be prosecuted and the amount due thereon collected and paid into said fund. Notice of such awards of contract shall be posted for five days, in the same manner as hereinbefore provided for the publication of proposals for said work. The owners of the major part of the frontage of lots and lands upon the street whereon said work is to be done, which are liable to be assessed for said work, or their agents, and who shall make oath that they are such owners or agents, shall not be required to present sealed proposals, but may within ten days after the first posting of notice of said award elect to take said work, and enter into a written contract to do the whole work at the price at which the same has been awarded. Should the said owners fail to elect to take said work and to enter into a written contract therefor within said ten days, or to commence the work within fifteen days after the first publication of said award, and to prosecute the same with diligence to completion, it shall be the duty of the Superintendent of Streets to enter into a

contract with the original bidder to whom the contract was awarded, and at the prices specified in his bid. But if said original bidder neglects, fails, or refuses for fifteen days after the first posting of notice of the award to enter into the contract, then the City Council shall again advertise for proposals, as in the first instance, and award the contract for said work to the then lowest regular responsible bidder. The bids of all persons and the election of all owners as aforesaid who have failed to enter into contract as herein provided, shall be rejected in any bidding or election subsequent to the first, for the same work. If the owners or contractor who may have taken any contract do not complete the same within the time limited in the contract, or within such further time as the City Council may give them, the Superintendent of Streets shall report such delinquency to the City Council, which may relet the unfinished portion of said work, after pursuing the formalities prescribed hereinbefore for the letting of the whole. All contractors, contracting owners included, shall, at the time of executing any contract for street work herein, execute a bond to the satisfaction and approval of the Superintendent of Streets of said city, with two or more sureties, and payable to such city, in such sums as the said Mayor shall deem adequate, conditional for the faithful performance of the contract; and the sureties shall justify before any person competent to administer an oath in double the amount mentioned in said bond over and above all statutory exemptions. Before being entitled to a contract the bidder to whom award was made, or the owners who have elected to take the contract, must advance to the Superintendent of Streets for payment by him the cost of publication of the notices required hitherto under the proceedings prescribed in this Act.

SEC. 6. The Superintendent of Streets is hereby authorized, in his official capacity, to make all written contracts, and receive all bonds authorized by this Act, and to do any other act, either express or implied, that pertains to the Street Department under this Act; and he shall fix the time for the commencement, which shall not be more than fifteen days from the date of the contract, and for the completion of the work under all contracts entered into by him, which work shall be prosecuted with diligence from day to day thereafter to completion, and he may extend the time so fixed from time to time, under the direction of the City Council. The work provided for in section two of this Act must, in all cases, be done under the direction and to the satisfaction of the Superintendent of Streets, and the materials used shall comply with the specifications and be to the satisfaction of said Superintendent of Streets, and all contracts made therefor must contain a provision to that effect, and also express notice that, in no case, except where it is otherwise provided in this Act, will the city, or any officer thereof, be liable for any portion of the expense, nor for any delinquency of persons or property assessed. The City Council may, by ordinance, prescribe general rules directing the Superintendent of Streets and the contractor as to the materials to be used, and the mode of executing the work, under all con-

tracts thereafter made. The assessment and apportionment of the expenses of all such work or improvement shall be made by the Superintendent of Streets in the mode herein provided.

SEC. 7. Subdivision One—The expenses incurred for any work authorized by section two of this Act, which shall not include such portion of any street as is required by law to be kept in order or repair by any person or company having railroad tracks thereon, shall be assessed upon the lots and lands fronting thereon, except as hereinafter specifically provided; each lot or portion of a lot being separately assessed, in proportion to the frontage, at a rate per front foot sufficient to cover the total expenses of the work. But wherever the said assessment upon any lot or portion of a lot would exceed one-half the valuation of said lot, or portion of a lot, as it was last assessed for municipal taxation, then, unless the owner, or his attorney in fact, shall have previously filed with the Superintendent of Streets a written waiver of the partial exemption herein provided, the assessment and the lien thereof upon said lot or portion of a lot shall be only to the amount of one-half of said last preceding municipal valuation, and the proper remainder of said assessment shall be assessed to the city, and be payable out of the city treasury.

Subdivision Two—The expenses of all improvements, except such as are done by contractors, under the provisions of section thirteen of this Act, until the streets, street crossings, lanes, alleys, places, or courts, are finally accepted, as provided in section twenty of this Act, shall be assessed upon the lots and lands as provided in this section, according to the nature and character of the work; (and after such acceptance, the expense of all work thereafter done thereon shall be paid by said city out of the Street Department Fund).

Subdivision Three—The expense of work done on main street crossing shall be assessed at a uniform rate per front foot of the four quarter blocks adjoining and cornering upon the crossing, and separately upon the whole of each lot or portion of a lot having any frontage in the quarter blocks fronting on said main streets, but only according to its frontage in said quarter blocks.

Subdivision Four—Where a main street terminates in another main street, the expenses of the work done on one half of the width of the street opposite the termination shall be assessed upon the lots in each of the two quarter blocks adjoining and cornering on the same, according to the frontage of such lots on said main streets, and the expense of the other half of the width of said street, upon the lot or lots fronting on the latter half of the street opposite such termination.

Subdivision Five—Where any small or subdivision street crosses a main street, the expense of all work done on said crossings shall be assessed on all the lots or portions of lots half way on said small streets to the next crossing or intersection, or to the end of such small or subdivision street, if it does not meet another.

Subdivision Six—The expense of work done on small or subdivision street crossings shall be assessed upon the lots fronting upon such small streets, on each side thereof, in all directions, half way to the next street, place, or court, on either side, respectively, or to the end of such street, if it does not meet another.

Subdivision Seven—Where a small street, lane, alley, place, or court, terminates in another street, lane, alley, place, or court, the expense of the work done on one half of the width of the street, lane, alley, place, or court, opposite the termination, shall be assessed upon the lot or lots fronting on such small street, or lane, alley, place, or court, so terminating, according to its frontage thereon, half way on each side, respectively, to the next street, lane, alley, place, or court, or to the end of such street, lane, alley, place, or court, if it does not meet another; and the other one half of the width upon the lots fronting such termination.

Subdivision Eight—Where any work mentioned in section two of this Act (sewers, manholes, cesspools, culverts, crosswalks, crossings, curbing, grading, curbing, piling, and capping excepted) is done on one side of the center line of said streets, lanes, alleys, places, or courts, the lots or portions of the lots fronting on that side only shall be assessed to cover the expenses of said work, according to the provisions of this section.

Subdivision Nine—Section one of chapter three hundred and twenty-five of the laws of this State entitled an Act amendatory of and supplementary to an Act to provide revenue for the support of the government of this State, approved April twenty-ninth, eighteen hundred and fifty-seven, approved April nineteenth, eighteen hundred and fifty-nine, shall not be applicable to the provisions of this section, but the property herein mentioned shall be subject to the provisions of this Act, and to be assessed for work done under the provisions of this section.

Subdivision Ten—It shall be lawful for the owner or owners of lots or lands fronting upon any street, the width and grade of which have been established by the City Council, to perform at his own expense (after obtaining from the Council permission so to do, but before said Council has passed its resolutions of intention to order grading inclusive of this) any grading upon said street to its full width, and to its grade as then established, and thereupon to procure, at his own expense, a certificate from the City Engineer, setting forth the number of cubic yards of cutting and filling made by him or them in said grading, and the proportions performed by each owner, and that the same is done to the established width and grade of said street, and thereafter to file said certificate with the Superintendent of Streets, which certificate the Superintendent shall record in a book kept for that purpose in his office, properly indexed. Whenever thereafter the City Council orders the grading of said street, or any portion thereof, on which any grading certificated as aforesaid, has been done, the bids and the con-

tract must express the prices by the cubic yard for cutting and filling in grading; and the said owner and his successors in interest shall be entitled to credit on the assessment upon his lots and lands fronting on said street for the grading thereof, to the amount of the cubic yards of cutting and filling set forth in his said certificate, at the prices named in the contract for said cutting and filling, or if the grade meanwhile has been duly altered, only for so much of said certificated work as would be required for grading to the altered grade; *provided, however*, that such owner shall not be entitled to such credit as may be in excess of the assessments for grading upon the lots and lands owned by him and proportionately assessed for the whole of said grading; and the Superintendent of Streets shall include in the assessment for the whole of said grading upon the same grade the number of cubic yards of cutting and filling set forth in any and all certificates so recorded in his office, or for the whole of said grading to the duly altered grade so much of said certificated work as would be required for grading thereto, and shall enter corresponding credits, deducting the same as payments made upon the amounts assessed against the lots and lands owned respectively by said certificated owners and their successors in interest; *provided, however*, that he shall not so include any grading quantities, or credit any sums in excess of the proportionate assessments for the whole of the grading which are made upon any lots and lands fronting upon said street and belonging to any such certificated owners, or their successors in interest.

Subdivision Eleven—The City Council may include in one resolution of intention and order any of the different kinds of work mentioned in section two of this Act, and it may except therefrom any of said work already done upon the grade. The lots and portions of lots fronting upon said excepted work shall not be included in the frontage assessment for the class of work from which the exception is made; *provided*, that this shall not be so construed as to affect the special provisions as to grading contained in subdivision ten of this section.

SEC. 8. After the contractor of any street work has fulfilled his contract to the satisfaction of the Street Superintendent of the said city, or City Council on appeal, the Street Superintendent shall make an assessment to cover the sum due for the work performed and specified in said contracts (including any incidental expenses), in conformity with the provisions of the preceding section, according to the character of the work done; or, if any direction and decision shall be given by said Council on appeal, then, in conformity with such direction and decision, which assessment shall briefly refer to the contract, the work contracted for and performed, and shall show the amount to be paid therefor, together with any incidental expenses, the rate per front foot assessed, the amount of each assessment, the name of the owner of each lot, or portion of a lot (if known to the Street Superintendent); if unknown, the word "unknown" shall be written opposite the number of the lot, and the amount assessed thereon, the number of each lot or portion of a lot assessed, and shall have attached thereto a dia-

gram exhibiting each street or street crossing, lane, alley, place, or court, on which any work has been done, and showing the relative location of each distinct lot or portion of a lot to the work done, numbered to correspond with the numbers in the assessments, and showing the number of feet fronting assessed for said work contracted for and performed.

SEC. 9. To said assessment shall be attached a warrant, which shall be signed by the Superintendent of Streets, and countersigned by the Mayor of said city. The said warrant shall be substantially in the following form:

FORM OF THE WARRANT.

“By virtue hereof, I (name of Superintendent of Streets) of the City of ———, County of———, [or City and County of———,] and State of California, by virtue of the authority vested in me as said Superintendent of Streets, do authorize and empower (name of contractor) (his or their) agents or assigns, to demand and receive the several assessments upon the assessment and diagram hereto attached, and this shall be (his or their) warrant for the same.

“(Date.)

(Name of Superintendent of Streets.)

“Countersigned by (name of) Mayor.”

Said warrant, assessment, and diagram shall be recorded in the office of said Superintendent of Streets. When so recorded the several amounts assessed shall be a lien upon the lands, lots, or portions of lots assessed, respectively, for the period of two years from the date of said recording, unless sooner discharged; and from and after the date of said recording of any warrant, assessment, and diagram, all persons mentioned in section eleven of this Act shall be deemed to have notice of the contents of the record thereof. After said warrant, assessment, and diagram are recorded, the same shall be delivered to the contractor, or his agent or assigns, on demand, but not until after the payment to the said Superintendent of Streets of the incidental expenses not previously paid by the contractor, or his assigns; and by virtue of said warrant, said contractor, or his agents or assigns, shall be authorized to demand and receive the amount of the several assessments made to cover the sum due for the work specified in such contracts and assessments.

SEC. 10. The contractor, or his assigns, or some person in his or their behalf, shall call upon the persons assessed, or their agents, if they can conveniently be found, and demand payment of the amount assessed to each. If any payment be made the contractor, his assigns, or some person in his or their behalf, shall receipt the same upon the assessment in presence of the person making such payment, and shall also give a separate receipt if demanded. Whenever the person so assessed, or their agents, cannot conveniently be found, or whenever the name of the owner of the lot is stated as “unknown” on the assessment, then the said contractor, or his assigns, or some person in his or their behalf, shall publicly demand payment on the pre-

dues assessed. The warrant shall be returned to the Superintendent of Streets within thirty days after its date, with a return indorsed thereon, signed by the contractor, or his assigns, or some person in his or their behalf, verified upon oath, stating the nature and character of the demand, and whether any of the assessments remain unpaid, in whole or in part, and the amount thereof. Thereupon the Superintendent of Streets shall record the return so made, in the margin of the record of the warrant and assessment, and also the original contract referred to therein, if it has not already been recorded at full length in a book to be kept for that purpose in his office, and shall sign the record. The said Superintendent of Streets is authorized at any time to receive the amount due upon any assessment list and warrant issued by him, and give a good and sufficient discharge therefor; *provided*, that no such payment so made after suit has been commenced, without the consent of the plaintiff in the action, shall operate as a complete discharge of the lien until the costs in the action shall be refunded to the plaintiff; and he may release any assessment upon the books of his office, on the payment to him of the amount of the assessment against any lot with interest, or on the production to him of the receipt of the party or his assigns to whom the assessment and warrant were issued; and if any contractor shall fail to return his warrant within the time and in the form provided in this section, he shall thenceforth have no lien upon the property assessed; *provided, however*, that in case any warrant is lost, upon proof of such loss a duplicate can be issued, upon which a return may be made, with the same effect as if the original had been so returned. After the return of the assessment and warrant as aforesaid, all amounts remaining due thereon shall draw interest at the rate of ten per cent. per annum until paid.

SEC. 11. The owners, whether named in the assessment or not, the contractor, or his assigns, and all other persons directly interested in any work provided for in this Act, or in the assessment, feeling aggrieved by any act or determination of the Superintendent of Streets in relation thereto, or, who claim that the work has not been performed according to the contract in a good and substantial manner, or having or making any objection to the correctness or legality of the assessment or other act, determination, or proceedings of the Superintendent of Streets, shall, within thirty days after the date of the warrant, appeal to the City Council, as provided in this section, by briefly stating their objections in writing, and filing the same with the Clerk of said City Council. Notice of the time and place of the hearing, briefly referring to the work contracted to be done, or other subject of appeal, and to the acts, determinations, or proceedings objected to or complained of, shall be published for five days. Upon such appeal, the City Council may remedy and correct any error or informality in the proceedings, and revise and correct any of the acts or determinations of the Superintendent of Streets relative to said work; may confirm, amend, set aside, alter, modify, or correct the assessment in such manner as to them shall seem

just, and require the work to be completed according to the directions of the City Council ; and may instruct and direct the Superintendent of Streets to correct the warrant, assessment, or diagram in any particular, or to make and issue a new warrant, assessment, and diagram, to conform to the decisions of said City Council in relation thereto, at their option. All the decisions and determinations of said City Council, upon notice and hearing as aforesaid, shall be final and conclusive upon all persons entitled to appeal under the provisions of this section, as to all errors, informalities, and irregularities which said City Council might have remedied and avoided ; and no assessment shall be held invalid, except upon appeal to the City Council, as provided in this section, for any error, informality, or other defect in any of the proceedings prior to the assessment, or in the assessment itself, where notice of the intention of the City Council to order the work to be done, for which the assessment is made, has been actually published in any designated newspaper of said city for the length of time prescribed by law, before the passage of the resolution ordering the work to be done.

SEC 12. At any time after the period of thirty-five days from the day of the date of the warrant, as hereinbefore provided, or if any appeal is taken to the City Council, as is provided in section eleven of this Act, at any time after five days from the decision of said Council, or after the return of the warrant or assessment, after the same may have been corrected, altered, or modified, as provided in section eleven of this Act (but not less than thirty-five days from the date of the warrant), the contractor, or his assignee, may sue, in his own name, the owner of the land, lots, or portion of lots assessed, on the day of the date of the recording of the warrant, assessment, and diagram, or on any day thereafter, during the continuance of the lien of said assessment, and recover the amount of any assessment remaining unpaid, with interest thereon, as hereinbefore provided; and in all cases of recovery, under the provisions of this Act, the plaintiff shall recover the sum of fifteen dollars, in addition to the taxable costs, as attorneys' fees, but not any percentage upon said recovery. Suit may be brought in the Superior Court within whose jurisdiction the city is in which said work has been done, and in case any of the assessments are made against lots, portions of lots, or lands, the owners whereof cannot with due diligence be found, the service in each of such actions may be had in such manner as is prescribed in the Codes and laws of this State. The said warrant, assessment, and diagram, with the affidavit of demand and non-payment, shall be held prima facie evidence of the regularity and correctness of the assessment, and of the prior proceedings and acts of the Superintendent of Streets and City Council, upon which said warrant, assessment, and diagram are based, and like evidence of the right of the plaintiff to recover in the action. The Court in which such suit shall be commenced shall have power to adjudge and decree a lien against the premises assessed, and to order such premises to be sold on execution, as in other cases of the sale of real estate by the process

of said Courts; and on appeal the appellate Court shall be vested with the same power to adjudge and decree a lien, and to order such premises to be sold on execution or decree, as is conferred on the Court from which an appeal is taken. Such premises, if sold, may be redeemed as in other cases. In all suits, now pending, or hereafter brought, to recover street assessments, the proceedings therein shall be governed and regulated by the provisions of this Act, and also when not in conflict herewith by the Codes of this State. This Act shall be liberally construed to effect the ends of justice.

SEC. 13. Whenever any portion of any street, lane, alley, court, or place is said city, improved, or any sidewalk constructed thereon according to law, shall be out of repair and in condition to endanger persons or property passing thereon, or in condition to interfere with the public convenience in the use thereof, it shall be the duty of the said Superintendent of Streets to require, by notice in writing, to be delivered to them personally, or left on the premises, the owners or occupants of lots, or portions of lots, fronting on said portion of said street, lane, alley, court, or place, or of said portion of said walk so out of repair as aforesaid, to repair forthwith said portion of said street, land, alley, court, or place to the center thereof, or said sidewalk in front of the property of which he is the owner, or tenant, or occupant; and said Superintendent of Streets shall specify in said notice what repairs are required to be made. After the expiration of three days from the date of the service of said notice, the said Superintendent of Streets shall be deemed to have acquired jurisdiction to contract for the making of the repairs required by said notice. If said repairs be not commenced within three days after notice given as aforesaid, and diligently and without interruption prosecuted to completion, the said Superintendent of Streets may, under authority from said City Council, make such repairs, or enter into a contract with any suitable person, at the expense of the owner, tenant, or occupant, at a reasonable price, to be determined by said Superintendent of Streets, and such owner, tenant, or occupant shall be liable to pay the same. Upon the completion of said repairs by said contractors as aforesaid to the satisfaction of said Superintendent of Streets, said Superintendent of Streets shall make and deliver to said contractor a certificate to the effect that said repairs have been properly made by said contractor, and that the charges for the same are reasonable and just, and that he, said Superintendent, has accepted the same.

SEC. 14. If the expenses of the work and material for such improvements, after the completion thereof, and the delivery to said contractor of said certificate, be not paid to the contractor so employed, or his agent or assignee, on demand, the said contractor, or his assignee, shall have the right to sue such owner, tenant, or occupant, for the amount contracted to be paid; and said certificate of the Superintendent of Streets shall be prima facie evidence of the amount claimed for said work and materials, and of the right of the contractor to recover for the same in such action. Said certifi-

cate shall be recorded by the said Superintendent of Streets in a book kept by him in his office for that purpose, properly indexed, and the sum contracted to be paid shall be a lien, the same as provided in section nine of this Act, and may be enforced in the same manner.

SEC. 15. In addition, and as cumulative to the remedies above given, the City Council shall have power, by resolution or ordinance, to prescribe the penalties that shall be incurred by any owner or person liable, or neglecting, or refusing to make repairs when required, as required in section (13) thirteen of this Act, which fines and penalties shall be recovered for the use of the city by prosecution in the name of the people of the State of California, in the Court having jurisdiction thereof, and may be applied, if deemed expedient by the said Council, in the payment of the expenses of any such repairs not otherwise provided for.

SEC. 16. The person owning the fee, or the person in whom, on the day the action is commenced, appears the legal title to the lots and lands, by deeds duly recorded in the County Recorder's office of each county, or the person in possession of lands, lots, or portions of lots or buildings under claim, or exercising acts of ownership over the same for himself, or as the executor, administrator, or guardian of the owner, shall be regarded, treated, and deemed to be the "owner" (for the purpose of this law), according to the intent and meaning of that word as used in this Act. And in case of property leased, the possession of the tenant or lessee holding and occupying under such persons shall be deemed to be the possession of such owner.

SEC. 17. Any tenant or lessee of the lands or lots liable may pay the amount assessed against the property of which he is the tenant or lessee under the provision of this Act, or he may pay the price agreed on to be paid under the provision of section thirteen of this Act, either before or after suit brought, together with costs, to the contractor, or his assigns, or he may redeem the property, if sold on execution or decree for the benefit of the owner, within the time prescribed by law, and deduct the amount so paid from the rents due and to become due from him, and for any sums so paid beyond the rents due from him, he shall have a lien upon and may retain possession of the said land and lots until the amount so paid and advanced be satisfied, with legal interest, from accruing rents, or by payment by the owner.

SEC. 18. The records kept by the Superintendent of Streets of said city, in conformity with the provisions of this Act, and signed by him, shall have the same force and effect as other public records, and copies therefrom, duly certified, may be used in evidence with the same effect as the originals. The said records shall, during all office hours, be open to the inspection of any citizen wishing to examine them, free of charge.

SEC. 19. Notices in writing which are required to be given by the Superintendent of Streets, under the provisions of this Act, may be served by any person, with the permission of the Superintendent of Streets, and the fact of such service shall be verified by the oath of the person making

it, taken before the Superintendent of Streets (who, for that purpose, is hereby authorized to administer oaths), or other person authorized to administer oaths, or such notices may be delivered by the Superintendent of Streets himself, who must also verify the service thereof, and who shall keep a record of the fact of giving such notices, when delivered by himself personally, and also of the notices and proof of service when delivered by any other person.

SEC. 20. Whenever any street, or portion of a street, has been or shall hereafter be fully constructed to the satisfaction of the Superintendent of Streets and of the City Council, and is in good condition throughout, and a sewer, gas pipes, and water pipes are laid therein, under such regulations as the City Council shall adopt, the same shall be accepted by the City Council, by ordinance, and thereafter shall be kept in repair and improved by the said municipality; the expense thereof, together with the assessment for street work done in front of city property, to be paid out of a fund to be provided by said Council for that purpose; *provided*, that the City Council shall not accept of any portion of the street less than the entire width of the roadway (including the curbing), and one block in length, or one entire crossing; and, *provided further*, that the City Council may partially or conditionally accept any street, or portion of a street, without a sewer, or gas pipes, or water pipes therein, if the ordinance of acceptance expressly states that the Council deems such sewer, or gas pipes, or water pipes, to be then unnecessary, but the lots of land previously or at any time assessable for the cost of constructing a sewer, shall remain and be assessable for such cost, and for the cost of repairs and restoration of the street damaged in the said construction, whenever said Council shall deem a sewer to be necessary, and shall order it to be constructed, the same as if no partial or conditional acceptance had ever been made. The Superintendent of Streets shall keep in his office a register of all streets accepted by the City Council under this section, which register shall be indexed for easy reference thereto.

SEC. 21. The Superintendent of Streets shall keep a public office in some convenient place within the municipality, and such records as may be required by the provisions of this Act. He shall superintend and direct the cleaning of all sewers, and the expense of the same shall be paid out of the Street or Sewer Fund of said city.

SEC. 22. It shall be the duty of the Superintendent of Streets to see that the laws, ordinances, orders, and regulations relating to the public streets and highways be fully carried into execution, and that the penalties thereof are rigidly enforced. He shall keep himself informed of the condition of all the public streets and highways, and also of the public buildings, parks, lots, and grounds of said city, as may be prescribed by the City Council. He shall, before entering upon the duties of his office, give bonds to the municipality, with such sureties and for such sums as may be required by the City Council; and should he fail to see the laws, ordinances, orders,

and regulations relative to the public streets or highways carried into execution, after notice from any citizen of a violation thereof, he and his sureties shall be liable upon his official bond to any person injured in his person or property in consequence of said official neglect.

SEC. 23. If, in consequence of any graded street or public highway improved under the provisions of this Act, being out of repair and in condition to endanger persons or property passing thereon, any person while carefully using said street or public highway, and exercising ordinary care to avoid the danger, suffer damage to his person or property, through any such defect therein, no recourse for damages thus suffered shall be had against such city; but if such defect in the street or public highway shall have existed for the period of twenty-four hours or more after notice thereof to the said Superintendent of Streets, then the person or persons on whom the law may have imposed the obligations to repair such defect in the street or public highway, and also the officer or officers through whose official negligence such defect remains unrepaired, shall be jointly and severally liable to the party injured for the damage sustained; *provided*, that said Superintendent has the authority to make said repairs, under the direction of the City Council, at the expense of the city.

SEC. 24. The City Council of such city shall have full power and authority to construct sewers and manholes and provide for the cleaning of the same, culverts with crosswalks, or culverts, or crosswalks, or sidewalks, or any portion of any sidewalk, upon or in any street, lane, alley, court, or place in such city, of such materials, in such a manner, and upon such terms as it may deem proper. None of the work or improvements described in this section shall be stayed or prevented by any written or any other remonstrance or objection, unless such Council deems proper.

SEC. 25. The City Council may, in its discretion, repair and water streets, that shall have been graded, curbed, and planked, paved, or macadamized, and may build, repair, and clean sewers, and shall provide a Street Contingent Fund at the same time and in the same manner as other funds are provided, out of which to pay the costs and expenses of making said repairs, and watering said streets, and building, repairing, and cleaning said sewers; but whenever any unaccepted street or part of a street requires regrading, recurbing, repiling, repaving, replanking, regraveling, or remacadamizing, or requires new culverts, or new crosswalks, or new sidewalks, or new sewers, the work shall be advertised and let out by contract, and the costs and expenses thereof shall be assessed upon the property affected or benefited thereby, the same as in the first instance.

SEC. 26. The City Council may, in its discretion, order that the whole or any part of the cost and expenses of any of the work mentioned in section two of this Act be paid out of the treasury of the municipality from such fund as the Council may designate. Whenever a part of such cost and ex-

penses is so ordered to be paid, the Superintendent of Streets, in making up the assessment heretofore provided for such cost and expenses, shall first deduct from the whole cost and expenses such part thereof as has been so ordered to be paid out of the municipal treasury, and shall assess the remainder of said cost and expenses proportionately upon the lots, parts of lots, and lands fronting on the streets where said work was done, and in the manner heretofore provided. And whenever the City Council shall order to be done any of the work mentioned in section two of this Act, it shall be deemed to exercise its discretion mentioned in this section, and to include an order for the payment out of its treasury for the excess of any assessment for said work otherwise chargeable upon any lot, or portion of a lot, over and above one-half of the valuation of said lot, or portion of a lot, in its last preceding assessment for municipal taxation.

PART II.

SEC. 27. Whenever the City Council deem it necessary to construct a sewer, then the said Council may, in its discretion, determine to construct said sewer, and assess the costs and expenses thereof upon the property to be affected or benefited thereby, in such manner and within such assessment district as it shall prescribe, and the lien therefor upon said property shall be the same as is provided in section nine of this Act, or said Council may determine to construct said sewer and pay therefor out of the Street Contingent Fund.

SEC. 28. If, at any time, the City Council shall deem it necessary to incur any indebtedness for the construction of sewers, in excess of the money in the Street Contingent Fund applicable to the construction of such sewers, they shall give notice of a special election by the qualified electors of the city, to be held to determine whether such indebtedness shall be incurred. Such notice shall specify the amount of indebtedness proposed to be incurred, the route and general character of the sewer or sewers to be constructed, and the amount of money necessary to be raised annually by taxation for an interest and sinking fund as hereinafter provided. Such notice shall be published for at least three weeks in some newspaper published in such city, and no other question or matter shall be submitted to the electors at such election. If, upon a canvass of the votes cast at such election, it appear that not less than two-thirds of all the qualified electors voting at such election shall have voted in favor of incurring such indebtedness, it shall be the duty of the City Council to pass an ordinance providing for the mode of creating such indebtedness, and of paying the same; and in such ordinance provision shall be made for the levy and collection of an annual tax upon all the real and personal property subject to taxation, within such city, sufficient to pay the interest on such indebtedness as it falls due, and also to constitute a sinking fund for the payment of the prin-

cipal thereof, within a period of not more than twenty years from the time of contracting the same. It shall be the duty of the City Council in each year thereafter, at the time when other taxes are levied, to levy a tax sufficient for such purpose, in addition to the taxes authorized to be levied for city purposes. Such tax, when collected, shall be kept in the treasury as a separate fund, to be inviolably appropriated to the payment of the principal and interest of such indebtedness.

SEC. 29. If bonds are issued under the provisions of the last section, said bonds shall be in sums of not less than one hundred dollars nor more than one thousand dollars, shall be signed by the Mayor and Treasurer of the city, and the seal of the city shall be affixed thereto. Coupons for the interest shall be attached to each bond, signed by the Mayor and Treasurer. Said bonds shall bear interest, to be fixed by the City Council, at the rate of not to exceed five per cent per annum.

SEC. 30. Before the sale of said bonds, the Council shall, at a regular meeting, by resolution, declare its intention to sell a specified amount of said bonds, and the day and hour of such sale, and shall cause such resolution to be entered in the minutes, and shall cause notice of such sale to be published for fifteen days in at least one newspaper published in the city in which the bonds are issued, and one published in the City and County of San Francisco, and in any other newspaper in the State, at their discretion. The notice shall state that sealed proposals will be received by the Council for the purchase of the bonds on the day and hour named in the resolution. The Council, at the time appointed, shall open the proposals and award the purchase of the bonds to the highest bidder, but may reject all bids.

SEC. 31. The Council may sell said bonds, at not less than par value, without the notice provided for in the preceding section.

SEC. 32. The proceeds of the sale of the bonds shall be deposited in the city treasury, to the account of the Sewer Fund, but no payment therefrom shall be made, except to pay for the construction of the sewer or sewers for the construction of which the bonds were issued, and upon the certificate of the Superintendent of Streets and the City Engineer, that the work has been done according to contract.

SEC. 33. Whenever said Council shall determine to construct any sewer, and pay therefor out of the Street Contingent Fund, or by the issuance of bonds, as above provided, then said Council shall cause to be prepared plans and specifications of said work in sections, and shall advertise for twenty days in at least one newspaper published in the city in which the sewer is to be constructed, and one in the City and County of San Francisco, for sealed proposals for constructing said sewer. The work may be let in sections, and must be awarded to the lowest responsible bidder, the Council having the right to reject any and all bids. SUPPLEMENT CLXI.

ELECTION LAWS.

An Act to regulate the registration of voters and to secure the purity of elections in the City and County of San Francisco.

1877-8, 299.

[Approved March 18, 1878.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. The conduct, management, and control of elections and matters pertaining to elections in the City and County of San Francisco is hereby taken from the Board of Supervisors and vested in a Board of five Commissioners, who shall consist of the Mayor, the Auditor, the Tax Collector, the City and County Attorney, and the City and County Surveyor of said city and county, which Board is hereby invested with all the powers and charged with all the duties as to elections and matters pertaining to elections now vested in said Board of Supervisors. The Mayor shall be ex-officio President of the Board of Election Commissioners, and the Registrar of Voters hereafter provided for shall be ex-officio Secretary of said Board, and shall give advice and information to said Board when required by them so to do. Said Board shall meet and organize within twenty days after the passage of this Act, or sooner if practicable.

SEC. 2. The Board of Election Commissioners shall, as soon after each general election as convenient (not to exceed ninety days), proceed to divide said city and county into election precincts, of which there shall be so many as shall be sufficient to make the number of votes polled at any one election precinct to be not more than three hundred nor less than two hundred, as near as can be ascertained; *provided*, that the first division of said city and county into precincts under this Act shall be made as speedily as the same can be done after the organization of said Board.

SEC. 3. There shall be a "Registrar of Voters" for the city and county of San Francisco, to be appointed by the Governor of the State of California

from among the citizens of said city and county. His salary shall be thirty-six hundred dollars per annum, payable out of the treasury of said city and county as other salaries are paid, and he shall be allowed a clerk, who shall receive a salary of one hundred and fifty dollars per month, payable in the same manner, and such other necessary clerical assistance as shall be found necessary to the discharge of the duties of said office, to be allowed and authorized by the Board of Election Commissioners of said city and county. He shall have a suitable office provided for him by the said Board, and such allowance for stationery, printing, and incidental expenses as shall prove necessary. He shall give an official bond in the sum of ten thousand dollars, with two sureties to be approved by the County Judge, conditioned for the faithful performance of his duty.

SEC. 4. The Registrar of Voters, when appointed and qualified, shall be clothed with all the powers, discharge all the duties, and be liable to all the obligations and official consequences now belonging to, discharged by, or resting upon the County Clerk and Assessor of said city and county, with respect to the registration of voters and other matters pertaining to elections in said city and county, under the provisions of the Political Code of this State, so far as the same are not annulled by this Act. Said County Clerk, upon demand, shall transfer and deliver to said Registrar the Great Register, as well as other registers, records, books, documents, and things belonging or in anywise appertaining to the registration of voters or other election matters in said city and county, and from thenceforward said Clerk and Assessor shall cease to be charged with any registration or election duties, and the same shall rest upon and be discharged by the Registrar.

SEC. 5. Said Registrar shall keep his office open for business every day in the year (Sundays and legal holidays excepted), from nine o'clock A. M. till five o'clock P. M. He shall have the power to administer oaths to election officers and all other persons in the discharge of his duty.

SEC. 6. The Registrar shall constantly inform himself, by examination and inquiry, as to the condition of the precinct registers and the legality of the names therein, or demanding to be placed thereon, and shall see that none but legal voters are registered. Should the Registrar have reason to believe that any name or names upon the precinct register is improperly or illegally there, it shall be his duty forthwith to send a written or printed notice, by postal card or otherwise, to such person, directing the same to his address as found in the Directory, or in case his name is not in the Directory, then to the address of such person opposite the name on the register of the last preceding election at which such name was voted, requiring such person to show cause before the Board of Election Commissioners why said Commissioners shall not cancel said name. If such person fail for five days to appear and establish the legality of such name on the day fixed for the hearing, and on the certificate of the Registrar that notice and publication in accordance herewith has been made, the Board shall inquire into the case,

and if it appears to the satisfaction of the Board that such name is improperly upon the precinct register, then said Board shall make and enter an order directing the Registrar to cancel such name or names. But the parties may appear before said Board at the hearing and show cause against said order, and if the Board finds them properly registered, or entitled to registry, an order shall be made accordingly, which shall be final. The Board may designate any one of the Commissioners to hear and determine such matters.

SEC. 7. The Registrar shall keep in his office a list of all deaths occurring in said city and county of adult males, as well as of the deaths of such citizens as may come to his knowledge who may die elsewhere, to be alphabetically arranged for convenience of reference. Also, all removals or changes of residence, so far as he can learn the same, and commitments to prisons and insane asylums, with time and place, as well as such other information as shall be found useful and within his reach. It shall be the duty of all Clerks of Courts, Prison-keepers, Health Officers, and all other public officers and others, to furnish to said Registrar certified statements of such official facts within their knowledge necessary for him to obtain necessary or useful information in and about his said duty on demand.

SEC. 8. The Registrar of Voters, under and subject to the rules of the Board, must take charge of the business of placing the election officers, and at the last moment, when it is too late to call the Board together to fill vacancies, may select and appoint election officers for said purpose. Should any election officer fail to appear at the opening of any election, or at any time during the progress thereof, the officers in attendance may, subject to such rules as the Board of Commissioners shall provide, fill up the same by appointing any competent citizen. Any person refusing to serve, when so appointed, shall be liable to all the pains and penalties of this Act.

SEC. 9. The counting of votes, and all proceedings connected therewith, shall be in public, and citizens shall have free ingress and egress to and from the place where the same is being done.

SEC. 10. It is hereby made the duty of any and all voters in the city and county of San Francisco, persons holding office or employment under the United States, the State of California, or the city and county of San Francisco, or any of its departments, excepted, to serve as Judges, Inspectors, and Clerks, or other officers of election, whenever required to do so under the provisions of this Act.

SEC. 11. It shall be the duty of the Registrar to obtain from the tax list and register of voters of said city and county the names of the resident citizens of said city and county possessing the necessary qualifications to act as Judges, Inspectors, and Clerks of Election, taking care to select persons of good reputation and character, and have the same placed in a book so as readily to refer to the places of residence and the precinct in which they

vote. He shall take care that said list shows the names and residences of all taxpayers who reside in said city and county, and who are voters, and shall ascertain, as nearly as he can, the capabilities of such voters to act as election officers. If any of them are incompetent to serve by reason of infirmity and not otherwise, their names may be left off, but the reason must be noted.

SEC. 12. Said Board of Election Commissioners shall select all election officers provided for by law for said city and county, and shall appoint them to their respective places. They shall have the power to make any regulations and rules for the appointment or selections they may deem advisable, so as to secure integrity, impartiality and capacity for the work to be done; and if the list furnished them by the Registrar does not contain a sufficiency of names of respectable and fit persons for election officers, they must take measures to secure the names of proper persons, citizens and voters of said city and county, and to fill up all appointments as herein provided; *provided*, that in selecting election officers the Commissioners shall take care to select as nearly as possible an equal number of persons of opposite political faith and opinions to serve at each precinct.

SEC. 13. Each election officer under this Act shall be entitled to receive for his services the sum of two dollars per day while actually engaged in said work of receiving and counting votes, to be paid out of the treasury of said city and county in the manner now provided by law for the payment of such service, and no more; *provided*, that said Board of Commissioners may, in their discretion, raise the compensation of clerks for tallying, writing and other matters requiring special skill and qualifications, to such sum as they shall find necessary to secure such service, but not to exceed six dollars per day; *provided*, that such increased compensation shall, under no circumstances, be allowed to any Judge or Inspector; *and provided further*, that no person holding any office or employment under the United States, the State of California, of the city and county of San Francisco, or any of its departments, nor any candidate for office, or who shall have been either thereof within ninety days, shall be eligible to or be allowed to serve as an election or registration officer, clerk, or in any manner whatsoever at an election; *provided*, that the members of the Precinct Registration Boards shall receive for their services while acting upon the precinct registers the sum of forty dollars each, in full for such service.

SEC. 14. Each and every person selected by the Board of Election Commissioners shall be notified by the Registrar of Voters of the fact of his appointment. Such notice shall be in writing, or printed, and shall have printed thereon a copy of this section. Such person, on receipt of such notice, shall appear within the time fixed in the notice, but which shall not be less than five days, before the Registrar and any two of the Commissioners, for the purpose of examination, and if found qualified shall, unless excused by said Commissioners by reason of ill-health or other good and

sufficient cause, be bound to serve as such officer for the term of one year from the date of his appointment, unless previously excused or dismissed by the Board, and in case of neglect or refusal to comply with the above-mentioned requirements, or to serve or act, shall be liable to a penalty of five hundred dollars, recoverable by civil action in any Court of competent jurisdiction, in the name of said city and county, and when collected shall be paid into the treasury for the benefit of the Election Fund. And a failure on the part of any such person to present himself for examination and to comply with any of the requirements of this Act preliminary to receiving his certificate of appointment within the time prescribed, or to attend on the day of any registration, or revision or examination of registration, or the day of any election during said term, unless prevented by sickness or other sufficient cause (the burden of proof of which shall be upon the delinquent), shall be deemed a refusal within the meaning of this section.

SEC. 15. The registration of electors in the city and county of San Francisco shall hereafter be done by election or voting precincts, each precinct register being kept separate and distinct from all other precincts. The provisions of the Political Code requiring the keeping of a Great Register and ward registers shall no longer be applicable to said city and county. The provisions of said Code as to making and keeping the Great Register and as to the ward registers and the manner of entering the names of electors therein, and the substance and contents of said entries, and the alterations, changes, and cancellation thereof, as well as the proceedings and proof to enable voters to be registered in said Great and Ward Registers, and all other matters relating thereto, so far as the same are not in conflict or inconsistent with the provisions of this Act, are hereby made applicable to the precinct registers of said city and county authorized by this law. And said precinct registers shall be used at all elections in like manner and with like effect that ward registers were used before the passage of this Act; and no person shall vote at any election except he be legally registered upon the precinct register of the precinct in which he is a qualified voter.

SEC. 16. The registration of electors in the precinct registers in the city and county of San Francisco shall take place previous to each general State election as herein provided, and an elector properly enrolled therein, without being again enrolled, may vote at the general election ensuing his registration and at all special elections between said general election and the next general election, but not afterwards until re-registered according to law.

SEC. 17. In addition to the matters required by section one thousand and ninety-six of the Political Code to be entered in the register, the precinct registers in the city and county of San Francisco shall particularize the place of residence of each elector registered, by specifying the name of the street, avenue, or other location of the dwelling of such elector, with the number of such dwelling, if the same has a number, and if not, then with such a description of the place that it can be read-

ily ascertained and identified. If the elector be not the proprietor or head of the house, then it must show that fact, and upon what floor thereof, and what room such elector occupies in such house; all of which facts are to be ascertained from such elector in the manner required by law for proving the qualification of electors to entitle them to be registered. Any person making a false oath with respect to residence, as provided for in this section, shall be deemed guilty of perjury, and on conviction punished accordingly.

SEC. 18. A sufficient quantity of blanks for precinct registers for all the precincts of said city and county shall be prepared by said Registrar of Voters as soon as is practicable after his entry upon office, and as often as required by this Act thereafter, and kept at the office of said Registrar, so that voters may be registered upon application and proper proof according to law. Ninety days before each general election the Registrar shall commence the registration of all voters entitled thereto, who apply with the proper proof. Such voters shall be registered in the precinct registers for the precinct where they are entitled to vote, and not otherwise. Such registration shall continue at the office of the Registrar until the precinct registers are turned over to the Board of Precinct Registration, as is hereinafter provided for, when it shall cease at said office. Such registration shall be made subject to the rules herein provided for the Board of Precinct Registration.

SEC. 19. There shall be a Board of Precinct Registration in each precinct of said city and county, which shall be constituted in the following manner: The Board of Election Commissioners, as soon as is practicable after they shall have divided the city and county into election precincts, as herein before provided for, shall proceed, in the manner provided in section thirteen hereof, to appoint the one original Inspector and the two original Judges of Election provided for in section one thousand one hundred and forty-two of the Political Code for each precinct. Said Inspector and Judges shall serve for one year, unless otherwise ordered by the Commission, and in addition to acting as election officers at all the elections during the year, shall serve as precinct registering officers for enrolling the electors of their respective precincts on the precinct register thereof. All other election officers shall be appointed by the Board of Election Commissioners at such time as shall be necessary before the election.

SEC. 20. Said Boards of Precinct Registration shall meet in the places provided in their respective precincts for such purpose by the Registrar of Voters, commencing five days (not counting Sundays or legal holidays) before the day fixed by this Act for the cessation of the registration of electors in said city and county, and shall sit in open session from nine o'clock A. M. until ten o'clock P. M. of each day until the day of such cessation (Sundays and legal holidays excepted), to receive and act upon applications for registration on the part of the voters of said precinct. They shall organize by electing one of their number chairman. They shall receive the applications for registration of such male residents of their several election precincts as

then are, or on the day of election next following the day of making such application would be, entitled to vote therein, and who shall personally present themselves, and such only.

SEC. 21. It shall be the duty of the Registrar of Voters to provide suitable places in each precinct for the sessions of the Board of Precinct Registration. He also shall furnish them with blanks, stationery, and all other matters and things necessary to enable them to conveniently and speedily perform the duties devolving upon them under this Act. He shall also give such Boards his assistance and advice in organizing and conducting the registration of voters and other matters required of them by law, and shall visit said boards while engaged in said duty, and see that said proceedings are conducted according to law, and the registers made in due form. He shall be allowed free access to the precinct registers at all times, and within such reasonable limits as the Board of Election Commissioners shall prescribe; the public shall have access thereto in like manner.

SEC. 22. As soon as the Board of Precinct Registration shall have commenced their sittings for registration in the several precincts, as herein provided for, registration at the office of the Registrar shall cease, and the precinct registers shall be turned over by the Registrar to said respective Boards, who shall go on with the registration of voters at the places provided by law for them in their respective precincts until the time provided by law for registration to cease, when all registration shall stop, except in the cases specially provided for in section twenty-nine of this Act. It shall be the duty of the Board of Precinct Registration, in addition to their other duties, to carefully examine and revise the names of voters upon their several precinct registers, as turned over to them by the Registrar, and to ascertain if such names are the names of legal voters, properly on said precinct register and entitled to vote in said precinct.

SEC. 23. The Board of Precinct Registration shall keep the several precinct registers for such time as shall be necessary, not to exceed three days after the time for registration ceases according to law, during which time they shall hear and determine applications for registration in the excepted cases provided for in section twenty-nine of this Act. [Should be section twenty-eight.] They shall also make diligent examination and inquiry during said period as to the right of the respective voters who have been registered on said precinct register to such registration, and shall in all doubtful cases certify their doubts, with the reason thereof, to the Board of Election Commissioners for further action. All persons who are refused registration by the Registrar or by the Precinct Board can appeal to the Board of Election Commissioners, who shall hear and determine the same in a summary manner, so as not to delay the completion of the registers.

SEC. 24. When the Board of Precinct Registration have completed the examination and inquiry provided for in the preceding section, they shall

certify the precinct register, as is hereinafter provided, and deliver the same to the Registrar of Voters. Said delivery shall be made not later than three full days after the cessation of registration as provided by law. They shall at the same time prepare and duly certify a separate and distinct list, showing the names of all persons concerning whose right of registration they are in doubt, together with grounds or reasons for such doubt. Such list and certificate shall be delivered to the Registrar at the same time with the precinct register. Proper blanks shall be prepared and furnished by the Registrar for the purpose of making the return of doubtful names on the registers, and also blank certificates and all other necessary things for said purpose.

SEC. 25. The certificate to be attached to the precinct register shall be substantially in the following form, to wit:

Any legal voter who applied in time for enrollment on a precinct register, and through any fault or neglect of the Registrar or Board of Precinct Registration, or for want of time on the last day, he having duly applied on said day, has his name left off, may have the same put on afterward on showing that he applied in time, and that it was through no fault or neglect of his own that it was left off.

Any voter entitled to have his name on the precinct register under the terms of any of the three preceding subdivisions, and no others, may have the same placed upon the supplementary register provided for in the next section, within five days from the time herein provided for the cessation of enrollment on the precinct register. Any person who does not so apply within said time shall not be enrolled on the precinct register for said election; *provided*, that nothing in this section shall be deemed to prevent any lawful changes, additions and supplements to said precinct registers after the general election and prior to any special election thereafter to be made under the regulations fixed by the Board of Election Commissioners, and to be used at other than general elections.

SEC. 29. As soon as the Registrar shall receive the precinct register from any Board of Precinct Registration, he shall proceed with the greatest diligence to cause said precinct register to be printed, and the same shall be printed and copies of them posted in his office for public inspection within three days. He shall also proceed by means of clerks and other assistants, to be provided by the Board of Election Commissioners, to ascertain by inquiry and examination the correctness of said precinct registers, and to cancel all names not legally thereon, and shall prepare a supplemental list for each precinct showing the cancellations and additions to the regular list made after the publication of the same, which supplemental list shall be printed and posted in like manner five days before the election, after which

no changes shall be made; *provided*, that all cancellations and additions to the registers made by the Registrar shall be subject to the approval of the Board of Election Commissioners. In printing precinct registers each letter of the alphabet shall be commenced upon a new or separate page, and blank pages to a sufficient and proper number shall be left with printed headings only so as to allow for such additional names as are authorized by law to be written in by the Registrar supplementary to the printed names.

SEC. 30. Not less than ten days before the day for the sitting of the Board of Precinct Registration, the Registrar shall cause an advertisement to be printed for ten consecutive days in three daily morning and three daily evening (including the official paper) newspapers published in said city and county, giving notice to the voters of said city and county, that the time for the enrollment of voters on the precinct register will expire on a certain day, naming the day, fixed in this Act for the last day of registration, and inviting them to present themselves for registration at the place of the meeting of said Boards, which shall be named, within the time, under penalty of being debarred the privilege of voting at said election. Such notice shall specify the day upon which the precinct registration by the Board of Precinct Registration shall commence, and also the day upon which it is to end.

SEC. 31. Any elector who has been legally registered in the precinct register, provided he has not changed his residence or otherwise lost his right to vote in his precinct, shall not be required to renew such registration until the making up as herein provided of the precinct register for the next ensuing general election, after the election for which such registration was made, but may vote in such precinct at any election taking place before such general election. The precinct registers shall be printed in sufficient numbers to allow for their being used at all elections likely to occur before the next general election after the one then for which the registration is made, and all necessary changes or additional names shall be noted upon the register for each special election thereafter, or added in supplements thereto, conformatory so far as the same is applicable to the provisions of the law governing the making of the general election register. The Board of Election Commissioners are hereby empowered to make rules governing such supplemental registrations for special elections. The Board is also empowered to provide for and regulate all special elections occurring before the making of the first set of precinct registers under this Act, and for such elections the ward registers shall be used in the precincts, subject to such rules and regulations as the Board of Election Commissioners shall establish.

SEC. 32. The Registrar of Voters shall procure rooms or places both for the sitting of the Board of Precinct Registration as well as for polling places, subject to the approval of the Board of Election Commissioners both as to location and cost.

SEC. 33. All provisions for carrying out the registration and election laws in said City and County of San Francisco shall be made by the Board of Election Commissioners, and demands on the Treasury authorized or allowed by them for such purposes shall have the same force and effect as if authorized or allowed by the Board of Supervisors.

SEC. 34. All of the provisions of the Political Code touching the registration and qualifications of voters and the methods of calling, holding, and conducting elections in force in said city and county at the passage of this Act, shall continue in force therein, so far as they are not inconsistent with the provisions hereof.

SEC. 35. This Act takes effect from and after its passage.

SECTION 1. It shall hereafter be lawful for the State Central or other managing committee of any political party having a State organization, and for the city and county or other managing committee of any municipal or local party, before each election in this State to prepare and adopt, by engraving or otherwise, a ticket vignette, or heading, with an appropriate inscription, to be printed at the top of the ticket of the party, on the inside thereof, as a distinctive and characteristic heading thereto. Such vignette shall not be more than two inches high by four and a half inches wide, and, in addition to the device adopted, shall set forth legibly the fact that the ticket is the regular ticket of the party, with the name thereof. It shall also show the district, ward, or precinct where such ticket may be lawfully

voted. Said vignette and inscription shall stand at the head of the ticket, on the inside thereof, and be followed within a space not to exceed one-half of an inch, by the word "For" on the first line thereof, and the names of candidates and offices shall then be printed below in the order and manner provided for in section eleven hundred and ninety-one of the Political Code. The length of the tickets to be used at elections in this State hereafter shall, in case the length of tickets now allowed by law is insufficient to permit of the printing of such vignette, or heading, and have sufficient margin at the top and bottom, and not otherwise, be increased two inches in addition to the length prescribed by section one thousand one hundred and ninety-one of the Political Code, in order to allow space for said vignette and inscription.

Such ballot shall be kept by said Clerk on deposit, and from the time of such filing it shall be unlawful for any person to imitate, copy, or in any manner counterfeit the same. Any person violating the foregoing provision shall be deemed guilty of a misdemeanor, and on conviction punished accordingly.

SEC. 3. Any person who shall knowingly print, circulate, or distribute, any ticket, or tickets, ballot or voting paper, having therein, or thereon, the vignette, or an imitation of the vignette or inscription, of any ballot or ticket so filed with the County Clerk, but containing the name or names, of any candidate or candidates, other or different from the name or names, candidate or candidates, upon the ballot or ticket of such party, so filed or deposited with said Clerk, shall be deemed guilty of a misdemeanor, and on conviction punished accordingly; *provided*, that nothing in this Act shall be construed to interfere with the right of any elector to erase or insert any name or proposition upon said ticket, if done in writing.

SEC. 4. Hereafter all tickets, in addition to the matters provided for in section eleven hundred and ninety-one of the Political Code, and immediately above the word "For," as specified in said section, shall show the name or number of the district, ward, or precinct where the same is to be used, and if such name or number is not contained in the party vignette (as it must be if one is used), then the same shall be printed in capital letters, so as to take up not more than two inches of space, which in all cases shall be added to the lengths of the ticket as established by said section of the Political Code; *provided*, that the provision of this section shall not be compulsory except in the city and county of San Francisco.

Cultivated and uncultivated land of the same quality, and similarly situated, shall be assessed at the same value. A mortgage, deed of trust, contract, or other obligation by which a debt is secured, shall, for the purposes of assessment and taxation, be deemed and treated as an interest in the property affected thereby, except as to railroad and other quasi-public corporations. In case of debts so secured, the value of the property affected by such mortgage, deed of trust, contract, or obligation, less the value of such security, shall be assessed and taxed to the owner of the property, and the value of such security shall be assessed and taxed to the owner thereof, in the county, city, or district in which the property affected thereby is situated. Land shall be assessed in parcels or subdivisions not exceeding six hundred and forty acres each, and tracts of land containing more than six hundred and forty acres, which have been sectionized by the United States Government, shall be assessed by sections or fractions of sec-

tions. The Assessor must, between the first Mondays of March and July in each year, ascertain the names of all taxable inhabitants, and all property in his county subject to taxation, except such as is required to be assessed by the State Board of Equalization, and must assess such property to the persons by whom it was owned or claimed, or in whose possession or control it was at twelve o'clock M. of the first Monday of March next preceding; but no mistake in the name of the owner, or supposed owner of real property, shall render the assessment thereof invalid. In assessing solvent credits not secured by mortgage or trust deed, a reduction therefrom shall be made of debts due to bona fide residents of this State.

SEC. 3629. He must exact from each person a statement, under oath, setting forth specifically all the real and personal property owned by such person, or in his possession, or under his control, at twelve o'clock M. on the first Monday in March. No debt shall be so deducted unless the statement shows the amount of such debt as

stated under oath in aggregate; *provided*, in case of banks the statement is not required to show the debt in detail, or to whom it is owing; but the Assessor shall have the privilege of examining the books of such banks to verify said statement. Whenever one member of a firm, or one of the proper officers of a corporation, has made a statement showing the property of the firm, or corporation, another member of the firm, or another officer, need not include such property in the statement made by him; but his statement must show the name of the person or officer who made the statement in which such property is included.

The affidavit to the statement on behalf of a firm or corporation must state the principal place of business of the firm or corporation, and in other respects must conform, substantially, to the preceding form.

First—To require any person found within such Assessor's respective county to make and subscribe an affidavit, giving his name and place of residence.

Second—To subpoena and examine any person in relation to any statement furnished to him, or which discloses property which is assessable in his respective county; and he may exercise this power in any county where the persons whom he desires to examine may be found, but shall have no power to require such persons to appear before him in any other county than that in which the subpoena is served upon them. Every person who shall refuse to furnish the statement hereinbefore required in this chapter, or to make and subscribe such affidavit respecting his name and place of residence, or to appear and testify when requested so to do by the Assessor, as above provided, shall, for each and every refusal, and as often as the same is repeated, forfeit

to the people of the State the sum of one hundred dollars, in gold coin of the United States, to be recovered by action brought in their name by the respective Assessor in any Police or Justice's Court. In case such affidavit shall show the residence of the person making the same to be in any county other than that in which it is taken, or the statement shall disclose property in any county other than that in which it is made, the Assessor shall, in the respective case, file the affidavit or statement in his office, and transmit a copy of the same, certified by him, to the Assessor of the county in which such residence or property is therein shown to be. One-half of all moneys recovered by any Assessor under the provisions of this section must by him be paid into the Treasury of his county, and the other half may be retained by the Assessor for his own use.

SEC. 3633. If any person, after demand made by the Assessor, neglects or refuses to give, under oath, the statement herein provided for, or to comply with the other requirements of this title, the Assessor must note the refusal on the assessment book, opposite his name, and must make an estimate of the value of the property of such person; and the value so fixed by the Assessor must not be reduced by the Board of Supervisors.

SEC. 3634. When the Assessor has not received from the owner of a tract of land the statement required by section three thousand six hundred and twenty-nine, or when such statement does not sufficiently describe a tract of land to enable the Assessor to assess the same as required by law, and the owner or his agent, or in case they cannot be found or are unknown, the person in possession thereof, neglects for ten days after demand by the Assessor to furnish said Assessor with such description, the Assessor shall cite such owner, or agent, or person in possession, to appear before the Superior Court of the county wherein such land is situated, within five days after service of such citation, and the said Superior Court shall, upon the day named in such citation, to the exclusion of all other business, proceed to hear the return and answer of the said owner, or agent, or person in possession, to the said citation; and if the Court shall find that the land has not been surveyed or divided into subdivisions of six hundred and forty acres, or less, so that each part or parcel may be described by metes and bounds, then the Court shall, by order duly entered in open Court, direct the County Surveyor to make a survey, and define the boundaries and location of said land by parcels or subdivisions not exceeding six hundred and forty acres each, and deliver the same to the County Assessor. The expense of making such survey and description by the County Surveyor shall be a lien upon the land, and shall, when approved by the said Superior Court, be certified by said Court to the Tax Collector of the county where the land is situated, and be added to the taxes upon said land, and be collected as other taxes are collected.

SEC. 3635. If the owner or claimant of any property, not listed by another person, is absent or unknown, the Assessor must make an estimate of the value of such property.

SEC. 3636. If the name of the absent owner is known to the Assessor, the property must be assessed in his name; if unknown, the property must be assessed to "unknown owners."

SEC. 3637. The Assessor, as soon as he receives a statement of any taxable property situated in another county, must make a copy of such statement for each county in which the same is situated, and transmit the same, by mail or express, to the Assessor of the proper county, who must assess the same as other taxable property therein.

SEC. 3638. All personal property consigned for sale to any person within this State from any place out of this State must be assessed as other property.

SEC. 3639. When a person is assessed as agent, trustee, bailee, guardian, executor, or administrator, his representative designation must be added to his name, and the assessment entered on a separate line from his individual assessment.

SEC. 3641. The property of every firm and corporation must be assessed in the county where the property is situate, and must be assessed in the name of the firm or corporation.

SEC. 3642. The undistributed or unpartitioned property of deceased persons may be assessed to the heirs, guardians, executors, or administrators; and a payment of taxes made by either binds all the parties in interest for their equal proportions.

SEC. 3643. A ferryboat is a vessel traversing across any of the waters of the State, between two constant points, regularly employed for the transfer of passengers and freight, authorized by law so to do, and also any boat employed as a part of the system of a railroad for the transfer of passengers and freight, plying at regular and stated periods between two points. Where ferries connect more than one county, the wharves, storehouses, and all stationary property belonging to or connected with such ferries, must be assessed, and the taxes paid, in the county where located. The value of the franchise, and watercraft, and of all toll bridges connecting more than one county, must be assessed in equal proportions in the counties connected by such ferries or toll bridges.

SEC. 3644. All vessels, except ferryboats, which may be registered, of every class which are by law required to be registered, must be assessed, and the taxes thereon paid, only in the county, or city and county, where the same are registered, enrolled, or licensed.

SEC. 3645. Vessels registered, licensed, or enrolled out of and plying in whole or in part in the waters of this State, the owners of which reside in this State, must be assessed in this State.

SEC. 3646. All boats and small craft not required to be registered, must be assessed in the county where their owner resides.

SEC. 3647. Money and property in litigation in possession of a County Treasurer, of a Court, County Clerk, or Receiver, must be assessed to such Treasurer, Clerk, or Receiver, and the taxes be paid thereon under the direction of the Court.

SEC. 3648. Any property willfully concealed, removed, transferred, or misrepresented by the owner or agent thereof, to evade taxation, upon discovery must be assessed at not exceeding ten times its value, and the assessment so made must not be reduced by the Board of Supervisors.

SEC. 3649. Any property discovered by the Assessor to have escaped assessment for the last preceding year, if such property is in the ownership or under the control of the same person who owned or controlled it for such preceding year, may be assessed at double its value.

SEC. 3650. The Assessor must prepare an assessment book, with appropriate headings, alphabetically arranged, unless otherwise directed by the State Board of Equalization, in which must be listed all property within the county, and in which must be specified in separate columns, under the appropriate head:

1. The name of the person to whom the property is assessed.
2. Land, by township, range, section, or fractional section; and when such land is not a congressional division or subdivision, by metes and bounds, or other description sufficient to identify it, giving an estimate of the number of acres (not exceeding in each and every tract, six hundred and forty acres), locality, and the improvements thereon. When any tract of land is situate in two or more school, road, or other revenue district of the county, the part in each township or district must be separately assessed, together with the improvements thereon.
3. City and town lots, naming the city or town, and the number of the lot and block, according to the system of numbering in such city or town, and improvements thereon.
4. All personal property, showing the number, kind, amount, and quality; but a failure to enumerate in detail such personal property, does not invalidate the assessment.
5. The cash value of real estate, other than city or town lots.
6. The cash value of improvements on such real estate.
7. The cash value of city and town lots.
8. The cash value of improvements on city and town lots.
9. The cash value of improvements on real estate assessed to persons other than the owners of the real estate.
10. The cash value of all personal property, exclusive of money.
11. The amount of money.
12. The assessment of the franchise, roadway, roadbed, rails, and rolling stock of any railroad, as apportioned to his county by the State Board of Equalization; and also such other apportionments of such franchises, road-

ways, roadbeds, rails, and rolling stock as may be made by such Board, and furnished to him for the purpose of taxation in any district in his county. Taxable improvements owned by any person, firm, association, or corporation, located upon land exempt from taxation, shall, as to the manner of assessment, be assessed as other real estate upon the assessment roll. No value shall, however, be assessed against the exempt land, nor under any circumstances shall the land be charged with or become responsible for the assessment made against any taxable improvements located thereon.

13. The school, road, and other revenue districts in which each piece of property assessed is situated.

14. The total value of all property.

15. When any property, except that owned by a railroad or other quasi-public corporation, is subject to, or affected by a mortgage, deed of trust, contract or other obligation by which a debt is secured, he must enter, in the proper column, the value of such security, and deduct the same. In entering assessments containing solvent credits subject to deductions, as provided in section three thousand six hundred and twenty-eight of this Code, he must enter, in the proper column, the value of the debts entitled to exemption, and deduct the same. In making the deductions from the total value of property assessed, as above directed, he must enter the remainder in the column provided for the total value of all property for taxation. Each franchise must be entered on the assessment roll without combining the same with other property or the valuation thereof.

16. The figure one (1), in separate columns, opposite the name of every person liable to pay a poll tax.

17. Such other things as the State Board of Equalization may require. The State Board of Equalization may direct the book to be otherwise than alphabetically arranged in any county or city and county of this State.

* * * * *

SEC. 3651. The form of the assessment book shall be as directed by the State Board of Equalization, and in those counties, or cities and counties, for which said Board does not prescribe a different form, it must be substantially as follows:

[In the City and County of San Francisco the form is such as is directed by the State Board of Equalization.]

SEC. 3652. On or before the first Monday in July, in each year, the Assessor must complete his assessment book. He and his deputies must take and subscribe an affidavit in the assessment book, to be substantially as follows: "I, ———, Assessor of (or Deputy Assessor, as the case may be), ——— County, do swear that between the first Monday in March and the first Monday in July, eighteen hundred and ———, I have made diligent inquiry and examination to ascertain all the property within the county (or within the subdivision thereof assessed by me, as the case may be), subject to assessment by me, and that the same has been assessed on the assessment

book, equally and uniformly, according to the best of my judgment, information, and belief, at its full cash value; and that I have faithfully complied with all the duties imposed on the Assessor under the revenue laws; and that I have not imposed any unjust or double assessment through malice or ill-will, or otherwise; nor allowed any one to escape a just and equal assessment through favor, or reward, or otherwise." But the failure to take or subscribe such an affidavit, or any affidavit, will not in any manner affect the validity of the assessment.

SEC. 3653. The Assessor must, when directed so to do by the Board of Supervisors, in a map-book make a plan of the various blocks within any incorporated city or town, and mark thereon in each subdivision the name of the person to whom it is assessed.

SEC. 3654. As soon as completed, the assessment book, together with the map-book and statements, must be delivered to the Clerk of the Board of Supervisors, who must immediately give notice thereof and of the time the Board will meet to equalize assessments, by publication in a newspaper, if any is printed in the county; if none, then in such manner as the Board may direct; and in the meantime the assessment book must remain in his office for the inspection of all persons interested.

SEC. 3655. On the first Monday in July in each year the Assessor of each county must transmit to the State Board of Equalization a statement showing:

1. The several kinds of personal property;
2. The average and total value of each kind;
3. The number of live stock, number of bushels of grain, number of gallons of wines or liquors, number of pounds or tons of any article sold by the pound or ton;
4. When practicable, the separate value of each class of land, specifying the classes and the number of acres in each.

SEC. 3656. Every Assessor who fails to complete his assessment book, or who fails to transmit the statement mentioned in the preceding section to the State Board of Equalization, forfeits the sum of one thousand dollars, to be recovered on his official bond, for the use of the county.

SEC. 3657. Lands once described on the assessment book need not be described a second time, but any person claiming the same, and desiring to be assessed therefor, may have his name inserted with that of the person to whom such land is assessed.

SEC. 3658. The Board of Supervisors must provide maps for the use of the Assessor, showing the private lands owned or claimed in the county, and, if surveyed under authority of the United States, the divisions and subdivisions of the survey; if held under Spanish grants, the exterior boundaries of such grants and the number of acres claimed. Maps of cities and villages, or school districts, may in like manner be provided. The cost of making such maps is a county charge, and must be paid from the County General Fund.

SEC. 3659. On or before the first Monday in March in each year, the Surveyor General of the State and the Tide Land Commissioners must make out and transmit to the Assessor of each county where lands or lots he that may have been sold by the State, for which certificates of purchase, patents, or deeds have issued during the year preceding, certified lists of such lands or lots, giving a description thereof by congressional divisions or subdivisions, or lots and blocks, together with the names of the purchasers thereof.

SEC. 3660. The Assessor and his sureties are liable on his official bonds for all taxes on property within the county, which, through his willful failure or neglect, is unassessed.

SEC. 3661. The District Attorney must, after the Assessor completes the assessment book for the year, commence an action on the Assessor's bond for the amount of taxes lost from such willful failure or neglect.

SEC. 3662. On the trial of such action, the value of the property unassessed being shown, judgment for the amount of taxes that should have been collected thereon must be entered.

SEC. 3663. Water ditches constructed for mining, manufacturing, or irrigation purposes, and wagon or turnpike toll-roads, or telegraph lines, must be assessed the same as real estate by the Assessor of the county, at a rate per mile for that portion of such property as lies within his county.

SEC. 3664. The President, Secretary, or Managing Agent, or such other officer as the State Board of Equalization may designate, of any corporation, and each person, or association of persons, owning or operating any railroad in more than one county in this State, shall, on or before the first Monday in April of each year, furnish the said Board a statement, signed and sworn to by one of such officers, or by the person or one of the persons forming such association, showing in detail for the year ending on the first Monday in March in each year:—

1. The whole number of miles of railway in the State: and where the line is partly out of the State, the whole number of miles without the State, and the whole number within the State, owned or operated by such corporation, person, or association.

2. The value of the roadway, roadbed, and rails of the whole railway, and the value of the same within the State.

3. The width of the right of way.

4. The number of each kind of all rolling stock used by such corporation, person, or association in operating the entire railway, including the part without the State.

5. Number, kind, and value of rolling stock owned and operated in the State.

6. Number, kind, and value of rolling stock used in the State, but owned by the party making the returns.

7. Number, kind, and value of rolling stock owned, but used out of the State, either upon divisions of road operated by the party making the returns, or by and upon other railways.

Also, showing in detail for the year preceding the first of January:—

1. The gross earnings of the entire road.
2. The gross earnings of the road in the State, and where the railway is let to other operators, how much was derived by the lessor as rental.
3. The cost of operating the entire, exclusive of Sinking Fund, expenses of land department, and money paid to the United States.
4. Net income for such year, and amount of dividend declared.
5. Capital stock authorized.
6. Capital stock paid in.
7. Funded debt.
8. Number of shares authorized.
9. Number of shares of stock issued.
10. Any other facts the State Board of Equalization may require.

11. A description of the road, giving the points of entrance into and the points of exit from each county, with a statement of the number of miles in each county. When a description of the road shall once have been given no other annual description thereafter is necessary, unless the road shall have been changed. Whenever the road, or any portion of the road, is advertised to be sold, or is sold, for taxes, either State or county, no other description is necessary than that given by, and the same is conclusive upon, the corporation, person, or association giving the description. No assessment is invalid on account of a misdescription of the railway or the right of way for the same. If such statement is not furnished as above provided the assessment made by the State Board of Equalization upon the property of the corporation, person, or association failing to furnish the statement is conclusive and final.

SEC. 3665. The State Board of Equalization must meet at the State Capitol on the first Monday in August, and continue in open session from day to day, Sundays excepted, until the third Monday in August. At such meeting the Board must assess the franchise, roadway, roadbed, rails, and rolling stock of all railroads operated in more than one county. Assessment must be made to the corporation, person, or association of persons owning the same, and must be made upon the entire railway within the State, and must include the right of way, bridges, culverts, wharves, and moles upon which the track is laid, and all steamers which are engaged in transporting passengers, freights, and passenger and freight cars across waters which divide the road. The depots, stations, shops, and buildings erected upon the space covered by the right of way are assessed by the Assessor of the county wherein they are situate. Within ten days after the third Monday of August, the Board must apportion the total assessment of the franchise, roadway, roadbed, rails, and rolling stock of each railway to the counties, or cities and counties, in which

such railway is located, in proportion to the number of miles of railway laid in such counties, and cities and counties. The Board must also, within said time, transmit by mail to the County Auditor of each county, or city and county, to which such apportionment shall have been made, a statement showing the length of the main track of such railway within the county, or city and county, with a description of the whole of the said track within the county, or city and county, including the right of way by metes and bounds or other description sufficient for identification, the assessed value per mile of the same as fixed by a pro rata distribution per mile of the assessed value of the whole franchise, roadway, roadbed, rails, and rolling stock of such railway within the State, and the amount apportioned to the county, or city and county. The Auditor must enter the statement on the assessment roll or book of the county, or city and county, and where the county is divided into assessorial townships or districts, then on the roll or book of any township or district he may select, and enter the amount of the assessment apportioned to the county, or city and county, in the column of the assessment book or roll as aforesaid, which shows the total value of all property for taxation either of the county, city and county, or such township or district. On the first Monday in October the Board of Supervisors must make, and cause to be entered in the proper record book, an order stating and declaring the length of main track of the railway assessed by the State Board of Equalization within the county; the assessed value per mile of such railway, the number of miles of track, and the assessed value of such railway lying in each city, town, township, school, and road district, or lesser taxing district in the county, or city and county, through which such railway runs, as fixed by the State Board of Equalization, which shall constitute the assessment value of said property for taxable purposes in such city, town, township, school, road, or other district; and the Clerk of the Board of Supervisors must transmit a copy of each order of equalization to the City Council or Trustees, or other legislative body of incorporated cities or towns, the Trustees of each school district, and the authorized authorities of other taxation districts through which such railway runs. All such railway property shall be taxable upon said assessment, at the same rates, by the same officers, and for the same purposes, as the property of individuals within such city, town, township, school, road, and lesser taxation districts, respectively. If the owner of a railway assessed by the State Board of Equalization is dissatisfied with the assessment made by the Board, such owner may, at the meeting of the Board, under the provision of section three thousand six hundred and ninety-two of the Political Code, between the third Monday in August and the third Monday in September, apply to the Board to have the same corrected in any particular, and the Board may correct and increase or lower the assessment made by it, so as to equalize the same with the assessment of other property in the State. If the Board shall increase or lower any assessment previously made by it, it must make a statement to the County Auditor of the county affected by the change in the assessment, of the change made,

and the Auditor must note such change upon the assessment book or roll of the county as directed by the Board.

SEC. 3666. The State Board of Equalization must prepare each year a book, to be called "Record of Assessment of Railways," in which must be entered each assessment made by the Board, either in writing or by both writing and printing. Each assessment so entered must be signed by the Chairman and Clerk. The record of the apportionment of the assessments made by the Board to the counties, and cities and counties, must be made in a separate book, to be called "Record of Apportionment of Railway Assessments." In such last-described book must be entered the names of the railways assessed by the Board, the names of the corporation to which, or the name of the person or association to whom, each railway was assessed, the whole number of miles of the railway in the State, the number of miles thereof in each county, or city and county, the total assessment of the franchise, roadway, roadbed, rails, and rolling stock for the purposes of State taxation, and the amount of the apportionment of such total assessment to each county, and city and county, for county and city and county taxation. Before the third Monday of October of each year the Clerk of the State Board of Equalization must prepare and transmit to the Controller of State duplicates of the "Record of Assessment of Railways," and "Record of Apportionment of Railway Assessments," each certified by the Chairman and Clerk of the Board, and to be known respectively, as "Duplicate Record of Assessment of Railways" and "Duplicate Record of Apportionment of Railway Assessments." In the last-named duplicate two columns must be added, in one of which the Controller must enter the State taxes due the State upon the whole assessment by each corporation, person, or association, and in the other the county, or city and county, taxes due upon the assessment apportioned to each county, or city and county, by each corporation, person, or association. The two duplicates constitute the warrant for the Controller to collect the State and county, and city and county, taxes levied upon such property assessed by the Board, and the amount of the apportionment of the assessment to each county, and city and county, respectively.

SEC. 3667. When the Board of Supervisors of each county, and city and county, to which the State Board of Equalization has apportioned the assessment of railways shall have fixed the rate of county, or city and county, taxation, the Clerk of the Board of Supervisors must forthwith by mail, postage paid, transmit to the Controller a statement of the rate of taxation levied by the Board of Supervisors for county, or city and county, taxation. If the Clerk fails to transmit such statement, the Controller must obtain the information as to such rate of taxation from other sources. On or before the fourth Monday of October the Controller must compute and enter in separate money columns in the "Duplicate Record of Apportionment of Railway Assessments" the respective sums, in dollars and cents, rejecting fractions of a cent, to be paid by the corporation, person, or association liable therefor.

as the State tax upon the total amount of the assessment, and the county, or city and county, tax upon the apportionment of the assessment to each county, and city and county, of the property assessed to such corporation, person, or association named in said duplicate record.

SEC. 3668. Within ten days after the fourth Monday in October, the Controller must publish a notice for two weeks in one daily newspaper of general circulation at the State capital, and in two daily newspapers of general circulation published in the city of San Francisco, specifying:—

1. That he has received from the State Board of Equalization the "Duplicate Record of Assessments of Railways" and the "Duplicate Record of Apportionment of Railway Assessments."

2. That the taxes are now payable and will be delinquent on the last Monday in December next, at six o'clock P. M., and that unless paid to the State Treasurer at the Capitol prior thereto, five per cent. will be added to the amount thereof. On the last Monday of December of each year, at six o'clock P. M., all of unpaid taxes are delinquent, and thereafter there must be collected by the State Treasurer or other proper officer an addition of five per centum, which sum when collected must be set aside by the Treasurer as a fund with which to pay the contingent expenses of actions against any delinquents, the said expenses to be audited by the Board of Examiners. When any taxes are paid to the State Treasurer by order of the Controller, upon assessments made and apportioned by the State Board of Equalization, the Controller must forthwith notify the Auditor and Treasurer respectively of each county, and city and county, that such taxes have been paid, and of the amount thereof to which each county and city and county interested is entitled. The State's portion of the taxes must be distributed by the Treasurer to each fund entitled thereto, and the portion belonging to the counties, and cities and counties, must be placed in a fund, to be called "Railway Tax Fund," to the credit of each county, and city and county, entitled thereto. When any taxes are placed in the "Railway Tax Fund" to the credit of a county, or city and county, the Controller, at the next settlement with the Controller by the Treasurer of such county, or city and county, must draw and deliver to such Treasurer, his warrant upon the State Treasurer for the amount in the fund to the credit of such county, or city and county.

SEC. 3669. Each corporation, person, or association assessed by the State Board of Equalization must pay to the State Treasurer, upon the order of the Controller, as other moneys are required to be paid into the Treasury, the State and county, and city and county, taxes each year levied upon the property so assessed to it or him by said Board. Any corporation, person, or association, dissatisfied with the assessment made by the Board, upon the payment of the taxes due upon the assessment complained of, and the five per cent. added, if to be added, on or before the first Monday in February, and the filing of notice with the Controller of an intention to begin an action, may, not later than the first Monday of February, bring an action against the

State Treasurer for the recovery of the amount of taxes and percentage so paid to the Treasurer, or any part thereof, and in the complaint may allege any fact tending to show the illegality of the tax, or of the assessment upon which the taxes are levied in whole or in part. A copy of the complaint and of the summons must be served upon the Treasurer within ten days after the complaint has been filed, and the Treasurer has thirty days within which to demur or answer. At the time the Treasurer demurs or answers he may demand that the action be tried in the Superior Court of the county of Sacramento. The Attorney-General must defend the action. The provisions of the Code of Civil Procedure relating to pleadings, proofs, trials, and appeals are applicable to the proceedings herein provided for. If the final judgment be against the Treasurer, upon presentation of a certified copy of such judgment to the Controller he shall draw his warrant upon the State Treasurer, who must pay to the plaintiff the amount of the taxes so declared to have been illegally collected, and the cost of such action, audited by the Board of Examiners, must be paid out of any money in the General Fund of the Treasury, which is hereby appropriated; and the Controller may demand and receive from the county, or city and county, interested the proportion of such costs, or may deduct such proportion from any money then, or to become due to said county, or city and county. Such action must be begun on or before the first Monday in February of the year succeeding the year in which the taxes were levied, and a failure to begin such action is deemed a waive of the rights of action.

SEC. 3670. After the first Monday of February of each year, the Controller must begin an action in the proper court, in the name of the people of the State of California, to collect the delinquent taxes upon the property assessed by the State Board of Equalization; such suit must be for the taxes due the State, and all the counties, and cities and counties, upon property assessed by the Board of Equalization, and appearing delinquent upon the "Duplicate Record of Apportionment of Railway Assessments." The demands for State and county, and city and county, taxes may be united in one action. In such action a complaint in the following form is sufficient:—

(Title of Court.)

The People of the State of California

vs.

(Naming the defendant.)

Plaintiff avers that on the — day of —, in the year (naming the year), the State Board of Equalization assessed the franchise, roadway, roadbed, rails, and rolling stock of the defendant at the sum of (naming it) dollars. That the Board apportioned the said assessment as follows: To the county of (naming it) the sum of (naming it) dollars (and so on, naming each county).

That the defendant is indebted to plaintiff for State and county taxes for the year eighteen —, in the following sums: For State taxes, in the sum

of (naming it) dollars; for county taxes of the county of (naming it), in the sum of (naming it) dollars, etc., with five per cent added for non-payment of taxes. Plaintiff demands payment for said several sums, and prays that an attachment may issue in form as prescribed in section five hundred and forty of the Code of Civil Procedure.

(Signed by the Controller or his attorney.)

On the filing of such complaint, the Clerk must issue the writ of attachment prayed for, and such proceedings shall be had as under writs of attachments issued in civil actions; no bond nor affidavit previous to the issuing of the attachment is required. If in such action the plaintiff recover judgment, there shall be included in the judgment as counsel fees, and in case of judgment of taxes after suit brought but before judgment the defendant must pay as counsel fees such sum as the Court may determine to be reasonable and just. Payment of the taxes or the amount of the judgment in the case must be made to the State Treasurer. In such actions the Duplicate Record of Assessments of Railways and the Duplicate Record of Apportionment of Railway Assessments, or a copy of them, certified by the Controller, showing unpaid taxes against any corporation, person, or association for property assessed by the State Board of Equalization, is *prima facie* evidence of the assessment, the property assessed, the delinquency, the amount of the taxes due and unpaid to the State and counties, or cities and counties therein named, and that the corporation, person, or association is indebted to the people of the State of California in the amount of taxes, State and county, and city and county, therein appearing unpaid, and that all the forms of law in relation to the assessment and levy of such taxes have been complied with.

SEC. 3671. The assessment made by the County Assessor, and that of the State Board of Equalization, as apportioned by the Boards of Supervisors to each city, town, township, school, road, or other district in their respective counties, or cities and counties, shall be the only basis of taxation for the county, or any subdivision thereof, except in incorporated cities and towns, and may also be taken as such basis in incorporated cities and towns when the proper authorities may so elect. All taxes upon townships, road, school, or other local districts shall be collected in the same manner as county taxes.

CHAPTER IV.

EQUALIZATION OF TAXES.

ARTICLE I.

COUNTY BOARDS OF EQUALIZATION.

SEC. 3672. The Board of Supervisors of each county must meet on the first Monday of July in each year, to examine the assessment book and equal-

ize the assessment of property in the county. It must continue in session for that purpose from time to time until the business of equalization is disposed of, but not later than the fourth Monday in July.

SEC. 3673. The Board has power, after giving notice in such manner as it may, by rule, prescribe, to increase or lower the entire assessment roll, or any assessment contained therein, so as to equalize the assessment of the property contained in said roll, and make the assessment conform to the true value of such property in money.

SEC. 3674. No reduction must be made in the valuation of property, unless the party affected thereby, or his agent, makes and files with the Board a written application therefor, verified by his oath, showing the facts upon which it is claimed such reduction should be made.

SEC. 3675. Before the Board grants the application, or makes any reduction applied for, it must first examine, on oath, the person or the agent making the application, touching the value of the property of such person. No reduction must be made unless such person or the agent making the application attends and answers all questions pertinent to the inquiry.

SEC. 3676. Upon the hearing of the application the Board may subpoena such witnesses, hear and take such evidence in relation to the subject pending, as in its discretion it may deem proper.

SEC. 3677. During the session of the Board the Assessor and deputy whose testimony is needed must be present, and may make any statement, or introduce and examine witnesses on questions before the Board.

SEC. 3678. To assist the Assessor in the performance of his duties, the Recorder must annually transmit to the Assessor, on or before the first Monday in April, a complete abstract of all mortgages, deeds of trust, contracts, and other obligations by which any debt is secured, remaining unsatisfied on the records of his office, not barred by the statute of limitation, at twelve o'clock meridian, on the first Monday in March of said year. Such abstract shall be written under appropriate headings, to embrace all information requisite for the Assessor, in a book or books to be furnished by the Board of Supervisors upon the requisition of the Assessor. Should any such list be found to contain any instrument relating to lands situated in more than one county, it shall be the duty of the Assessor to transmit to the State Board of Equalization all information relating thereto; and it shall be the duty of the said Board to attach an apportionment of valuation of such instrument to be assessed in each county, and the Board shall transmit to the Assessor of each county mentioned as affected in said instrument a statement of valuation of assessment to be levied against said instrument in each county. The valuation so set by said Board shall be final, and the Assessor shall accept said valuation and charge said assessment upon said instrument accordingly. Should the said list contain any instrument mortgaging or pledging two or

more subdivisions of land, or land assessed in two or more subdivisions, in the same county, township, district, or city, the Assessor shall apportion the amount of assessment to be deducted from each subdivision on account of assessment against said instrument. Any assessment on a mortgage or deed of trust, which has been erroneously taxed to the mortgagee or party loaning the money, when the same has been paid or satisfied prior to the first Monday in March, shall be valid only as against the real estate from the assessment on which a deduction had been previously made. When partial payments have been made on a debt, secured by mortgage or deed of trust, the owner is authorized to make the proper deduction, listing only the balance due on the first Monday in March. When necessary, the Board of Supervisors of each county must provide for the payment of such additional clerical force as may be required to enable the County Recorder to comply with this section.

SEC. 3679. The Board must use the abstract and all other information it may gain from the records of the County Recorder or elsewhere, in equalizing the assessment of the property of the county, and may require the Assessor to enter upon the assessment book any property which has not been assessed; and any assessment made as prescribed in this section has the same force and effect as if made by the Assessor before the delivery of the assessment book to the Clerk of the Board.

SEC. 3681. During the sessions of the Board, it may direct the Assessor to assess any taxable property that has escaped assessment, or to add to the amount, number, or quantity of property when a false or incomplete list has been rendered, and to make and enter new assessments (at the same time canceling previous entries) when any assessment made by him is deemed by the Board so incomplete as to render doubtful the collection of the tax; but the Clerk must notify all persons interested, by letter deposited in the Post Office, or Express, post-paid, and addressed to the person interested, at least ten days before action taken, of the day fixed when the matter will be investigated.

SEC. 3682. The Clerk of the Board must record, in a book to be kept for that purpose, all changes, corrections, and orders made by the Board, and during its session, or as soon as possible after its adjournment, must enter upon the assessment book all changes and corrections made by the Board, and on or before the first Monday of August must deliver the assessment so corrected to the County Auditor, and accompany the same with an affidavit thereto affixed, subscribed by him, as follows:

"I, — —, do solemnly swear that, as Clerk of the Board of Supervisors of — — county, I have kept correct minutes of all the acts of the Board touching alterations in the assessment book; that all alterations agreed to or directed to be made have been made and entered in the book, and that no changes or alterations have been made therein except those authorized."

ARTICLE II.

STATE BOARD OF EQUALIZATION.

SEC. 3692. The powers and duties of the State Board of Equalization are as follows:

5. To annually assess the franchise, roadway, roadbed, rails, and rolling stock of all railroads operated in more than one county in this State, at their actual value, on the first Monday in March, at twelve o'clock m., and to apportion such assessment to the counties, and cities and counties, in which such railroads are located, in proportion to the number of miles of railway laid in such counties, and cities and counties, in the manner provided for in section three thousand six hundred and sixty-four of said Code.

6. To equalize the assessment of each mortgage, deed of trust, contract, or other obligation by which a debt is secured, and which affects property situate in two or more counties, and to apportion the assessment thereof to each of said counties.

7. To transmit to the Assessor of each county, or city and county, its apportionment of the assessments made by said Board upon the franchises, roadways, roadbeds, rails, and rolling stock of railroads; and also its apportionment of the assessments made by such Board upon mortgages, deeds of trust, contracts, and other obligations by which debts are secured, in the manner provided for in section three thousand six hundred and sixty-four of said Code.

8. To meet at the State Capitol on the third Monday in August, and remain in session from day to day (Sundays excepted), until the third Monday in September.

9. At such meeting to equalize the valuation of the taxable property of the several counties in this State for the purpose of taxation; and to that end, under such rules of notice to the Clerk of the Board of Supervisors of the county affected thereby as it may prescribe, to increase or lower the entire assessment roll, or any assessment contained therein, so as to equalize the assessment of the property contained in said roll, and make the assessment conform to the true value in money of the property assessed, and to fix the rate of State taxation, and to do the things provided in section three thousand six hundred and ninety three of said Code.

SEC. 3693. When, after a general investigation by the Board, the property is found to be assessed above or below its full cash value, the Board

may, without notice, so determine, and must add to or deduct from the valuation :

1. The real estate ;
2. Improvements upon such real estate ;
3. The personal property, except money, such per centum respectively as is sufficient to raise or reduce it to its full cash value.

SEC. 3698. Whenever the State Board of Equalization is satisfied that the Assessor or a Deputy Assessor of any county has knowingly, fraudulently, or corruptly assessed any property below its actual cash value, it must immediately inform the District Attorney of such county in writing of the facts that may have come to its knowledge, with a request that such Assessor or Deputy Assessor be prosecuted, and the District Attorney must at once comply with such request.

SEC. 3704. If the Board of Supervisors of any county fails or refuses either—1. To allow the Assessor to appoint a sufficient number of deputies to make the assessment; or, 2. To furnish the proper books or blanks for his use; or, 3. To furnish the Assessor necessary office room;—

Then the State Board of Equalization may, upon the application of the Assessor, make the allowance, or furnish the proper books, blanks or office room ; and all the expense incurred in carrying into effect the provisions of this section must, by the Secretary of the Board, be certified to the Controller, who must, in his next settlement with the County Treasurer of any such county, require such Treasurer to pay the amount out of any funds belonging to such county.

SEC. 3705. The State Board of Equalization may, by an order entered upon its minutes, and certified to the County Auditor of any county, extend, for not exceeding thirty days, the time fixed in this Title for the performance of any act.

CHAPTER V.

LEVY OF TAXES.

SEC. 3714. The Board of Supervisors of each county must, on the first Monday of October*, fix the rate of county taxes, designating the number of cents on each hundred dollars of property levied, for each fund, and must levy the State and county taxes upon the taxable property of the county ; *provided*, that it shall not be lawful for any Board of Supervisors of any county in

* In San Francisco the fourth Monday in June. See local Statute, post.

the State to levy, nor shall any tax greater than fifty cents on each one hundred dollars of property be levied and collected in any one year, to pay the bonded indebtedness, or judgment arising therefrom, of this State, or of any county or municipality in this State.

SEC. 3715. The action of the State Board of Equalization, in fixing the rate of taxation for State purposes, is, in the absence of action by the Board of Supervisors, a valid levy of the rate so fixed, and imposes upon the Auditor, Tax Collector, and all other officers charged with the performance of any duties under the Revenue Law, the same obligations as if the Board of Supervisors had made the levy at the proper time.

SEC. 3716. Every tax has the effect of a judgment against the person, and every lien created by this Title has the force and effect of an execution duly levied against all property of the delinquent; the judgment is not satisfied nor the lien removed until the taxes are paid or the property sold for the payment thereof.

SEC. 3717. Every tax due upon personal property is a lien upon the real property of the owner thereof, from and after twelve o'clock m. of the first Monday in March in each year. [In effect March 22, 1880.]

SEC. 3718. Every tax due upon real property is a lien against the property assessed; and every tax due upon improvements upon real estate assessed to others than the owner of the real estate, is a lien upon the land and improvements; which several liens attach as of the first Monday of March in each year.

SEC. 3719. The State Board of Equalization must levy, annually, at the time other State taxes are levied, a tax of such number of cents on each one hundred dollars value of taxable property in the State, as will produce a net sum equal to the amount reported to them by the Controller as being necessary to be raised by an ad valorem tax for school purposes; and the assessment and collection of said tax shall be performed in the same manner, and at the same time, as other State taxes are assessed and collected.

CHAPTER VI.

DUTIES OF THE AUDITOR IN RELATION TO REVENUE.

SEC. 3727. The County Auditor, as soon as the assessment book is delivered to him by the Clerk of the Board of Supervisors, must proceed to add up the valuations, and enter the total valuation of each kind of property, and the total valuation of all property, on the assessment book. The column of acres must show the total acreage of the county.

SEC. 3728. The Auditor must, on or before the third Monday in August of each year, prepare for the "assessment book" of such year, as corrected by the Board of Supervisors, duplicate statements, showing in separate columns:

1. The total value of all property.
2. The value of real estate.
3. The value of the improvements thereon.
4. The value of personal property, exclusive of money.
5. The amount of money.
6. The number of acres of land.

SEC. 3729. The Auditor must, as soon as such statements are prepared, transmit, by mail or express, one to the Controller of State and one to the State Board of Equalization.

SEC. 3730. As soon as the Auditor receives from the State Board of Equalization a statement of the changes made by the Board in the assessment roll of the county, or in any assessment contained therein, he must make the corresponding changes in the assessment roll, by entering the same in a column provided with a proper heading in the assessment book, counting any fractional sum, when more than fifty cents, as one dollar, and omitting it when less than fifty cents, so that the value of any separate assessment shall contain no fraction of a dollar; but he shall, in all cases, disregard any action of the Board of Supervisors which is prohibited by section three thousand six hundred and thirty-three of this Code.

SEC. 3731. The Auditor must then compute and enter in a separate money column in the assessment book, the respective sums in dollars and cents, rejecting the fractions of a cent, to be paid as a tax on the property therein enumerated, and foot up the column showing the total amount of such taxes, and the columns of total value of property in the county, as corrected under the direction of the State Board of Equalization.

SEC. 3732. On or before the fourth Monday of October, he must deliver a copy of the corrected assessment book, to be styled "duplicate assessment book," to the Tax Collector, with an affidavit attached thereto, and by him subscribed, as follows: "I, ———, Auditor of the County of ———, do swear that I received the assessment book of the taxable property of the county from the Clerk of the Board of Supervisors, with his affidavit thereto affixed, and that I have corrected it and made it conform to the requirements of the State Board of Equalization; that I have reckoned the respective sums due as taxes, and have added up the columns of valuations, taxes, and acreage, as required by law, and that the copy to which this affidavit is affixed is a full, true, and correct copy thereof, made in the manner prescribed by law."

SEC. 3733. The original assessment book must remain in the office of the Auditor.

SEC. 3734. On delivering the "Duplicate Assessment Book" to the Tax Collector, the Auditor must charge the Tax Collector with the full amount of the taxes levied, except the taxes due upon railway assessments made by the State Board of Equalization, and forthwith transmit by mail to the Controller of State a statement of the amount so charged.

SEC. 3735. The Auditor must verify, by his affidavit attached thereto, all statements made by him under the provisions of this Title.

SEC. 3736. The Auditor, if the "duplicate assessment book" or the delinquent tax list is transferred from one Collector to another, must credit the one and charge the other with the amount then outstanding on the tax list.

SEC. 3737. If the County Auditor fails or neglects to perform the duties prescribed by section three thousand seven hundred and twenty-eight and three thousand seven hundred and twenty-nine of the Political Code, he shall forfeit to the State five hundred dollars, to be recovered by action in the name of the State Board of Equalization.

SEC. 3738. The Board of Supervisors of any county may, in their discretion, dispense with the making or use of any duplicate assessment book mentioned in any part of this Code; and in all cases where said duplicate assessment book is referred to, it shall be lawful to use and consider the original assessment book in all the requirements of every part of this Code referring to the same, and all affidavits, or other statements in reference to said duplicate assessment book, shall be substantially worded to conform to the use of the original assessment book.

CHAPTER VII.

COLLECTION OF PROPERTY TAXES.

SEC. 3746. Within ten days after the receipt of the "duplicate assessment book," the Tax Collector must publish a notice, specifying :

1. That taxes will be delinquent on the last Monday in December next thereafter, at six o'clock P. M., and that unless paid prior thereto five per cent will be added to the amount thereof.

2. The time and place at which payment of taxes may be made.

SEC. 3747. In the City and County of San Francisco, and in the County of Los Angeles, the notice must specify the office of the Collector as the place where taxes may be paid.

SEC. 3748. In other counties the notice must specify a time and place within each township in the county when and where the Collector will attend to receive payment of taxes.

SEC. 3749. The notice in every case must be published for two weeks in some weekly or daily newspaper published in the county, if there is one ; or if there is not, then by posting it in three public places in each township.

SEC. 3750. The Tax Collector must mark the date of the payment of any tax in the assessment book, opposite the name of the person paying.

SEC. 3751. He must give a receipt to the person paying any tax, specifying the amount of the assessment and the tax paid, with a description of the property assessed.

SEC. 3752. The Superior Court must require every administrator or executor to pay out of the funds of the estate all taxes due from such estate ; and no order or decree for the distribution of any property of any decedent among the heirs or devisees must be made until all taxes against the estate are paid.

SEC. 3753. On the first Monday in each month the Tax Collector must settle with the Auditor for all moneys collected for the State or county, and pay the same to the County Treasurer, and on the same day must deliver to and file in the office of the Auditor a statement, under oath, showing :

1. An account of all his transactions and receipts since his last settlement ;
2. That all money collected by him as Tax Collector has been paid.

SEC. 3754. A Tax Collector refusing or neglecting for a period of five days to make the payments and settlements required in this Title, is liable for the full amount of taxes charged upon the assessment roll.

SEC. 3755. The District Attorney must bring suit against the Tax Collector and his sureties for such amount, and in case of neglect, the Controller of State or the Board of Supervisors may require him to do so ; and when the suit is commenced, no credit or allowance must be made to the Collector for the taxes outstanding.

SEC. 3756. On the last Monday in December of each year, at six o'clock P. M., all unpaid taxes are delinquent, and thereafter the Tax Collector must collect for the use of the county an addition of five per cent.

SEC. 3758. On the third Monday in January of each year, in each of the counties other than San Francisco, and on the first Monday in February of each year, in the City and County of San Francisco, the Tax Collector must attend at the office of the Auditor with the duplicate assessment book, and carefully compare the duplicate with the original assessment book, and every item marked "paid" in the former must be marked "paid" in the latter.

SEC. 3759. The Tax Collector must, at the time specified in the preceding section, deliver to the Auditor a complete "delinquent list" of all persons and property then owing taxes.

SEC. 3760. In the list so delivered must be set down in numerical or al-

phabetical order, all matters and things contained in the assessment book, and relating to delinquent persons or property.

SEC. 3761. The Auditor must carefully compare the list with the assessment book, and if satisfied that it contains a full and true statement of all taxes due and unpaid, he must foot up the total amount of taxes so remaining unpaid, credit the Tax Collector who acted under it therewith, and make a final settlement with him of all taxes charged against him on the assessment book, and must require from him the Treasurer's receipt, or if the Treasurer is the Collector, require from him an immediate account for any existing deficiency.

SEC. 3762. After settlement with the Tax Collector, as prescribed in the preceding section, the Auditor must charge the Tax Collector then acting with the amount of taxes due on the delinquent tax list, with the five per cent. added thereto, and within three days thereafter deliver the list, duly certified, to such Tax Collector.

SEC. 3763. Within ten days after the final settlement, the Auditor must transmit, by mail or express, a statement to the Controller of State, in such form as he requires, of each kind of property assessed and delinquent, and the total amount of delinquent taxes.

SEC. 3764. On or before the first Monday in February of each year, the Tax Collector in each of the counties other than San Francisco, and on or before the first Monday in March of each year in the City and County of San Francisco the Tax Collector of said city and county must publish the delinquent list, which must contain the names of the persons and a description of the property delinquent, and the amount of taxes and costs due, opposite each name and description, with the taxes due on personal property added to taxes on real estate, where the real estate is liable therefor, or the several taxes are due from the same person. The expense of the publication to be a charge against the county.

SEC. 3765. The Tax Collector must append and publish with the delinquent list a notice that unless the taxes delinquent, together with the costs and percentage, are paid, the real property upon which such taxes are a lien will be sold at public auction.

SEC. 3766. The publication must be made once a week for three successive weeks in some newspaper, or supplement thereto, published in the county, and the publication must be contracted for with the lowest bidder, and after ten days' public notice that such will be let. The bidding must be by sealed proposals. If there is no newspaper published in the county, then by posting a copy of the list in three public places in each township.

SEC. 3767. The publication must designate the time and place of sale.

SEC. 3768. The time of sale must not be less than twenty-one nor more than twenty-eight days from the first publication, and the place must be in

front of the County Court-house, or, if in the City and County of San Francisco, in or in front of the Tax Collector's office, for all State and county taxes; and for all other taxes, in front of the Tax Collector's office in their respective towns, cities and local districts.

SEC. 3769. The Collector, as soon as he has made the publication required by Sections 3764, 3765, 3766, and 3767, must file with the County Recorder and County Clerk respectively, a copy of the publication, with an affidavit attached thereto that it is a true copy of the same; that the publication was made in a newspaper or supplement thereto, stating its name and place of publication, and the date of each appearance; and in case there was no newspaper published in his county, that notices were put up in three public places in each of the townships, designating the township and places therein, which affidavit is primary evidence of all facts stated therein.

SEC. 3770. The Collector must collect, in addition to the taxes due on the delinquent list and five per centum added thereto, fifty cents on each lot, piece, or tract of land separately assessed, and on each assessment of personal property, one-half of which must go to the county and the other to the Collector in full for preparing the list.

SEC. 3771. On the day fixed for the sale, or on some subsequent day to which he may have postponed it, of which he must give notice, the Collector, between the hours of ten o'clock A. M. and three P. M., must commence the sale of the property advertised, commencing at the head of the list, and continuing alphabetically or in the numerical order of lots and blocks until completed.

SEC. 3772. He may postpone the day of commencing the sale, or the sale from day to day; but the sale must be completed within three weeks from the day first fixed.

SEC. 3773. The owner or person in possession of any real estate offered for sale for taxes due thereon, may designate, in writing, to the Tax Collector, prior to the sale, what portion of the property he wishes sold, if less than the whole; but if the owner or the possessor does not, then the Collector may designate it, and the person who will take the least quantity of the land, or in case an undivided interest is assessed, then the smallest portion of the interest, and pay the taxes and costs due, including fifty cents to the Collector for the duplicate certificate of sale, is the purchaser. But in case there is no purchaser in good faith for the same, as provided in this chapter, on the first day that the property is offered for sale, then when the property is offered thereafter for sale, and there is no purchaser in good faith of the same, the whole amount of the property assessed shall be struck off to the people of the State as the purchaser, and the duplicate certificate delivered to the County Treasurer, and filed by him in his office. No charge shall be made for the duplicate certificate when the State is a purchaser; and in such case the Tax Collector shall make an entry, "Sold to the State," on

the Duplicate Assessment Book opposite the tax, and he shall be credited with the amount thereof in his settlement, made pursuant to sections three thousand seven hundred and ninety-seven, three thousand seven hundred and ninety-eight, and three thousand seven hundred and ninety-nine of this Code.

SEC. 3774. If the purchaser does not pay the taxes and costs before ten o'clock A. M. of the following day, the property, on the next sale day, before the regular sale, must be resold for the taxes and costs.

SEC. 3775. The bid of any person refusing to make the payments for property purchased by him must not be received on the sale of any property advertised in the delinquent list of that year.

SEC. 3776. After receiving the amount of the taxes and costs, the Collector must make out in duplicate a certificate, dated on the day of sale, stating (when known) the name of the person assessed, a description of the land sold, the amount paid therefor, that it was sold for taxes, giving the amount and year of the assessment, and specifying the time when the purchaser will be entitled to a deed.

SEC. 3777. The certificate must be signed by the Collector, and one copy delivered to the purchaser, and the other filed in the office of the County Recorder.

SEC. 3778. The Collector, before delivering any certificate, must in a book enter a description of the land sold corresponding with the description in the certificate, the date of sale, purchaser's name, and amount paid, regularly number the descriptions on the margin of the book, and put a corresponding number on each certificate. Such book must be open to public inspection without fee, during office hours when not in actual use.

SEC. 3779. On filing the certificate with the County Recorder the lien of the State vests in the purchaser, and is only divested by the payment to him, or to the County Treasurer for his use, of the purchase money and fifty per cent. thereon.

SEC. 3780. A redemption of the property sold may be made by the owner or any party in interest within twelve months from the date of the purchase, or at any time prior to the giving of the notice and the application for a deed, as provided for in section thirty-seven hundred and eighty-five of this Code.

SEC. 3781. Redemption must be made in gold or silver coin, and when made to the County Treasurer, he must credit the amount paid to the person named in the Collector's certificate, and pay it on demand to the person or his assignees.

SEC. 3782. In each report the Treasurer makes to the Supervisors he must name the person entitled to redemption money, and the amount due to each.

SEC. 3783. On receiving the certificate of sale the Recorder must file it, and make an entry in a book similar to that required of the Collector.

SEC. 3784. On the presentation of the receipt of the person named in the certificate, or of the County Treasurer for his use, of the total amount of the redemption money, the Recorder must mark the word "Redeemed," the date, and by whom redeemed, on the certificate and in the margin of the book where the entry of the certificate is made.

SEC. 3785. If the property is not redeemed within the time allowed by law for its redemption, the Collector, or his successor in office, must make to the purchaser, or his assignee, a deed of the property, reciting in the deed substantially the matters contained in the certificate, and that no person has redeemed the property during the time allowed for its redemption. In counties where no fee for making said deeds is provided by law, the Collector shall be entitled to receive from the purchaser three dollars for making such deed. No charge must be made by the Collector for the making of any such deed where the State is a purchaser; and the acknowledgment of all said deeds, as provided in section three thousand seven hundred and seventy-three, shall be taken by the County Clerk free of charge; *provided*, however, that the purchaser of property sold for delinquent taxes, or his assignee, must, thirty (30) days previous to the expiration of the time for the redemption, or thirty days before he applies for a deed, serve upon the owner of the property purchased, or upon the person occupying the property, if said property is occupied, a written notice, stating that said property, or a portion thereof, has been sold for delinquent taxes; giving the date of sale, the amount of property sold, the amount for which it was sold, the amount then due, and the time when the right of redemption will expire, or when the purchaser will apply for a deed, and the owner of the property shall have the right of redemption indefinitely until such notice shall have been given and said deed applied for, upon the payment of the fees, percentages, penalties, and costs, required by law. In the case of unoccupied property, a similar notice shall be posted in a conspicuous place upon the property, at least thirty days before the expiration of the time for redemption, or thirty days before the purchaser applies for a deed; and no deed of the property sold at a delinquent tax sale shall be issued by the Tax Collector, or any other officer, to the purchaser of such property, until after such purchaser shall have filed with such Tax Collector, or other officer, an affidavit showing that the notice hereinbefore required to be given, has been given as herein required, which said affidavit shall be filed and preserved by the Tax Collector, as other files, papers, and records, kept by him in his office. Such purchaser shall be entitled to receive the sum of three dollars for the service of said notice and the making of said affidavit; which sum of three dollars shall be paid by the redemptioner at the same time and in the same manner as other costs, percentages, penalties, and fees are paid.

SEC. 3786. The matters recited in the certificate of sale must be recited in the deed, and such deed, duly acknowledged or proved, is primary evidence that:

1. The property was assessed as required by law;
2. The property was equalized as required by law;
3. The taxes were levied in accordance with law;
4. The taxes were not paid;
5. At a proper time and place the property was sold as prescribed by law, and by the proper officer;
6. The property was not redeemed;
7. The person who executed the deed was the proper officer;
8. Where the real estate was sold to pay taxes on personal property, that the real estate belonged to the person liable to pay the tax.

SEC. 3787. Such deed, duly acknowledged or proved, is (except as against actual fraud) conclusive evidence of the regularity of all other proceedings, from the assessment by the Assessor, inclusive, up to the execution of the deed.

SEC. 3788. The deed conveys to the grantee the absolute title to the lands described therein as of the date of the expiration of the period for redemption, free of all incumbrances, except the lien for taxes which may have attached subsequent to the sale, and except when the land is owned by the United States, or this State, in which case it is prima facie evidence of the right of possession, accrued as of the date of the expiration of such period for redemption. Deeds to the State of State lands sold for delinquent taxes shall be recorded by the Recorders of the several counties, as prescribed in section three thousand eight hundred and sixteen of this Code, and a copy of said deeds, duly certified by the County Recorder, and acknowledged before the County Clerk, shall, without delay, be filed in the office of the Surveyor-General, and thereupon the land shall again become subject to entry and sale, in the same manner and subject to the same conditions as apply to other State lands of like character, except that the former possessors of lands thus deeded to the State, their heirs or assigns, shall be preferred purchasers thereof for three months after the deeds are filed with the Surveyor-General, as prescribed in this section; but the Surveyor-General shall not permit an entry, nor make a sale of any lands thus deeded to the State, except, upon the previous payment into the State Treasury, in addition to the price of said lands as compared with the price fixed for other State lands of a like character, by the person or persons proposing to make the entry or purchase, of a sum equal to the delinquent taxes, costs, and penalties, by virtue whereof the State became a purchaser of the lands thus sought to be entered or purchased. The money thus paid into the State Treasury shall be distributed in the manner prescribed in section three thousand eight hundred and sixteen of this Code. In all cases where land has been heretofore sold for delinquent taxes, the deed therefor must be made within one

year and three months after this Act takes effect, and unless so made, the purchaser shall be deemed to have relinquished all his rights under such sale.

SEC. 3789. The Assessment Book, Duplicate Assessment Book, or Delinquent List, or a copy thereof certified by the County Auditor, showing unpaid taxes against any person or property, is prima facie evidence of the assessment, the property assessed, the delinquency, the amount of taxes due and unpaid, and that all the forms of law in relation to the assessment and levy of such taxes have been complied with.

SEC. 3790. The Tax Collector may, after the first Monday in February in each year, in each of the counties of this State, except in the City and County of San Francisco, and may, after the first Monday in March in each year, in said City and County of San Francisco, collect the taxes due on personal property, except when real estate is liable therefor, by seizure and sale of any personal property owned by the delinquent.

SEC. 3791. The sale must be at public auction, and of a sufficient amount of the property to pay the taxes, percentage, and costs.

SEC. 3792. The sale must be made after one week's notice of the time and place thereof, given by publication in a newspaper in the county, or by posting in three public places.

SEC. 3793. For seizing or selling personal property, the Tax Collector may charge in each case the sum of three dollars, and the same mileage as is allowed by law to the Sheriff of the county.

SEC. 3794. On payment of the price bid for any property sold, the delivery thereof, with a bill of sale, vests the title thereto in the purchaser.

SEC. 3795. All excess over the taxes, per cent., and costs of the proceeds of any such sale, must be returned to the owner of the property sold, and until claimed must be deposited in the County Treasury, subject to the order of the owner, heirs or assigns.

SEC. 3796. The unsold portion of any property may be left at the place of sale at the risk of the owner.

SEC. 3797. The Tax Collector must, annually, on the third Monday of March, attend at the office of the Auditor with the delinquent list, and the Auditor must then carefully compare the list with the assessments of persons and property not marked "Paid" on the assessment book, and when taxes have been paid, must note the fact in the appropriate column in the assessment book.

SEC. 3798. The Auditor must then administer to the Tax Collector an oath, to be written and subscribed in the delinquent list, that every person and all property assessed in the delinquent list on which taxes have been paid has been credited in the list with such payment.

SEC. 3799. The Auditor must then foot up the amount of taxes remaining unpaid, and credit the Tax Collector with the amount, and have a final settlement with him; and the delinquent list must remain on file in the Auditor's office. In the City and County of San Francisco, the Auditor must charge the Collector with the amount due on such list, and must return to such Collector the copy of the assessment book.

SEC. 3800. At the time mentioned in Section 3797, the Collector must make an affidavit, indorsed on the list, that the taxes not marked "Paid" have not been paid, and that he has not been able to discover any property belonging to, or in possession of, the persons liable to pay the same whereof to collect them.

SEC. 3803. Interest at the rate of two per cent per month must be collected on such delinquent taxes from the time they were first delinquent until paid.

SEC. 3804. Any taxes, per centum, and costs erroneously or illegally collected, may by the order of the Board of Supervisors, be refunded by the County Treasurer.

SEC. 3805. When the Collector discovers that any property has been assessed more than once for the same year, he must collect only the tax justly due, and make return of the facts under affidavit to the County Auditor.

SEC. 3806. If the Collector discovers before the sale that on account of irregular assessment, or of any other error, any land ought not to be sold, he must not offer the same for sale; and the Board of Supervisors must cause the Assessor to enter the uncollected taxes upon the assessment book of the next succeeding year, to be collected as other taxes entered thereon.

SEC. 3807. When land is sold for taxes correctly imposed as the property of a particular person, no misnomer of the owner, or supposed owner, or other mistake relating to the ownership thereof, affects the sale, or renders it void or voidable.

SEC. 3808. If any person removes from one county to another, after being assessed on personal property, the Collector of the county in which he was assessed may employ an attorney to sue for and collect the same in the Assessor's name.

SEC. 3809. On the trial a certified copy of the assessment, signed by the Auditor of the county where the same was made, with the affidavit of the Collector thereto attached, that the tax has not been paid, describing it as on the assessment book or delinquent list, is primary evidence that such tax and the per centum is due, and entitles him to judgment, unless the defendant proves that the tax was paid.

SEC. 3810. The Treasurer and Auditor must allow the expenses of collecting such tax, and permit a deduction thereof from the amount collected, if they do not exceed one-third of the amount of the tax collected.

SEC. 3811. Whenever property is advertised for sale for the non-payment of delinquent taxes, and the assessment is valid in part and void for the excess, the sale shall not for that cause be deemed invalid, nor any grant subsequently made thereunder be held to be insufficient to pass a title to the grantee, unless the owner of the property, or his agent, shall, not less than six days before the time at which the property is advertised to be sold, deliver to the Tax Collector a protest in writing, signed by the respective owner or agent, specifying the portion of the tax which he claims to be invalid, and the grounds upon which such claim is based.

SEC. 3812. In case any owner of property advertised to be sold for delinquent taxes shall, at least six days before the time advertised for the sale to take place, deliver to the Tax Collector his protest in writing against such sale, signed by himself or his agent, claiming that the assessment is void in whole or in part—and if in part only, for what portion, and in either case specifying the grounds upon which such claim is founded—it shall be the duty of the Tax Collector, either:

First—To sell the property assessed for the whole amount appearing upon the duplicate assessment book; or,

Second—Withdraw the property from sale, and report the case to the State Board of Equalization for its direction in the premises; and in such case the Board of Equalization may either direct the foreclosure of the lien of such tax by action, which proceeding is hereby authorized to be had, or direct the Collector to proceed with the sale.

SEC. 3813. In case property assessed for taxes is purchased by the State, pursuant to the provisions of section three thousand seven hundred and seventy-three of this Code, it shall be assessed the next year for taxes in the same manner as if it had not been so purchased. But it shall not be exposed for sale, and the sale thereof, under such assessment, shall be adjourned until the time of redemption, under the previous sale, shall have expired.

SEC. 3814. In case an assessment is made under the provisions of section three thousand eight hundred and thirteen of this Code, and the lands are not redeemed from a previous sale had under section three thousand seven hundred and seventy-three, as provided by law, no sale shall be had under the assessment authorized by said section three thousand eight hundred and thirteen, unless directed by the State Board of Equalization.

SEC. 3815. In case property is sold to the State as purchaser, pursuant to section three thousand seven hundred and seventy-three of this Code, and is subsequently assessed pursuant to section three thousand eight hundred and sixteen of this Code, no person shall be permitted to redeem from such sale, except upon payment also of the amount of such subsequent assessment, costs, fees, and interest.

SEC. 3816. Whenever property sold to the State, pursuant to the pro-

visions of this chapter, shall be redeemed as herein provided, the moneys received on account of such redemption shall be distributed as follows: The original tax and the fifty per cent. paid in redemption shall be apportioned between the State and county in the same proportion that the State tax bears to the county tax; the five per cent. additional, and the money received for delinquent poll tax, shall be paid to the county; the percentage allowed for the collection of the delinquent poll tax shall be paid to the Collector, and the costs to the parties entitled thereto. The County Treasurer shall keep an accurate account of all money paid in redemption of property sold to the State, and shall, on the first Monday of June, in each year, make a detailed report, verified by his affidavit, of each account, year for year, to the Controller of State, in such form as the Controller may desire. Whenever the State shall receive from the Tax Collector any grant of property so sold for taxes, the same shall be recorded, at the request of the County Treasurer, free of charge by the County Recorder, and shall be immediately reported by the County Treasurer to the State Board of Equalization.

SEC. 3817. In all cases where real estate has been or may hereafter be sold for delinquent taxes, and the State has become the purchaser, and has not disposed of the same, the person whose estate has been or may hereafter be sold, or his heirs, executors, administrators, or other successors in interest, shall at any time after the time of purchase thereof by the State, and before the State shall have disposed of the same, have the right to redeem such real estate by paying to the County Treasurer of the county wherein the real estate is situated the amount of taxes due thereon at the time of said sale, with interest thereon at the rate of seven per cent per annum; and also all taxes that were a lien upon said real estate at the time said taxes became delinquent; and also for each year since the sale for which taxes on said land have not been paid, an amount equal to the percentage of State and county tax for that year, upon the value of said real estate assessed for the year of the sale, with interest from the first day of January of each of said years respectively, at the same rate; and also all costs and expenses, and twenty-five per cent penalty, which may have accrued by reason of such delinquency and sale, and the costs and expenses of such redemption, as hereinafter specified. The County Auditor shall, on the application of the person desiring to redeem, make an estimate of the amount to be paid, and shall give him triplicate certificates of the amount, specifying the several amounts thereof, which certificates shall be delivered to the County Treasurer, together with the money; and the County Treasurer shall give triplicate receipts, written or indorsed upon said certificates, to the redemptioner, who shall deliver one of said receipts to the State Controller and one to the County Auditor, taking their receipts therefor. The County Treasurer shall settle for the moneys received as for other State and county moneys. The County Auditor shall be paid by the redemptioner for making out said estimates the sum of two dollars. Upon the payment of the money specified in said certificate, and the giving of the receipts

aforesaid by the Treasurer, Controller, and Auditor, any deed or certificate of sale that may have been made to the State shall become null and void, and all right, title, and interest acquired by the State under or by virtue of the tax sale shall cease and determine. The receipts of the County Treasurer, Controller, and County Auditor may be recorded in the Recorder's office of the county in which said real estate is situated, in the book of deeds, and the records thereof shall have the same effect as that of a deed of reconveyance of the interest conveyed by said deed or certificate of sale. This act shall not apply to school lands when the full amount of one dollar and twenty-five cents per acre has not been paid to the State therefor.

CHAPTER VIII.

COLLECTION OF TAXES BY THE ASSESSOR ON CERTAIN PERSONAL PROPERTY.

SEC. 3820. The Assessor must collect the taxes on all personal property when, in his opinion, said taxes are not a lien upon real property sufficient to secure the payment of the taxes; *provided*, that in the City and County of San Francisco the Tax Collector shall collect such taxes at any time after the assessment.

SEC. 3821. In the case provided for in the preceding section at the time of making the assessment, or at any time before the first Monday of July, the Assessor may collect the taxes by seizure and sale of any personal property owned by the person against whom the tax is assessed.

SEC. 3822. The provisions of Sections 3791, 3792, 3793, 3794, 3795 and 3796 apply to such seizure and sale.

SEC. 3823. The Assessor and Collector are governed as to the amount of taxes to be by him collected on personal property, by the State and county rate of the previous year.

SEC. 3824. When the rate is fixed for the year in which such collection is made, then, if a sum in excess of the rate has been collected, such excess shall not be apportioned to the State, but the whole thereof shall remain in the county treasury, and must be repaid by the County Treasurer to the person from whom the collection was made, or to his assignee, on demand therefor.

SEC. 3825. If a sum less than the rate fixed has been collected, the deficiency must be collected as other taxes on personal property are collected.

SEC. 3826. The Assessor, on the first Monday of each month, must make a settlement with the Auditor, and must pay into the County Treasury all moneys collected by him for such taxes during the preceding month, less the compensation allowed him for making such collection.

SEC. 3827. The Auditor must, as soon as the "assessment book" for the year comes into his hands, note opposite the names of each person from whom taxes have been collected the amount thereof.

SEC. 3828. As soon as the rate of taxation for the year is fixed, the Auditor must note, in connection with the entry made under the provisions of the preceding section, the amount of the excess or deficiency.

SEC. 3829. For services rendered in the collection of taxes under section three thousand eight hundred and twenty, the Assessors of the several counties shall receive six per cent on the amount by him collected; *provided*, that all fees or commissions collected under this or any other act by the salaried officers, except in the collection of poll taxes in and for the City and County of San Francisco, shall be by said officers paid into the County Treasury for the use of said city and county.

SEC. 3830. In every county in this State where any officer other than the Assessor is charged with the collection of taxes upon personal property, not a lien upon real property, such officer must, until after the expiration of the term of the present incumbent, discharge the duties cast upon the Assessor under the provisions of this chapter.

CHAPTER IX.

POLL TAXES.

SEC. 3839. Every male inhabitant of this State, over twenty-one and under sixty years of age, except paupers, insane persons, and Indians not taxed, must annually pay a poll tax of two dollars; *provided*, the same be paid between the first Monday in March and the first Monday in July; but if not paid prior to the first Monday in July, then it shall be three dollars; *provided further*, that nothing herein shall affect any laws imposing a greater poll tax upon inhabitants ineligible to citizenship.

SEC. 3840. Poll tax must be collected by the Assessors between the first Monday in March and the second Monday in January of the ensuing year.

SEC. 3841. The County Treasurer must, before the first Monday of March and the first Monday in July of each year, cause to be printed, respectively, of two and three dollars, blank poll tax receipts, a sufficient number for the use of the Assessor.

SEC. 3842. The style of such blanks must be changed every year.

SEC. 3843. The Treasurer must, before the first Monday in March of each year: First—Number and sign the two-dollar blanks, and before the first Monday in July, number and sign the three-dollar blanks. Second—At the time of signing make an entry of the whole number thereof, and of the

first and last number placed thereon, in a book kept by him for that purpose. Third—Deliver all such blanks to the Auditor, and charge him therewith.

SEC. 3844. The Auditor upon the receipt thereof must sign the same, and make in a book to be kept by him for that purpose a similar entry to that prescribed in Subdivision 2 of the preceding section.

SEC. 3845. He must, at any time after the first Monday in March and the first Monday in July, upon demand, deliver to the Assessor, in their order, the two and three-dollar blanks, and charge him therewith.

SEC. 3846. The Assessor must demand payment [of] poll tax of every person liable therefor, and on the neglect or refusal of such person to pay the same, he must collect by seizure and sale of any personal property owned by such person.

SEC. 3847. The sale may be made after three hours verbal notice of time and place, and the provisions of sections thirty-seven hundred and ninety-one, thirty-seven hundred and ninety-three, thirty-seven hundred and ninety-four, thirty-seven hundred and ninety-five, and thirty-seven hundred and ninety-six, apply to such seizure and sale.

SEC. 3848. Every person indebted to one who neglects or refuses, after demand, to pay a poll tax, becomes liable therefor, and must pay the same for such other person after service upon him by the Collector of a notice in writing, stating the name of such person.

SEC. 3849. Every officer authorized to draw the warrants for or to pay the salary or fees of any officer is the debtor of such officer within the meaning of the preceding section.

SEC. 3850. Every person paying the poll tax of another may deduct the same from any indebtedness to such other person.

SEC. 3851. The Assessor must deliver the poll tax receipt, filled out with the name of the person owning the taxes, to the purchaser of property at any such sale; in other cases he must deliver it, filled out in like manner, to the person paying the tax.

SEC. 3852. The receipt so delivered is the only evidence of payment.

SEC. 3853. On the first Monday in each month the Assessor must make oath before the Auditor, of the total amount of poll taxes collected by him during the last preceding month, and must, at the same time, settle with the Auditor for the same, and pay into the County Treasurer's office the total amount of poll taxes collected, less the percentum allowed for fees.

SEC. 3854. On the first Monday in July the Assessor must return to the Auditor all two-dollar blank poll tax receipts received by him and not used, and pay to the Treasurer the total amount collected and not before paid in, less the amount of his fees, and the Auditor must deliver to him the three-dollar receipts; and on the second Monday in January of each year he must

return to the Auditor all the three-dollar poll tax receipts received by him and not used, and must make final settlement with the Auditor and Treasurer therefor.

SEC. 3855. The Auditor must, as soon as the settlement is made, return to the Treasurer the receipts not used.

SEC. 3856. The Treasurer must credit the Auditor with the receipts so returned, and must thereupon seal them up securely and deposit and keep them in his office.

SEC. 3857. The Assessor must keep a roll of the names and local residence, or place of business, of all persons subject to or liable for poll tax, and, if paid, date and amount of each payment, and, if not paid, cause of non-payment; *provided*, that no person shall be returned as delinquent on such roll unless a demand has been made upon him in person or through the post-office.

SEC. 3858. On the third Monday in January of each year the Assessor must deliver to the Auditor the roll so made up, and the Auditor must add to the total poll tax delinquent on such roll thirty-three and one-third per centum additional, and without delay deliver such list to the Tax Collector, and charge the Collector therewith.

SEC. 3860. If any person, assessed for a property tax, has not paid to the Assessor the poll tax due from him, or for which he is liable, it, with thirty-three and one-third per cent. in addition thereto, constitutes a lien upon the property assessed to such person, to attach from the first Monday in March in each year, and must be collected in the same manner and at the same time as delinquent taxes are collected.

SEC. 3861. The proceeds of the poll tax must be paid to the County Treasurer, as provided by law, for the exclusive use of the State School Fund, and shall, by such Treasurer, be paid to the State as other moneys belonging to the State.

SEC. 3862. The Assessor, for services rendered in the collection of poll taxes, shall receive the sum of fifteen per cent.; and the Collector, for services rendered in the collection of poll taxes on the delinquent list (including the publication), shall receive the sum of twenty-five per cent. on all delinquent poll tax collected by him.

CHAPTER X.

SETTLEMENTS WITH THE CONTROLLER AND PAYMENTS INTO THE STATE TREASURY.

SEC. 3865. The Treasurers of the respective counties must at any time upon the order of the Controller and Treasurer of State, settle with the

Controller, and pay over to the Treasurer all moneys in their possession belonging to the State.

SEC. 3866. The Treasurers of the Counties of Alameda, Amador, Contra Costa, Calaveras, El Dorado, Nevada, Placer, Sierra, Solano, Yolo, San Francisco, Sacramento, San Joaquin, Santa Clara, Tuolumne, and Yuba, respectively, must, between the fifteenth and thirtieth days of January, April, July, and October, of each year, and the County Treasurers of the Counties of Humboldt, Del Norte, and Modoc must, between the fifteenth and thirtieth days of October and April, in each year, and the County Treasurers of other counties of this State must, between the fifteenth and thirtieth days of January and June, respectively, in each year, proceed to the State Capital and settle in full with the Controller of State, and pay over in cash to the Treasurer of State, all funds which have come into their hands, as County Treasurers, before the close of business at the end of the previous month. If, in the opinion of the Controller of State, it appears from the report of the County Auditor that sufficient property tax has not been collected to make it for the interest of the State that a settlement should be made, the Controller shall defer the settlement until the next regular settlement. No mileage, fees, or commissions shall be allowed any officer for any deferred settlement; *provided*, that in case any settlement is so deferred that the County Auditor, in his next report to the Controller of State, shall include therein all moneys required to be reported since the date of his last report upon which a settlement was made.

SEC. 3867. Every County Treasurer who neglects or refuses to appear at the office of the Controller or Treasurer at the time specified in this chapter, and then and there to settle and make payment as required by this chapter, forfeits all fees, percentage, and mileage which would have otherwise been due him on such settlement; and the Controller is required to withhold all such fees, percentage, and mileage, and require the same to be paid into the Treasury for the use and benefit of the State.

SEC. 3868. The Auditor of each county, between the first and tenth day of each month in which the Treasurer of his county is required to settle with the Controller, must make, in duplicate, and verify by his affidavit, a report to the Controller of State, in such form as the Controller may desire, showing specifically the amount due the State from each particular source of revenue at the close of business on the last day of the preceding month.

SEC. 3869. The Auditor must at once transmit by mail or express to the Controller one copy of the report, and must deliver the other copy to the Treasurer of his county.

SEC. 3870. Every Auditor who fails to make and transmit the report required by this chapter, or any report or statement required by this title, forfeits all compensation which would be otherwise due him from the State; and the Controller is required to withhold such compensation.

SEC. 3871. In the settlement the Controller must deduct the commission; and mileage allowed to the County Treasurer for his services, the State's portion of the repayments made under Section 3834, and any other amount due the county or the officers thereof.

SEC. 3872. The manner of making payments into the State Treasury is prescribed by Sections 433, 434, 452, and 453 of this Code.

SEC. 3873. The Controller must, after the Treasurer has made settlement and payment, enter upon each copy of the Auditor's report a statement showing :

1. The amount of money by the County Treasurer paid into the State Treasury ;

2. The amounts deducted for commissions and other allowances ;—

And must then return one copy of the report to the County Treasurer.

SEC. 3874. The County Treasurer must file with the Auditor of his county the copy returned to him by the Controller.

SEC. 3875. The Auditor must then make the proper entries in his account with the Treasurer.

SEC. 3876. The Controller must, in the settlement, allow the Treasurer for mileage at the rate of forty cents per mile from the county seat to the Capital ; such mileage not to exceed at any settlement one hundred dollars.

SEC. 3877. The Controller may examine the books of any officer charged with the collection and receipt of State taxes.

SEC. 3878. If he believes any officer has been guilty of defrauding the State of revenue, or has neglected or refused to perform any duty relating to the revenue, he must direct the District Attorney or other counsel to prosecute the delinquent.

SEC. 3879. When any law in relation to the revenue of the State has been so far violated as to require the prosecution of the offender for a criminal offense, or proceedings against him by civil action, the Controller may designate the county in which the prosecution or proceedings may be had.

SEC. 3880. The Controller or Attorney-General may employ other counsel than the District Attorney, and the expenses must be audited by the Board of Examiners and be paid out of the State Treasury.

CHAPTER XI.

MISCELLANEOUS PROVISIONS.

SEC. 3881. Omissions, errors, or defects in form in any original or duplicate assessment book, when it can be ascertained therefrom what was intended, may, with the written consent of the District Attorney, be supplied

or corrected by the Assessor at any time prior to the sale for delinquent taxes, and after the original assessment was made. In the City and County of San Francisco, the written consent of the City and County Attorney shall have the same force and effect as the written consent of the District Attorney.

SEC. 3882. When the omission, error, or defect has been carried into a delinquent list or any publication, the list or publication may be republished as amended, or notice of the correction may be given in a supplementary publication.

SEC. 3883. The publication must be made in the same manner as the original publication, and for not less than one week.

SEC. 3884. In the assessment of land, advertisement, and sale thereof for taxes, initial letters, abbreviations and figures may be used to designate the township, range, section, or parts of section.

SEC. 3885. No assessment or act relating to assessment or collection of taxes is illegal on account of informality, nor because the same was not completed within the time required by law.

SEC. 3886. The fines, forfeitures, and penalties incurred by a violation of any of the provisions of this Title must be paid into the Treasury for the use of the county where the person against whom the recovery is had resides.

SEC. 3888. Taxes must be paid in legal coin of the United States. A tax levied for a special purpose may be paid in such funds as may be directed.

SEC. 3889. Every Assessor, District Attorney, and County Treasurer must annually, on the first Monday of January, make a settlement with the County Auditor of all transactions connected with the revenue for the previous year.

SEC. 3890. The Treasurer, Tax Collector, Assessor, Clerk of the Board of Supervisors, and each member of the Board must separately perform the duties required of him in his office and must not, except in the cases provided by law, perform the duties required of any other officer under this Title.

SEC. 3891. With relation to the Acts passed at the present session of the Legislature, the provisions of this Title must, after this Title takes effect, be construed as though this Code had been passed and approved on the last day of the present session. But the provisions of this section do not apply to any Act expressly amendatory of either of the Codes, or putting into effect any part of either; nor to an Act approved March sixteenth, eighteen hundred and seventy two, entitled an Act to put into immediate effect certain parts of the Political and Penal Codes; nor to an Act approved March twenty-second, eighteen hundred and seventy two, entitled an Act to put into effect certain parts of the Codes and provide for their publication.

SEC. 3892. All taxes assessed before this Code takes effect must be collected under the laws in force at the time the assessment was made, and in the same manner as if this Code had not been passed.

SEC. 3893. The Board of Supervisors of each county must make to the Assessor and Auditor thereof a reasonable allowance, not to exceed eight cents per folio, for making the statements required by Sections 3655 and 3728, and for making the duplicate assessment book mentioned in Section 3732 of THE POLITICAL CODE.

SEC. 3894. The Board of Supervisors of each county in this State must allow the Assessor thereof such a number of deputies, to be appointed by him in addition to the number now fixed, or where no deputies are now allowed, so many deputies as will, in the judgment of the Board, enable the Assessor to complete the assessment within the time prescribed by law.

SEC. 3895. The Board must fix the compensation of the deputies so allowed ; and such compensation must be paid out of the General Fund in the County Treasury. The compensation must not exceed five dollars per day for each deputy for the time actually engaged ; nor must any allowance be made but for work done between the first Monday in March and the first Monday in July of each year.

SEC. 3896. The State Board of Equalization may, by an order entered upon its minutes, and certified to the County Auditor of any county in the State, dispense with the duplicate assessment book in such county, in which event the original assessment book shall perform all the offices of such duplicate, and shall have like force and effect.

SEC. 3897. Whenever this State shall become the purchaser of property sold for taxes, and shall receive a grant of the same, the State Board of Equalization may direct the District Attorney of the county, or the Attorney-General, to bring an action to recover possession of the same. In case of judgment for the recovery of the same, or of any part thereof, the Board of Equalization may order the property so recovered to be sold by the County Treasurer, under such regulations and on such terms as they may prescribe, and a grant from the people of the State, executed by the County Treasurer to the purchaser, reciting the facts necessary to authorize such sale and conveyance, shall convey all the interest of the State in such property, and be prima facie evidence of such facts. But no bid shall be received at such sale for less than twice the amount of all the taxes levied upon such property, and of all interest, costs, and expenses, up to the date of such sale.

SEC. 3898. In case sales are made under the provisions of the next preceding section, the proceeds of such sale shall be paid into the County Treasury. The Treasurer shall retain and distribute to the respective Funds the portion belonging to the county, and shall pay the balance to the State Treasurer, who must place it in the General Fund. The attorney and counsel fees, costs, and expenses of the litigation for the recovery of the property, and of sales by the same, when audited by the Board of Examiners, must be paid out of the General Fund ; *provided*, that the allowances in any one case shall not exceed the amount of said balance in such case.

SEC. 3899. The Controller may, at any time after a delinquent list has been delivered to a Collector, direct such Collector not to proceed in the collection of any tax on said list, amounting to three hundred dollars, further than to offer for sale but once any property upon which such tax is a lien. Upon such direction, the Collector, after offering the property for sale once, and there being no purchaser in good faith, must make out and deliver to the Controller a certified copy of the entries upon the delinquent list relative to such tax ; and the Tax Collector, or the Controller, in case the Tax Collector refuses or neglects for fifteen days after being directed to bring suit for collection by the Controller, may proceed, by civil action in the proper Court, and in the name of the people of the State of California, to collect such tax and costs.

SEC. 3900. In such action, a complaint in the following form is sufficient :
(Title of Court.)

The People of the State of California

vs.

(Naming the defendant.)

Plaintiff avers that the defendant is indebted to plaintiff in the sum of \$—, State and county taxes for the fiscal year 18—, with five per cent. added for the non-payment of such taxes, and — dollars, costs of collection, to date. Plaintiff demands judgment for said several sums, and prays that an attachment may issue in form as prescribed in section five hundred and forty of the Code of Civil Procedure.

(Signed by the Tax Collector, or Controller, or his attorney.)

On the filing of such complaint, the Clerk must issue the writ of attachment prayed for, and such proceedings shall be had thereunder as under writs of attachment issued in civil actions. If, in such action, the plaintiff recover judgment, there shall be included in such judgment an attorney's fee of ten per cent. on the amount of the tax. In such action, the certified copy mentioned in the preceding section, made by the Collector and delivered to the Controller, is prima facie evidence that the person against whose property the tax was levied is indebted to the people of the State of California in the amount of such tax. In case of payment of any such taxes after suit as above mentioned shall have been commenced, or after the recovery of judgment therefor, such payment must be made to the County Treasurer of the county in which such taxes are due, whereupon the Treasurer, after distributing to the several Funds of the county the portions belonging to it, and paying to the Controller or his attorney the portion received as attorney's fees, and other costs, must pay the remainder to the State Treasurer at the times and in the manner prescribed by law for the payment of other State taxes.

STATUTES 1873-4, 447.

An Act in relation to the assessment and collection of taxes upon personal property in the City and County of San Francisco.

[Approved March 18, 1874.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. The City and County of San Francisco is hereby exempted from the provisions of the Political Code relating to the assessment and equalization of personal property for taxation, and the collection of taxes thereon, but only in so far as to give force and effect to the provisions of this Act hereinafter contained.

SEC. 2. The Assessor of said City and County must complete the assessment of personal property on or before the first Monday in June in each year, and enter the same in a separate assessment book, to be known as "The Assessment Book of Personal Property." As soon as completed, the said assessment book must be delivered to the Clerk of the Board of Supervisors, who must immediately give notice thereof, and of the time the Board will meet to equalize said assessment, by publication in some daily newspaper printed in said City and County; and in the mean time, until the Board meets to equalize said assessments, the assessment book must remain in his office, for the inspection of all persons interested.

SEC. 3. The Board of Supervisors shall meet on the second Monday in June, and must examine and equalize said assessment, in the same manner as required by the Political Code, and must complete the equalization of said assessment on or before the fourth Monday in June; and the Clerk of the Board must record, in a book to be kept for that purpose, all changes, corrections, and orders made by the Board, and, during its session, must enter in said assessment book all changes and corrections made by the Board, and must deliver the said assessment book, so corrected, to the Auditor of said City and County, on the fourth Monday of June, with an affidavit, in substance the same as that required by section three thousand six hundred and eighty-two of the Political Code.

SEC. 4. The Board of Supervisors must, on the fourth Monday of June, fix the rate of City and County taxes for the current fiscal year, and the Auditor must, on or before the second Monday of July, prepare and deliver to the Tax Collector a copy of said corrected assessment book, to be styled "Duplicate Assessment Book of Personal Property," in which shall be computed and entered, in separate money columns, the respective sums, in dollars and cents, rejecting the fractions of a cent, to be paid as a tax on

the property therein enumerated, and to which must be attached his affidavit, subscribed and sworn to as follows: "I, ———, Auditor of the City and County of San Francisco, do swear that I received the assessment book of the personal property of the City and County of San Francisco, from the Clerk of the Board of Supervisors, with his affidavit thereto affixed, and that I have corrected it and made it conform to the requirements of the Board of Supervisors; that I have reckoned the respective sums due as taxes, and have added up the columns of valuations and taxes, as required by law, and that the copy to which this affidavit is attached is a true, full, and correct copy thereof." Said duplicate assessment book must contain columns for entry as hereinafter provided, for the State tax upon the property therein assessed.

SEC. 5. The said duplicate assessment book must thereupon be delivered to the Tax Collector; and all the acts required by the Political Code to be performed by the Auditor and Tax Collector in relation to the duplicate assessment book and the taxes therein mentioned, must be performed by said officers, in relation to the assessment book herein provided, so far as the same can be made applicable.

SEC. 6. The Tax Collector, immediately upon receiving said assessment roll, must publish in one or more of the daily newspapers of said City and County that the taxes therein mentioned are due and payable at the office of the Tax Collector of said City and County, and will become delinquent on the first Monday of August, and that unless paid on or before the last mentioned date five per cent. will be added to the amount thereof. The Tax Collector may, at any time after said taxes become delinquent, collect the same by seizure and sale of any personal property owned by the delinquent, and in proceedings for that purpose must be governed by sections three thousand seven hundred and ninety-one to three thousand seven hundred and ninety-six, inclusive, of the Political Code.

SEC. 7. On the Wednesday following the fourth Monday of September the Tax Collector must return the said duplicate assessment roll to the Auditor, who must, at the time provided in the Political Code for computing and entering the State and county taxes, add to or deduct from the valuation of the property enumerated in said assessment book, any per centum which may have been required by the State Board of Equalization, and compute the State taxes to be paid on said personal property, and enter the same, with all delinquent taxes which may appear in said book, in the proper columns. After completing such computations and entries, the Auditor must annex his affidavit to said book, stating that he has truly and correctly made all reductions and additions required by the State Board of Equalization, and computed, entered, and added all the State taxes, and all the delinquent City and County taxes, and the per centum due on the property therein enumerated, and return the same to the Tax Collector at the time when the duplicate assessment book of taxes upon real estate is required by law to be delivered.

SEC. 8. The Tax Collector must collect said State taxes, and said delinquent City and County taxes and per centum, at the time and in the same manner as he is by law required to collect other State and county taxes.

SEC. 9. The Assessor may, at any time prior to the fourth Monday in October in each year, specially assess any property which may have been omitted and which shall not be entered upon the regular assessment roll; and, if he makes any such special assessment, he shall forthwith deliver a copy thereof to the Tax Collector, and the original to the Auditor, who shall charge the Tax Collector with the amount of taxes due thereon; and all such special assessments shall be as valid and shall have the same force and effect as regular assessments.

SEC. 10. All the provisions of the Political Code and other laws relating to State and county revenue, except where they are in conflict with, are made part of this Act.

SEC. 11. This Act shall take effect immediately.

SUPPLEMENT CLXIV.

CIVIL CODE, DIVISION 1, PART IV, TITLE IV.

STREET RAILROAD CORPORATIONS.

SEC. 497. Authority to lay railroad tracks through the streets and public highways of any incorporated city or town may be obtained for a term of years, not exceeding fifty, from the Trustees, Council, or other body to whom is intrusted the government of the city or town, under such restrictions and limitations, and upon such terms, and payment of license tax, as the city or town authority may provide. In no case must permission be granted to propel cars upon such tracks otherwise than by horses, mules, or by wire ropes running under the streets and moved by stationary steam engines, unless for special reasons as hereinafter provided. [*Amended March 3, 1876; Amendments, 1875-76, 76.*]

SEC. 498. The city or town authorities, in granting the right of way to street railroad corporations, in addition to the restrictions which they are authorized to impose, must require a strict compliance with the following conditions, except in the cases of prismoidal or other elevated railways. In such cases, said railway shall be required to be constructed in such a manner as will present the least obstruction to the freedom of the streets on which it may be erected, when allowed by the granting power:

First. To construct their tracks on those portions of streets designated in the ordinance granting the right, which must be as nearly as possible in the middle thereof.

Second. To plank, pave, or macadamize the entire length of the street, used by their track, between the rails, and for two feet on each side thereof, and between the tracks, if there be more than one, and to keep the same constantly in repair, flush with the street, and with good crossings.

Third. That the tracks must not be more than five feet wide within the rails, and must have a space between them sufficient to allow the cars to pass each other freely. [*Amended, April 3, 1876; Amendments, 1875-6, 77.*]

SEC. 499. Two corporations may be permitted to use the same street, each paying an equal portion for the construction of the track; but in no case must two railroad corporations occupy and use the same street or track for a distance of more than five blocks.

SEC. 500. Any proposed railroad track may be permitted to cross any track already constructed, the crossing being made as provided in Chapter II, Title III, of this Part. In laying down the tracks and preparing therefor, not more than one block must be obstructed at any one time, nor for a longer period than ten working days.

SEC. 501. The rates of fare on the cars must not exceed ten cents for one fare, for any distance under three miles. The cars must be of the most approved construction for comfort and convenience of passengers, and provided with brakes to stop the same, when required. The rate of speed must not be greater than eight miles per hour. A violation of the provisions of this section subjects the corporation to a fine of one hundred dollars for each offense.

SEC. 502. Work to construct the railroad must be commenced within one year from the date of the ordinance granting the right of way and the filing of articles of incorporation, and the same must be completed within three years thereafter. A failure to comply with these provisions works a forfeiture of the right of way as well as of the franchise, unless the uncompleted portion is abandoned by the corporation, with the consent of the authorities granting the right of way—such abandonment and consent to be in writing.

SEC. 503. Cities and towns in or through which street railroads run may make such further regulations for the government of such street railroads as may be necessary to a full enjoyment of the franchise and the enforcement of the conditions provided herein.

SEC. 504. Any corporation, or agent or employee thereof, demanding or charging a greater sum of money for fare on the cars of such street railroad than that fixed, as provided in this Title, forfeits to the person from whom such sum is received, or who is thus overcharged, the sum of two hundred dollars, to be recovered in a civil action, in any Justice's Court having jurisdiction thereof, against the corporation.

SEC. 505. Every street railroad corporation must provide, and, on request, furnish to all persons desiring a passage on its cars, any required quantity of passenger tickets or checks, each to be good for one ride. Any corporation failing to provide and furnish tickets or checks to any person desiring to

purchase the same at not exceeding the rate hereinbefore prescribed, shall forfeit to such person the sum of two hundred dollars, to be recovered as provided in the preceding section; *provided*, that the provisions of this section shall not apply to such street railroad corporations as charge but five cents fare.

SEC. 506. Upon the trial of an action for any of the sums forfeited, as provided in the two preceding sections, proof that the person demanding or receiving the money as fare, or for the sale of the ticket or check, was at the time of making the demand or receiving the money, engaged in an office of the corporation, or vehicle belonging to the corporation, shall be *prima facie* evidence that such person was the agent, servant or employee of the corporation, to receive the money, and give the ticket or check mentioned.

SEC. 507. In every grant to construct street railroads, the right to grade, sewer, pave, and macadamize or otherwise improve, alter or repair the streets or highways, is reserved to the corporation, and cannot be alienated or impaired; such work to be done so as to obstruct the railroad as little as possible, and, if required, the corporation must shift its rails so as to avoid the obstructions made thereby.

SEC. 508. Each street railroad corporation must pay to the authorities of the city, town, county, or city and county, as a license upon each car, such sum as the authorities may fix, not exceeding fifty dollars per annum in the City of San Francisco, nor more than twenty-five dollars per annum in other cities or towns. Where any street railroad connects or runs through two or more cities or towns, a proportionate or equal share of such license tax must be paid to each of the cities or towns; and no such license tax is due the county authorities where the same is paid to any city or town authority.

SEC. 509. The right to lay down a track for grading purposes, and maintain the same for a period not to exceed three years, may be granted by the corporate authorities of any city or town, or city and county, or Supervisors of any city or county, but no such track must remain more than three years upon any one street; and it must be laid level with the street, and must be operated under such restrictions as not to interfere with the use of the street by the public. The corporate authorities of any city or town, or city and county, may grant the right to use steam or any other motive power in propelling the cars used on such grading tract, when public convenience or utility demands it, but the reasons therefor must be set forth in the ordinance, and the right to rescind the ordinance at any time reserved.

SEC. 510. Street railroads are governed by the provisions of Title Three of this Part, so far as they are applicable, unless such railroads are therein specially excepted.

SEC. 511. When a street railroad is constructed, owned or operated by any natural person, this Title is applicable to such person in like manner as it is applicable to corporation.

[For fares on street railroads in cities and towns of more than one hundred thousand inhabitants, see page 276.]

SUPPLEMENT CLXV.

LEGISLATION ON THE PUEBLO LANDS.

1858, 52.

An Act concerning the City of San Francisco, and to ratify and confirm certain Ordinances of the Common Council of said City.

[Approved March 11, 1858.

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. *Whereas*, The Common Council of the City of San Francisco passed an ordinance, approved by the Mayor on the twentieth day of June, A. D. one thousand eight hundred and fifty-five, which ordinance is in the words and figures following, to wit:

Number eight hundred and twenty-two—Ordinance for the settlement and quieting of the land titles in the City of San Francisco.

The People of the City of San Francisco do ordain as follows:

SEC. 1. It shall be the duty of the Mayor to enter, at the proper land office of the United States, at the minimum price, all the lands above the natural high-water mark of the Bay of San Francisco, at the time of the admission of California into the Union as a State, situated within the corporate limits of the City of San Francisco, as defined in the Act to incorporate said city, passed April fifteenth, one thousand eight hundred and fifty-one, in trust for the several use, benefit and behoof of the occupants or possessors thereof, according to their respective interests.

SEC. 2. The City of San Francisco hereby relinquishes and grants all the right and claim of the city to the lands within the corporate limits, to the parties in the actual possession thereof, by themselves or tenants, on or before the first day of January, A. D. one thousand eight hundred and fifty-five, to their heirs and assigns forever; excepting the property known as the slip property, and bounded on the north by Clay street, on the west by Davis street, on the south by Sacramento street, and on the east by the water-lot front. And excepting, also, any piece or parcel of land situated south, east or north of the water-lot front of the City of San Francisco, as established by an Act of the Legislature of March twenty-sixth, A. D. one thousand eight hundred and fifty-one; *provided*, such possession has been continued up to the time of the introduction of this ordinance in the Common Council; or, if interrupted by any intruder, or trespasser, has been, or may be, recovered by legal process; and it is hereby declared to be the true intent and meaning of this ordinance, that when any of the said lands have been occupied and pos-

sessed under and by virtue of a lease or demise, they shall be deemed to have been in the possession of the landlord or lessor under whom they were so occupied or possessed; *provided*, that all persons who hold title to lands within said limits by virtue of any grant made by any ayuntamiento, town council, alcalde or justice of the peace of the former pueblo of San Francisco before the seventh day of July, one thousand eight hundred and forty-six; or grants to lots of land lying east of Larkin street and northeast of Johnston street made by any ayuntamiento, town council, alcalde, of said pueblo, since that date, and before the incorporation of the City of San Francisco by the State of California; and which grant, or the material portion thereof, was registered or recorded in a proper book of record deposited in the office, or custody, or control of the Recorder of the County of San Francisco, on or before the third day of April, A. D. one thousand eight hundred and fifty; or by virtue of any conveyance duly made by the commissioners of the funded debt of the City of San Francisco, and recorded on or before the first day of January, one thousand eight hundred and fifty-five, shall, for all the purposes contemplated by this ordinance, be deemed to be the possessors of the land so granted, although the said lands may be in the actual occupancy of persons holding the same adverse to the said grantees.

SEC. 3. The patent issued, or any grant made by the United States to the city, shall inure to the several use, benefit and behoof of the said possessors, their heirs and assigns, mentioned in the preceding section, as fully and effectually, to all intents and purposes, as if it were issued or made directly to them individually and by name.

SEC. 4. The city, however, as a consideration annexed to the next two preceding sections, reserves to itself all the lots which it now occupies, or has already set apart for public squares, streets, and sites for school houses, city hall, and other buildings belonging to the corporations; and also such lots and lands as may be selected and reserved for streets and other public purposes, under the provisions of the next succeeding sections.

SEC. 5. The city shall have the right to proceed to lay out and open streets, as soon as the corporation may deem it expedient, in that part of the city west of Larkin street and southwest of Johnston street, and reserves the right to take possession of such lands as it may be necessary to occupy for that purpose, without compensation; and to assess, in the manner provided by the present or any existing charter of the city, upon the lands bounded on such streets, the whole expense of laying out, opening, grading and constructing the same; and payment of the costs of said improvements shall be deemed a charge upon the lands mentioned in this section, to which the City of San Francisco relinquishes her right and title by the second and third sections of this ordinance.

SEC. 6. The city shall also have the right to select and set apart, from the lands west of Larkin street and southwest of Johnston street, as many lots, not exceeding one hundred and thirty-seven and a half feet square each, as

the Mayor and Common Council may, by ordinance, determine to be necessary for sites for school-houses, hospitals, fire-engine-houses, and other public establishments necessary and proper for the use of the corporation; and may lay out and reserve upon the said lands, at convenient and suitable points and distances, public squares, which shall not embrace more than one block, corresponding in size to the adjoining blocks; *provided*, that the selection shall be made within six months from the time of the passage of this ordinance; and that the city shall not, without due compensation, occupy, for the purposes mentioned in this section, after the laying out of the streets aforesaid, more than one-twentieth part of the land in the possession of any one person; and that such possessor shall voluntarily assent thereto; or, refusing to do so, shall not be entitled to the benefit of any concession contained in the second and third sections of this ordinance.

SEC. 7. The lots and lands reserved for the use of the corporation, under the provisions of the next preceding section, shall be selected in localities likely to be most convenient and suitable for their respective uses, and in such proportion to the quantity in the possession of the respective occupants as to make the apportionment as nearly equal as circumstances will admit.

SEC. 8. The selection of said lands and lots shall be made by a commission, to consist of three persons, who shall be chosen by the Common Council, in joint convention, who shall report the same to the Common Council for its approval; and, upon such approval, deeds of release to the corporation for the lands thus selected shall be executed, acknowledged and recorded, in which deeds shall be specified the uses for which they are granted, reserved, and set apart, respectively.

SEC. 9. Although the city hereby renounces in favor of the actual possessors, in accordance with the provisions of section second, any right or claim of its own, nothing in this ordinance is intended to prejudice any other outstanding title to the said lands adverse to the said possessors.

SEC. 10. Application shall be made to the Legislature to confirm and ratify this ordinance, and to Congress to relinquish all the right and title of the United States to the said lands, for the uses and purposes hereinbefore specified.

SEC. 11. Nothing contained in this ordinance shall be construed to prevent the city from continuing to prosecute, to a final determination, her claim now pending before the United States Land Commission, for pueblo lands, for the several use, benefit, and behoof, of the said possessors mentioned in section two, as to the lands by them so possessed, and for the proper use, benefit, and behoof, of the corporation as to all other lands not hereinbefore released and confirmed to the said possessors.

SEC. 12. That all ordinances, or parts of ordinances, conflicting with this ordinance, or any of its provisions, be and the same are hereby repealed.

[Approved June twentieth, one thousand eight hundred and fifty-five.

S. P. WEBB, Mayor.]

And whereas, the said Common Council passed another ordinance, approved by the Mayor of said city, September twenty-seventh, A. D. one thousand eight hundred and fifty-five, which last mentioned ordinance is in the words and figures following, to-wit:

Number eight hundred and forty-five—Ordinance providing for selecting and designating public squares and reservations for hospitals, fire-engines, and school purposes, and for adopting the plan of streets in the western and southwestern portion of the city, according to the provisions of ordinance number eight hundred and twenty-two, and confirmatory of said ordinance number eight hundred and twenty-two.

The People of the City of San Francisco do ordain as follows :

SECTION 1. Under and by virtue of the provisions of the ordinance of the Common Council number eight hundred and twenty-two, entitled "an ordinance for the settlement and quieting of land titles in the City of San Francisco, approved June twentieth, one thousand eight hundred and fifty-five," the Board of Aldermen and Board of Assistant Aldermen shall meet in joint convention, at their next regular meeting after the passage of this ordinance, and proceed to elect three commissioners, who shall have the powers, and proceed to discharge the duties specified in section eight of said ordinance number eight hundred and twenty-two.

SEC. 2. It shall be the duty of the City Surveyor, acting in conjunction with the said commissioners, and with their concurrence, to furnish, by way of recommendation to the Common Council, within one month from the date of their appointment, a plan for the location and dimensions of the streets to be laid out within the city limits, west of Larkin, and southwest of Johnston streets, upon which plan shall also be designated the lots and grounds selected by the said commissioners for the use of the city under the provisions of the aforesaid ordinance number eight hundred and twenty-two; *provided*, that the compensation of said commissioners shall not exceed the sum of one hundred dollars each, payable when the Common Council may legally make an appropriation therefor.

SEC. 3. The said ordinance number eight hundred and twenty-two, referred to in the preceding section one, is hereby re-ordained, ratified, and confirmed in all its parts.

[Approved September twenty-seventh, one thousand eight hundred and fifty-five.

JAMES VAN NESS, Mayor.]

And whereas, in pursuance of the aforesaid ordinances, commissioners were appointed by the Common Council, who in conjunction with the City Surveyor of said city, agreed upon and reported, for the approval of the Common Council, a plan for the location of streets, public squares, and lots for public uses, to be laid out west of Larkin and southwest of Johnston streets, in said city, accompanied by a map of the same, which said plan and map was, by the Justices of the Peace, exercising the powers of a Board of Supervisors of the City and County of San Francisco, adopted, approved, and ratified by an order bearing date the sixteenth day of October, A. D. one

thousand eight hundred and fifty-six, which is in the words and figures following, to-wit :

The Board of Supervisors of the City and County of San Francisco do ordain as follows :

SECTION 1. That the plan or map of the Western Addition, reported by the commission created under an ordinance of the last Common Council of the City of San Francisco, be adopted by this Board, and be declared to be the plan of the city, in respect to the location and establishment of streets and avenues, and the reservation of squares and lots for public purposes in that portion of the then incorporated limits of said city, lying west of Larkin and southwest of Johnston streets.

Be it therefore enacted, that the within and before recited order and ordinances be, and the same are hereby, ratified and confirmed; and all the land entered, or to be entered, in the United States Land Office, in pursuance of section one of the first recited of said ordinances, in trust, shall pass and inure to, and be deemed to have immediately vested in the occupants thereof, for their several use and benefit, according to their respective interests, in execution of the trust designated in an act of Congress, entitled an act for the relief of citizens of towns upon the public lands of the United States, under certain circumstances, approved May twenty-third, one thousand eight hundred and forty-four, as extended and applied by an act of Congress, entitled an act to provide for the survey of the public lands in California, the granting of pre-emption rights therein, and for other purposes, approved March third, one thousand eight hundred and fifty-three; and it shall be the duty of all courts and officers to take judicial notice of the said order and ordinances, as hereinbefore recited, without further proof, as fully and effectually, to all intents and purposes, as if they were public acts of the State Legislature.

SEC. 2. That the grant or relinquishment of title made by the said city in favor of the several possessors, by sections two and three of the ordinance first above recited, shall take effect as fully and completely, for the purpose of transferring the city's interest, and for all other purposes whatsoever, as if deeds of release and quit-claim had been duly executed and delivered to and in favor of them individually and by name; and no further conveyance or other act shall be necessary to invest the said possessors with all the interest, title, rights, benefits, and advantages, which the said order and ordinances intend or purport to transfer or convey, according to the true intent and meaning thereof; *provided*, that nothing in this act shall be so construed as to release the City of San Francisco, or City and County of San Francisco, from the payment of any claim or claims due or to become due this State against said City, or City and County, nor to effect or release to said City and County any title this State has or may have to any lands in said City and County of San Francisco.

An Act to expedite the Settlement of Titles to Lands in the State of California.

[Approved July 1, 1864.]

SEC. 1. *Be it enacted by the Senate and House of Representatives of the United States of America, in Congress assembled, That whenever the Surveyor-General of California shall, in compliance with the thirteenth section of an Act entitled "An Act to ascertain and settle the Private Land Claims in the State of California," approved March third, eighteen hundred and fifty-one, have caused any private land claim to be surveyed and a plat to be made thereof, he shall give notice that the same has been done by a publication, once a week for four consecutive weeks, in two newspapers, one published in the City of San Francisco and one published near the land surveyed; and shall retain in his office, for public inspection, the survey and plat until ninety days from the date of the first publication in San Francisco shall have expired; and if no objections are made to said survey, he shall approve the same, and transmit a copy of the survey and plat thereof to the Commissioner of the General Land Office at Washington, for his examination and approval; but if objections are made to said survey within the said ninety days, by any party claiming to have an interest in the tract embraced by the survey, or in any part thereof, such objections shall be reduced to writing, stating distinctly the interest of the objector, and signed by him or his attorney, and filed with the Surveyor-General, together with such affidavits or other proofs as he may produce in support of the objections. At the expiration of said ninety days, the Surveyor-General shall transmit to the Commissioner of the General Land Office at Washington a copy of the survey and plat, and objections, and proofs filed with him in support of the objections, and also of any proofs produced by the claimant and filed with him in support of the survey, together with his opinion thereof; and if the survey and plat are approved by the said Commissioner, he shall endorse thereon a certificate of his approval. If disapproved by him, or if, in his opinion, the ends of justice would be subserved thereby, he may require a further report from the Surveyor-General of California, touching the matters indicated by him, or proofs to be taken thereon, or may direct a new survey and plat to be made. Whenever the objections are disposed of, or the survey and plat are corrected, or a new survey and plat are made in conformity with his directions, he shall endorse upon the survey and plat adopted his certificate of approval. After the survey and plat have been, as hereinbefore provided, approved by the Commissioner of the General Land Office, it shall be the duty of the said Commissioner to cause a patent to issue to the claimant as soon as practicable after such approval.*

SEC. 2. *And be it further enacted, That the provisions of the preceding*

section shall apply to all surveys and plats by the Surveyor-General of California heretofore made, which have not already been approved by one of the District Courts of the United States for California, or by the Commissioner of the General Land Office; *provided*, that where proceedings for the correction or confirmation of a survey are pending on the passage of this Act in one of the said District Courts, it shall be lawful for such District Court to proceed and complete its examination and determination of the matter, and its decree thereon shall be subject to appeal to the Circuit Court of the United States for the District, in like manner and with like effect as hereafter provided for appeals in other cases to the Circuit Court; and such appeals may be in like manner disposed of by said Circuit Court.

SEC. 3. *And be it further enacted*, That where a plat and survey have already been approved or corrected by one of the Districts Courts of the United States for California, and an appeal from the decree of approval or correction has already been taken to the Supreme Court of the United States, the said Supreme Court shall have jurisdiction to hear and determine the appeal. But where, from such decree of approval or correction, no appeal has been taken to the Supreme Court, no appeal to that Court shall be allowed, but an appeal may be taken within twelve months after this Act shall take effect to the Circuit Court of the United States for California, and said Circuit Court shall proceed to fully determine the matter. The said Circuit Court shall have power to confirm, or reverse, or modify the action of the District Court, or order the case back to the Surveyor-General for a new survey. When the case is ordered back for a new survey, the subsequent survey of the Surveyor-General shall be under the supervision of the Commissioner of the General Land Office, and not of the District or Circuit Court of the United States.

SEC. 4. *And be it further enacted*, That whenever the District Judge of any one of the District Courts of the United States for California is interested in any land, the claim to which, under the said Act of March third, eighteen hundred and fifty-one, is pending before him, on appeal from the Board of Commissioners created by said Act, the said District Court shall order a case to be transferred to the Circuit Court of the United States for California, which Court shall thereupon take jurisdiction and determine the same. The said District Court may also order a transfer to the said Circuit Court of any other cases arising under said Act, pending before them, affecting the title to lands within the corporate limits of any city or town, and in such cases both the District and Circuit Judges may sit.

SEC. 5. *And be it further enacted*, That all the right and title of the United States to the lands within the corporate limits of the City of San Francisco, as defined in the Act incorporating said City, passed by the Legislature of the State of California, on the fifteenth of April, one thousand eight hundred and fifty-one, are hereby relinquished and granted to the said City and its successors, for the uses and purposes specified in the Ordinances of said

City, ratified by an Act of the Legislature of the said State, approved on the eleventh of March, eighteen hundred and fifty-eight, entitled "An Act concerning the City of San Francisco, and to ratify and confirm certain Ordinances of the Common Council of the City," there being excepted from this relinquishment and grant all sites or other parcels of lands which have been, or now are, occupied by the United States for military, naval, or other public uses, or such other sites or parcels as may hereafter be designated by the President of the United States, within one year after the rendition to the General Land Office, by the Surveyor-General, of an approval plat of the exterior limits of San Francisco, as recognized in this section, in connection with the lines of the public surveys; *and provided*, that the relinquishment and grant by this Act shall in no manner interfere with or prejudice any *bona fide* claims of others, whether asserted adversely under rights derived from Spain, Mexico, or the laws of the United States, nor preclude a judicial examination and adjustment thereof.

SEC. 6. *And be it further enacted*, That it shall be the duty of the Surveyor-General of California to cause all the private land claims finally confirmed to be made, whenever requested by the claimants; *provided*, that each claimant requesting a survey and plat shall first deposit in the District Court of the District within which the land is situated a sufficient sum of money to pay the expenses of such survey and plat, and of the publication required by the first section of this Act. Whenever the survey and plat requested shall have been completed and forwarded to the Commissioner of the General Land Office, as required by this Act, the District Court may direct the application of the money deposited, or so much thereof as may be necessary, to the payment of the expenses of said survey and publication.

SEC. 7. *And be it further enacted*, That it shall be the duty of the Surveyor-General of California, in making surveys of the private land claims finally confirmed, to follow the decree of confirmation as closely as practicable whenever such decree designates the specific boundaries of the claim. But when such decree designates only the out-boundaries within which the quantity confirmed is to be taken, the location of such quantity shall be made, as near as practicable, in one tract and in compact form. And if the character of the land, or intervening grants, be such as to render the location impracticable in one tract, then each separate location shall be made, as near as practicable, in a compact form. And it shall be the duty of the Commissioner of the General Land Office to require a substantial compliance with the directions of this section before approving any survey and plat forwarded to him.

SEC. 8. *And be it further enacted*, That the Act entitled "An Act to amend an Act entitled 'An Act to define and regulate the jurisdiction of the District Courts of the United States in California, in regard to the survey and location of confirmed Private Land Claims,'" approved June fourteen, eighteen hundred and sixty, and all provisions of law inconsistent with this Act, are hereby repealed.

Final Decree confirming the claim of the City of San Francisco to its Pueblo Lands, entered May 18th, 1865.

 THE UNITED STATES. }

The appeal in this case taken by the petitioner, the City of San Francisco, from the decree of the Board of Land Commissioners to ascertain and settle private land claims in the State of California, entered on the twenty-first day December, 1854, by which the claim of the petitioner was adjudged to be valid, and confirmed to lands within certain described limits, coming on to be heard upon the transcript of proceedings and decision of said Board, and the papers and evidence upon which said decision was founded, and further evidence taken in the District Court of the United States for the Northern District of California pending said appeal—the said case having been transferred to this Court by order of the said District Court, under the provisions of section four of the Act entitled, “An Act to expedite the settlement of titles to lands in the State of California,” approved July 1st, 1864,—and counsel of the United States and for the petitioner having been heard, and due deliberation had, it is ordered, adjudged and decreed that the claim of the petitioner, the City of San Francisco, to the land hereinafter described, is valid, and that the same be confirmed.

The land of which confirmation is made is a tract situated within the County of San Francisco and embracing so much of the extreme upper portion of the peninsula above ordinary high-water mark (as the same existed at the date of the conquest of the country, namely, the seventh of July, A. D. 1846), on which the City of San Francisco is situated, as will contain an area of four square leagues—said tract being bounded on the north and east by the Bay of San Francisco, on the west by the Pacific Ocean, and on the south by a due east and west line drawn so as to include the area aforesaid, subject to the following deductions, namely: such parcels of land as have been heretofore reserved or dedicated to public uses by the United States, and also such parcels of lands as have been by grants from lawful authority vested in private proprietorship, and have been finally confirmed to parties claiming thereunder, by said tribunals, in proceedings now pending therein for that purpose; all of which said excepted parcels of land are included within the area of four square leagues above mentioned, but are excluded from the confirmation to the City. This confirmation is in trust for the benefit of the lot-holders under grants from the Pueblo, Town, or City of San Francisco, or other competent authority, and as to any residue, in trust for the use and benefit of the inhabitants of the City.

SUPPLEMENT CLXVI

1869-70, 353.

An Act to expedite the settlement of land titles in the City and County of San Francisco, and to ratify and confirm the acts and proceedings of certain of the authorities thereof.

[Approved March 14, 1870.]

The People of the State of California, represented in Senate and Assembly, do enact as follows :

SECTION 1. Upon receiving a petition from any person or persons, claiming that they, by themselves, their tenants, or the persons through whom they claim or derive possession, have been, from and including the eighth day of March, Anno Domini eighteen hundred and sixty-six (1866), and still are, in the possession of any of the lands without the corporate limits of the City of San Francisco, as defined in an Act to reincorporate said city, passed by the Legislature of the State of California on the fifteenth day of April, Anno Domini eighteen hundred and fifty-one (1851), and described in the decree of Justice Field, of the United States Circuit Court, confirming the claim of the City and County of San Francisco, entered November second, Anno Domini eighteen hundred and sixty-four (1864), in the Circuit Court of the United States for the Northern District of the State of California, and that they, or the persons through whom they claim or derive possession, have paid to the Tax Collector of the City and County of San Francisco the amount assessed by the Outside Land Committee upon the land described in said petition, to pay for land reserved for public use, provided for in section ten (10) of Order Eight Hundred (800), and also paid the taxes mentioned in section four (4) of said order, and all the taxes levied on said lands for State and municipal purposes now due and remaining unpaid; or, upon receiving a petition from any person or persons, setting forth that said petitioners, by themselves, their tenants, or the persons through whom they claim or derive possession, were, on or before the first (1st) day of January, Anno Domini eighteen hundred and fifty-five (1855), to and including the twentieth (20th) day of June, Anno Domini eighteen hundred and fifty-five (1855), and still are, in possession of the land described in said petition, embraced within the corporate limits of the City of San Francisco, and above high water mark, as defined in the Act to incorporate said city, passed by the Legislature of the State of California, on the fifteenth (15th) day of April, Anno Domini eighteen hundred and fifty-one (1851); and such petition in either case setting forth that such lands have not been sold, leased, dedicated, reserved or conveyed by authority of the

said City and County of San Francisco, or the United States, to any one, or for any purpose, and asking for a grant from said city and county, the Board of Supervisors shall proceed to act thereon as hereinafter provided. This petition shall be verified by the oath or affirmation of the party in whose behalf the petition is presented, or by some one acting as his agent, and conversant with the facts detailed in the petition.

SEC. 2. All petitions mentioned in the first section of this Act shall be referred to the Committee on Outside Lands. The Clerk of the Board of Supervisors shall be the Clerk of the Outside Land Committee. The party presenting the said petition may appear before said Clerk and make proof, verbal and documentary, of the truth of the matters alleged in his petition. Copies of the documentary evidence shall be filed with said Clerk, and the oral testimony shall be reduced to writing by said Clerk and subscribed by the witness. The proofs of the petitioner being closed, the said committee shall proceed to consider the same, and shall make such report and recommendation thereon as to them shall seem just and proper in the premises. The said committee shall file with the Clerk of the Board of Supervisors the testimony taken as aforesaid, together with the report of the said committee, and said report shall be submitted to the Board of Supervisors for their approval, and if, in their judgment, the claim of the petitioner is well founded, they shall, by an order entered in their minutes, adjudge and award a grant of such lands to the petitioner or petitioners therefor, less the amount reserved for public use. The said Board shall thereupon give public notice of their award by notice, published at least once a week for three successive weeks, in some daily newspaper published in the City and County of San Francisco, which notice shall specify the name of the applicant, the date and filing of his petition, and the tract of land awarded, by a good and sufficient description thereof; proof of publication of such notice shall be made in the manner now or hereafter required by law for the proof of publication in civil process. The Clerk of the said committee shall be allowed compensation, for taking the oath or affirmation of witnesses, twenty-five cents; and for reducing the testimony to writing, twenty cents a folio, which shall be in full for all services rendered by him as Clerk of said committee. The compensation herein allowed to the Clerk of said committee shall be paid to said Clerk by the party presenting the petition.

SEC. 3. Upon receiving proof of the publication of the notice provided for in the second section hereof, and the payment of all necessary expenses for deeds, the Mayor of the City and County of San Francisco is hereby authorized and empowered to execute, acknowledge and deliver to the party or parties presenting the aforesaid petition, a deed of conveyance of the tract or lot of land as aforesaid, adjudged and awarded to the petitioner, and attach thereto the corporate seal of the City and County of San Francisco; *provided*, the petitioner or petitioners shall, before receiving a deed as aforesaid, be required to quit-claim and peaceably deliver the possession

of all land claimed by said petitioner or petitioners, reserved by the Commissioners acting under Ordinance Eight Hundred and Twenty-two (822), and all those lands reserved by the Committee of the Board on Outside Lands for the use and benefit of the City and County of San Francisco; *provided*, however, that in case a suit shall be pending between the petitioner and some third person, involving the right of possession of the tract, or some portion thereof, petitioned for, and such third person shall file with the Clerk of the Board of Supervisors a copy of the complaint filed in such action, before the deed shall have been executed and delivered to the petitioner, and also competent proof that such third persons, or the persons through whom they claim or derive possession, have paid the taxes and assessments mentioned in the first section of this Act, then and in that case the deed shall be withheld until such suit shall be finally determined; and there shall thereafter be executed a deed of conveyance of so much of the tract of land as shall be involved in the said suit, to the party in whose favor the said suit shall be finally determined as aforesaid; *provided* further, that the expenses hereinafter provided for shall be paid before such conveyance shall be delivered.

SEC. 4. Upon the filing of a petition, as hereinbefore provided, the petitioner shall deposit with the Clerk of the Board of Supervisors a sum of money sufficient to pay for the publication of the notice hereinbefore provided, and other expenses incident to the granting of the prayer of the petitioner. But the Clerk shall not receive on file any petition that shall not be in conformity with the provisions of this Act.

SEC. 5. A conveyance executed and delivered in pursuance of the provisions of this Act shall operate as an acknowledgment on the part of the said city and county, that the title to the land therein described has passed under and by virtue of said Order Number Eight Hundred (800), or of said Ordinance Number Eight Hundred and Twenty-two (822), as the case may be, and also under and by virtue of the several Acts of Congress and the Legislature ratifying said order and ordinance, or under the authority of which the same have been passed; and such conveyance shall likewise operate to grant, convey, remise and release to the party, his heirs and assigns, named therein, the lands in such conveyance described, and all the estate and interest, present and future, of the said City and County of San Francisco, in and to such lands. But no such conveyance shall in any event be held to import a warranty or covenant of title on the part of, or to bind said city and county, or any officer thereof.

SEC. 6. All orders and parts of orders of the Board of Supervisors of the City and County of San Francisco, conflicting with Order Eight Hundred and Sixty-six (866) are hereby repealed, but such repeal shall not invalidate any of the proceedings instituted under the order of which Order Eight Hundred and Sixty-six (866) is amendatory, and such proceedings may be continued under the provisions of said Order Eight Hundred and Sixty-six

(866). Whenever such proceedings have been completed, and the Committee on Outside Lands of said Board of Supervisors, or a majority of them, have executed and delivered a deed or deeds, the person or persons to whom such deed or deeds were executed, may obtain from the Mayor, at his or their own expense, a deed of the same land, executed by him and sealed with the corporate seal of the City and County of San Francisco, without further petition, proof, award or notice; and the Mayor is hereby authorized and empowered to execute such deeds. Any and all such deeds shall have the like force and effect as the conveyances mentioned in section five of this Act; *provided*, that if any grantee in any deed executed by such committee has heretofore sold or conveyed any land included in such deed, or his, her or their interest in such land, by writing recorded in the office of the City and County Recorder of the City and County of San Francisco, the deed executed by the Mayor, and sealed with the aforesaid corporate seal, shall be, as to the lands so sold or conveyed, for, and inure to the benefit of such purchaser or purchasers, grantee or grantees, and their heirs, and the deed executed by the Mayor shall expressly so state.

SEC. 7. Whereas, divers co-owners and tenants in common of certain tracts of land situate in the City and County of San Francisco, and within the limits described in Order Number Eight Hundred (800) of said Board of Supervisors, who are or claim to be in possession thereof as such owners and tenants in common, under and in accordance with the terms and provisions of said Order Number Eight Hundred (800), and as such alleged co-owners and tenants in common, have had said tracts of land delineated by metes and bounds, and as entireties, upon the map mentioned and provided for in said Order Number Eight Hundred (800), and have also severally paid their proportionate share of the taxes upon said tracts of land for the five fiscal years preceding the year beginning July first (1st), eighteen hundred and sixty-six (1866), and all subsequent taxes due thereon, and have filed with said Board their petition, claiming said land under and in accordance with the terms and provisions of said order and Order Number Seven Hundred and Forty-eight (748) of said Board; now, therefore, it shall be lawful for any such alleged co-owners or tenants in common of lands situate within the limits described by said Order Number Eight Hundred (800), or one or more thereof, or his or their successor or successors in interest, who shall have performed the acts and conditions aforesaid, to pay, as such co-owners or tenants in common, his or their proportionate share of the amount of any and all taxes or assessments now levied and due, or which may hereafter (at any time prior to the delivery of a deed from the City and County of San Francisco, for his or their undivided interest in said lands) be levied upon and become due upon the tract or tracts of land, wherein he or they hold as such co-owners or tenants in common; and to facilitate the payment of such proportionate shares, the Tax Collector is hereby authorized to divide into smaller parcels any tract of land claimed

by co-owners, owners in severalty or tenants in common, and to apportion to each subdivision the ratable proportion, value considered, of the assessment made to the whole tract so divided, and after the payment of the apportioned assessment upon any one of such subdivisions, no valid objection shall be made by any party to the acts of the Tax Collector in respect to such division, and the apportioned assessment shall become as valid and binding upon the respective subdivisions to which they have been so apportioned, as if no division had been made by said Tax Collector.

SEC. 8. All of the acts and proceedings of the Tax Collector of the City and County of San Francisco, taken or done by him in pursuance of or under the authority of any order or resolution of the Board of Supervisors of said city and county, or in pursuance of or under the authority of any Act of the Legislature of the State of California, in reference to the collection of the taxes or assessments upon what are commonly designated as the outside lands of the said city and county, are hereby ratified and confirmed, and declared to be legal, valid and binding, both upon the lands embraced within the purview of any such Act of the Legislature of this State, or order or resolution of said Board of Supervisors of said city and county.

SEC. 9. And whereas, certain lands, known as outside lands of the City and County of San Francisco, have been advertised for sale by the Tax Collector of said city and county, for the non-payment of taxes or assessments levied thereon, known as the outside land tax, which sale has been postponed from time to time by said Tax Collector; and whereas, some of the parties claiming to be the owners of portions of said lands refuse or neglect to pay the taxes so levied as aforesaid, and have enjoined the said Tax Collector from proceeding with said sale; now, therefore, be it enacted, that all the pieces or parcels of land so advertised by the said Tax Collector as aforesaid, on which assessments heretofore levied have not been already paid, or shall not be paid to said Tax Collector within thirty days from and after the passage of this Act, shall be sold by said Tax Collector, for gold coin of the United States, as hereinafter provided. Said sales may be adjourned from time to time by said Tax Collector, not exceeding in all sixty days, and may take place at such place in said city and county as the said Tax Collector may designate. The time during which any injunction may be in force restraining the said Tax Collector or other officer of said city and county from proceeding with said sale shall not be computed as any part of the periods limited and fixed within which he may perform the acts and duties herein defined, but shall be excluded therefrom. The said Tax Collector may retain in his custody so much of the proceeds arising from said sale as shall be necessary to liquidate and pay off the appraisements for reserved lands as heretofore made, pursuant to Order Number Eight Hundred, and all such proper and necessary costs as he may be at in conducting said sale and the collection of such assessments and the overplus thereof, he shall pay over to the Treasurer of the said city and county; and

said Treasurer shall carry the amount so paid over to him to the credit of the General Fund of said City and County. The amount so retained by the said Tax Collector shall be paid over by him to the parties entitled thereto under section eleven of Order Number Eight Hundred, in discharge of the appraisements for reserved lands; and within thirty days from and after he shall have received a sum from assessments equal to the total amount of appraisements for reserved lands, over and above the expenses and costs of making collections, he shall settle and pay off in full the appraisements made as aforesaid; *provided*, however, when there are conflicting claimants for particular appraisements, said Tax Collector shall not be obliged to make payment in such cases until such conflicting claims shall be determined, amicably or otherwise; and the said Tax Collector is hereby authorized, from time to time, to make distribution on account of said appraisements for reserved lands, pro rata, as often as he shall have on hand fifty per cent. or less thereof.

SEC. 10. Said Tax Collector shall issue to each successful purchaser a receipt, in duplicate, for the amount bid and paid by him, which receipt shall also contain a brief description of the premises sold, and upon its face entitle the bidder, or his assigns, to a deed of conveyance of the premises therein described, at the expiration of twelve months from the date of the sale, unless there shall be a redemption of the premises as hereinafter provided.

SEC. 11. Said lands shall be sold subject to redemption, and such redemption may be made at any time within twelve months from the date of sale, upon paying to the said Tax Collector the amount bid therefor, together with twenty-five per cent. thereon and in addition thereto; and the party redeeming shall also pay such expenses of advertising and other expenses as the said Tax Collector may have incurred in and about the particular tract from the sale of which redemption is sought to be effected; *provided*, that all lands sold for assessment prior to the passage of this Act shall have the same right of redemption as provided for in section eleven of this Act.

SEC. 12. The Tax Collector, after the expiration of twelve months from the date of sale, in which there has been no redemption, shall make a conveyance of the premises sold to the purchaser thereof, or his assigns; and where there has been a redemption, he may make conveyance thereof to the redemptioner. In cases of redemption, the Tax Collector shall pay over to the holders of receipts the amount bid, together with the sum paid by the redemptioner, in addition to the bid.

SEC. 13. This Act shall take effect and be in force from and after its passage.

ARTICLE XI.

RELATING TO CITIES COUNTIES AND TOWNS.

SECTION 1. The several counties, as they now exist, are hereby recognized as legal subdivisions of this State.

SEC. 2. No county seat shall be removed unless two-thirds of the qualified electors of the county, voting on the proposition at a general election, shall vote in favor of such removal. A proposition of removal shall not be submitted in the same county more than once in four years.

SEC. 3. No new county shall be established which shall reduce any county to a population of less than eight thousand; nor shall a new county be formed containing a less population than five thousand; nor shall any line thereof pass within five miles of the county seat of any county proposed to be divided. Every county which shall be enlarged or created from territory taken from any other county or counties, shall be liable for a just proportion of the existing debts and liabilities of the county or counties from which such territory shall be taken.

SEC. 4. The Legislature shall establish a system of county governments which shall be uniform throughout the State; and by general laws shall provide for township organization, under which any county may organize whenever a majority of the qualified electors of such county, voting at a general election, shall so determine; and whenever a county shall adopt township organization, the assessment and collection of the revenue shall be made, and the business of such county and the local affairs of the several townships therein shall be managed and transacted in the manner prescribed by such general laws.

SEC. 5. The Legislature, by general and uniform laws, shall provide for the election or appointment, in the several counties, of Boards of Supervisors, Sheriffs, County Clerks, District Attorneys, and such other county, township, and municipal officers as public convenience may require, and shall prescribe their duties and fix their terms of office. It shall regulate the compensation of all such officers in proportion to duties, and for this purpose may classify the counties by population; and it shall provide for the strict accountability of county and township officers for all fees which may be collected by them, and for all public and municipal moneys which may be paid to them, or officially come into their possession.

SEC. 6. Corporations for municipal purposes shall not be created by special laws; but the Legislature, by general laws, shall provide for the incorporation, organization, and classification, in proportion to population, of cities and towns, which laws may be altered, amended, or repealed. Cities and towns heretofore organized or incorporated may become organized under such general laws whenever a majority of the electors voting at a general election shall so determine, and shall organize in conformity therewith; and cities or towns heretofore or hereafter organized, and all charters thereof framed or adopted by authority of this Constitution, shall be subject to and controlled by general laws.

SEC. 7. City and county governments may be merged and consolidated into one municipal government, with one set of officers, and may be incorporated under general laws providing for the incorporation and organization of corporations for municipal purposes. The provisions of this Constitution applicable to cities and also those applicable to counties, so far as not inconsistent or not prohibited to cities, shall be applicable to such consolidated government. In consolidated city and county governments, of more than one hundred thousand population, there shall be two boards of Supervisors or houses of legislation—one of which, to consist of twelve persons, shall be elected by general ticket from the city and county at large, and shall hold office for the term of four years, but shall be so classified that after the first election only six shall be elected every two years; the other, to consist of twelve persons, shall be elected every two years, and shall hold office for the term of two years. Any vacancy occurring in the office of Supervisor, in either Board, shall be filled by the Mayor or other chief executive officer.

SEC. 8. Any city containing a population of more than one hundred thousand inhabitants may frame a charter for its own government, consistent with and subject to the Constitution and laws of this State, by causing a Board of fifteen freeholders, who shall have been for at least five years qualified electors thereof, to be elected by the qualified voters of such city, at any general or special election, whose duty it shall be, within ninety days after such election, to prepare and propose a charter for such city, which shall be signed in duplicate by the members of such Board, or a majority of them, and returned, one copy thereof to the Mayor, or other chief executive officer of such city, and the other to the Recorder of deeds of the county. Such proposed charter shall then be published in two daily papers of general circulation in such city for at least twenty days, and within not less than thirty days after such publication it shall be submitted to the qualified electors of such city at a general or special election, and if a majority of such qualified electors voting thereat shall ratify the same, it shall thereafter be submitted to the Legislature for its approval or rejection as a whole, without power of alteration or amendment, and if approved by a majority vote of the members elected to each House, it shall become the charter of such city, or if such city be consolidated with a county, then of such city and county, and

shall become the organic law thereof, and supersede any existing charter and all amendments thereof, and all special laws inconsistent with such charter. A copy of such charter, certified by the Mayor, or chief executive officer, and authenticated by the seal of such city, setting forth the submission of such charter to the electors and its ratification by them, shall be made in duplicate and deposited, one in the office of the Secretary of State, the other, after being recorded in the office of the Recorder of Deeds of the county, among the archives of the city; all courts shall take judicial notice thereof. The charter so ratified may be amended at intervals of not less than two years, by proposals therefor, submitted by legislative authority of the city to the qualified voters thereof, at a general or special election held at least sixty days after the publication of such proposals, and ratified by at least three-fifths of the qualified electors voting thereat, and approved by the Legislature, as herein provided for the approval of the charter. In submitting any such charter, or amendment thereto, any alternative article or proposition may be presented for the choice of the voters, and may be voted on separately without prejudice to others.

SEC. 9. The compensation of any county, city, town, or municipal officer shall not be increased after his election or during his term of office; nor shall his term of any such officer be extended beyond the period for which he is elected or appointed.

SEC. 10. No county, city, town, or other public or municipal corporation, nor the inhabitants thereof, nor the property therein, shall be released or discharged from its or their proportionate share of taxes to be levied for State purposes, nor shall commutation for such taxes be authorized in any form whatsoever.

SEC. 11. Any county, city, town or township may make and enforce within its limits all such local, police, sanitary, and other regulations as are not in conflict with general laws.

SEC. 12. The Legislature shall have no power to impose taxes upon counties, cities, towns, or other public or municipal corporations, or upon the inhabitants or property thereof, for county, city, town, or other municipal purposes, but may, by general laws, vest in the corporate authorities thereof the power to assess and collect taxes for such purposes.

SEC. 13. The Legislature shall not delegate to any special commission, private corporation, company, association, or individual, any power to make, control, or appropriate, supervise, or in any way interfere with, any county, city, town, or municipal improvement, money, property, or effects, whether held in trust or otherwise, or to levy taxes or assessments, or perform any municipal functions whatever.

SEC. 14. No State office shall be continued or created in any county, city, town, or other municipality, for the inspection, measurement, or graduation

of any merchandise, manufacture, or commodity; but such county, city, town, or municipality may, when authorized by general law, appoint such officers.

SEC. 15. Private property shall not be taken or sold for the payment of the corporate debt of any political or municipal corporation.

SEC. 16. All moneys, assessments, and taxes belonging to or collected for the use of any county, city, town, or public or municipal corporation, coming into the hands of any officer thereof, shall immediately be deposited with the Treasurer, or other legal depository, to the credit of such city, town, or other corporation, respectively, for the benefit of the funds to which they respectively belong.

SEC. 17. The making of profit out of county, city, town, or other public money, or using the same for any purpose not authorized by law, by any officer having the possession or control thereof, shall be a felony, and shall be prosecuted and punished as prescribed by law.

SEC. 18. No county, city, town, township, Board of Education, or school district, shall incur any indebtedness or liability in any manner, or for any purpose, exceeding in any year the income and revenue provided for it for such year, without the assent of two-thirds of the qualified electors thereof voting at an election to be held for that purpose, nor unless, before or at the time of incurring such indebtedness, provision shall be made for the collection of an annual tax sufficient to pay the interest on such indebtedness as it falls due, and also to constitute a sinking fund for the payment of the principal thereof within twenty years from the time of contracting the same. Any indebtedness or liability incurred contrary to this provision shall be void.

SEC. 19. In any city where there are no public works owned and controlled by the municipality for supplying the same with water or artificial light, any individual, or any company, duly incorporated for such purpose, under and by authority of the laws of this State, shall, under the direction of the Superintendent of Streets, or other officer in control thereof, and under such general regulations as the municipality may prescribe for damages and indemnity for damages, have the privilege of using the public streets and thoroughfares thereof, and of laying down pipes and conduits therein, and connecting therewith, so far as may be necessary for introducing into and supplying such city and its inhabitants, either with gaslight, or other illuminating light, or with fresh water for domestic and all other purposes, upon the condition that the municipal government shall have the right to regulate the charges thereof. [Amendment adopted November 4, 1884.]

ARTICLE XIV.

WATER AND WATER RIGHTS.

SECTION 1. The use of all water now appropriated, or that may hereafter be appropriated, for sale, rental, or distribution, is hereby declared to be a public use, and subject to the regulation and control of the State, in the manner to be prescribed by law ; provided, that the rates or compensation to be collected by any person, company, or corporation in this State for the use of water supplied to any city and county, or city or town, or the inhabitants thereof, shall be fixed, annually, by the Board of Supervisors, or city and county, or City or Town Council, or other governing body of such city and county, or city or town, by ordinance or otherwise, in the manner that other ordinances or legislative acts or resolutions are passed by such body, and shall continue in force for one year and no longer. Such ordinances or resolutions shall be passed in the month of February of each year, and take effect on the first day of July thereafter. Any Board or body failing to pass the necessary ordinances or resolutions fixing water rates, where necessary, within such time, shall be subject to peremptory process to compel action at the suit of any party interested, and shall be liable to such further processes and penalties as the Legislature may prescribe. Any person, company, or corporation collecting water-rates in any city and county, or city or town in this State, otherwise than as so established, shall forfeit the franchises and water-works of such person, company, or corporation to the city and county, or city or town, where the same are collected, for the public use.

SECTION 1. Any city, town, or municipal corporation, incorporated under the laws of this State, may, as hereinafter provided, incur indebtedness to pay the cost of any permanent municipal improvement requiring an expenditure greater than the amount allowed for such improvements by the ordinary annual tax levy.

SEC. 2. Whenever the legislative branch of any city, town, or municipal corporation shall, by ordinance passed by a vote of three fourths of all its members and approved by the Executive of said city, town, or municipal corporation, determine therein that the public interest or necessity demands the acquisition, construction, or completion of any permanent municipal building, work, sewer, property, water rights, bridges, or improvement, the cost of which is too great to be paid out of the ordinary annual income and revenue of the municipality, they may, after publication of such ordinance for at least two weeks in some newspaper published in such city, town, or municipal corporation, and at the next regular meeting after such publication, or at an adjourned meeting thereat, by ordinance, passed by a vote of three fourths of all its members, and also approved by the said Executive, call a special election and submit to the qualified voters of said city, town, or municipal corporation the proposition of incurring a debt for the purpose set forth in the ordinance, and no question other than the incurrence of indebtedness for such purpose shall be submitted. The ordinance of the city calling such special election shall recite the objects and purposes for which the indebtedness is proposed to be incurred; the estimated cost of such improvement; the necessity for such improvement, and that bonds of the city for municipal improvement shall issue for the payment of the cost, as in said ordinance set forth, if the proposition be accepted by the qualified voters of the city, as hereinafter provided, and shall fix the day on which such special election shall be held, the manner of holding such election, and of voting for or against incurring the indebtedness; *provided*, such election shall be held

as provided by law for holding elections in such city, town, or municipal corporations.

It shall require a vote of two thirds of all voters, voting at such special election, to authorize the issuance of the bonds herein provided.

SEC. 4. All bonds of municipality, for permanent improvements, issued under the provisions of this Act, shall be of a character of bonds known as serials, and shall be payable in the manner following: One twentieth part of the whole indebtedness shall be payable each and every year, on a day to be fixed by the legislative branch of the city, together with the annual interest on all sums unpaid at such date; and the bonds shall be issued in such amount as the government of such city may determine, but not less than one hundred dollars each or more than one thousand dollars each, payable on the day fixed in said bond, with interest not to exceed the sum of five per cent per annum. The taxes herein required to be levied and collected shall be in addition to all other taxes levied for city purposes, and shall be collected at the same time and in the same manner as other city taxes are collected.

SEC. 6. Within thirty days after the sale of such bonds, the Executive of said city, town, or municipal corporation shall appoint a Commissioner of such improvement, who shall be confirmed by a vote of not less than three fourths of the members of the legislative branch of said municipal government, and the Commissioner shall have charge of the said improvement and

the disbursement of the said funds for such purposes, subject to the conditions of the ordinances of the said city providing for such work or improvement, and such ordinances as may at any time be passed relating thereto; but the Commissioner, when appointed, shall not be removed until the completion of the said improvement, unless by order of the Executive, concurred in by a vote of three fourths of said legislative branch.

SEC. 7. The compensation of the Commissioner to be appointed under the provisions of this Act shall be fixed by ordinance not to exceed five dollars per day for each day of actual service; said Commissioner shall execute an official bond in the penal sum of ten thousand dollars (\$10,000) for the faithful performance of his duties.

SEC. 8. All contracts for the construction or completion of any work, or of improvements, or furnishing of materials for work or improvements, as herein provided for, shall be let to the lowest responsible bidder, who shall furnish such bonds as the legislative branch of said city, town, or municipal corporation may require.
